Pageant of Seasons Helen Stiles Chenoweth, 2007-03-15

This is a collection of Japanese haiku written by an American poet Helen Chenoweth. The author has used a language that is all American in association but very much enriched by her love for things Japanese. Poetry in Japan is as universal as air. It is read by everybody composed by almost everybody irrespective of class and condition. This statement by Lafcadio Hearn deeply impressed Helen Chenoweth. In course of her comprehensive studies in the art of writing and teaching poetry she became enchanted by the Japanese haiku in which the subtlest meanings and feelings can be expressed in three short lines. *Pageant of Seasons* offers many lyrical haiku some of which are centered around the Pacific Ocean. Other haiku show nature in all its facets of growing. These poems create a kaleidoscope of charming images and experiences to which each of us will attach his own meanings.

The Seasons Luke Fischer, David Macauley, 2021-07-01. Although the seasons have been a perennial theme in literature and art their significance for philosophy and environmental theory has remained largely unexplored. This pioneering book demonstrates the ways in which inquiry into the seasons reveals new and illuminating perspectives for philosophy, environmental thought, anthropology, cultural studies, aesthetics, poetics, and literary criticism. *The Seasons* opens up new avenues for research in these fields and provides a valuable resource for teachers and students of the environmental humanities. The innovative essays herein address a wide range of seasonal cultures and geographies from the traditional Western model of the four seasons: spring, summer, fall, and winter to the Indigenous seasons of Australia and the Arctic. Exemplifying the crucial importance of interdisciplinary research, *The Seasons* makes a compelling case for the relevance of the seasons to our daily lives, scientific understanding, diverse cultural practices, and politics.

The Routledge Global Haiku Reader James Shea, Grant Caldwell, 2023-06-30. The *Routledge Global Haiku Reader* provides a historical overview and comprehensive examination of haiku across the world in numerous languages, poetic movements, and cultural contexts. Offering an extensive critical perspective, this volume provides leading essays by poets and scholars who explore haiku's various global developments, demonstrating the form's complex and sometimes contradictory manifestations from the twentieth century to the present. The sixteen chapters are carefully organized into categories that reflect the salient areas of practice and study: Haiku in Transit, Haiku and Social Consciousness, Haiku and Experimentation, and The Future of Global Haiku. An insightful introduction surveys haiku's influence beyond Japan and frames the collection historically and culturally, questioning commonly held assumptions about haiku and laying the groundwork for new ways of seeing the form. Haiku's elusiveness, its resistance to definition, is partly what keeps it so relevant today, and this book traces the many ways in which this global verse form has evolved. The *Routledge Global Haiku Reader* ushers haiku into the twenty-first century in a critically minded and historically informed manner for a new generation of readers and writers and will appeal to students and researchers in Asian studies, literary studies, comparative literature, creative writing, and cultural studies.
