Valerie Petrillo

Painted Face:

Painted Face Molly Bass, Sylvia Bryant Hoffmire, 1989 Deals with the topic of teenage suicide *The Painted Face* Tamar Garb, 2007-01-01 The meaning of a painted portrait and even its subject may be far more complex than expected Tamar Garb reveals in this book She charts for the first time the history of French female portraiture from its heyday in the early nineteenth century to its demise in the early twentieth century showing how these paintings illuminate evolving social attitudes and aesthetic concerns in France over the course of the century The author builds the discussion around six canonic works by Ingres Manet Cassatt C zanne Picasso and Matisse beginning with Ingres s idealized portrait of Mme de Sennones and ending with Matisse s elegiac last portrait of his wife During the hundred years that separate these works the female portrait went from being the ideal genre for the expression of painting s capacity to describe and embellish nature to the prime locus of its refusal to do so Picasso s Cubism and specifically Ma Jolie provides the fulcrum of this shift *Historical Dictionary of Chinese Theater* Tan Ye, 2020-03-04 There is a sense of timelessness in the Chinese theater ever since its maturation its format has not changed in any significant way Chinese Theater matured into its final format in the 13th century and flourished during the Yuan Ming and Qing Dynasties It is a unique exclusive and self sufficient system whose evolution has received little influence from the West and whose influence on Western theaters has been minimal and often misinterpreted It is essentially a performer s theater the actors attract the audience with splendid performances perfected through many years of rigorous training This second edition of Historical Dictionary of Chinese Theater contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 500 cross referenced entries on performers directors producers designers actors theaters dynasties and emperors This book is an excellent resource for students researchers and anyone wanting to know more about Chinese theater *The Scandal of Images* Marguerite A. Tassi, 2005 In Elizabethan England dramatists and painters were both achieving the greatest degree of artistic excellence yet witnessed but they were also in a state of transition vying for social status and patronage as well as struggling against religious reformers accusations of idolatry and eroticism This interdisciplinary study brings to light the radical inventive ways in which dramatists such as Shakespeare Lyly and Marston appropriated painting and subtly competed with painters to advance their own art and defend theater against Puritan attacks They transformed painting into a provocative stage property and trope that enhanced the language of their scripts and the audience s imaginative participation in the drama At the same time they reflected a profound ambivalence towards painting by staging scenes with painters and pictures that emphasized the dangerous powers inherent in visual images and image making *Fieldiana*, 1904 *Culture and Computing* Matthias Rauterberg, 2022-06-16 This book constitutes the refereed proceedings of the 10th International Conference on Culture and Computing C C 2022 held as part of the 23rd International Conference HCI International 2022 which was held virtually in June July 2022 The total of 1271 papers and 275 posters included in the HCII 2022 proceedings
