K. Chesterton G. K. Chesterton,Aeterna Press,2010-11 It was in the season of Christmas that I came out of my little garden in that field of the beeches between the Chilterns and the Thames

and began to walk backwards through history to the place from which Christmas came For it is often necessary to walk backwards as a man on the wrong road goes back to a sign post to find the right road The modern man is more like a traveller who has forgotten the name of his destination and has to go back whence he came even to find out where he is going That the world has lost its way few will now deny and it did seem to me that I found at last a sort of sign post of a singular and significant shape and saw for a moment in my mind the true map of the modern wanderings but whether I shall be able to say anything of what I saw this story must show The New Jerusalem G. K. Chesterton, 2019-02-05 The New Jerusalem is a history book written by G K Chesterton which deals with the world of the Middle East and serves as a eulogy on the Middle Ages and the true end of the Roman Empire Revolving around the central idea of Jerusalem and Zionism the book gives the basic idea of the Middle East history offering some insights to its future Chesterton recognizes the profound differences in approaching the world among groups like Arabs Jewish people and Western people and offers some interesting and poetical insights of the Middle East *The G.
