Nineteenth Century Painters and Painting Geraldine Norman, 2023-12-22 **The Connecticut Magazine** William Farrand Felch, George C. Atwell, H. Phelps Arms, Francis Trevelyan Miller, 1908 **The Journal of American History**, 1908

University of Texas Bulletin, 1917 *Remembering George Cardinal Pell* Tracey Rowland, 2025-05-12

Cardinal George Pell was a significant figure in Australian public life and in the life of the Catholic Church from the time of his appointment to the episcopacy in the 1980s until his death in 2023. His imprisonment for some 404 days for a crime he did not commit was one of the greatest miscarriages of justice in Australian legal history. His scapegoat treatment has been compared to that of Alfred Dreyfus in the period of the Third French Republic. As a defender of Catholic orthodoxy, Pell drew opposition from liberal Catholic quarters and from anti-Christian intellectual elites and as the Vatican's Prefect for the Economy, he found himself in the position of having to expose and then clean up the financial corruption within the Roman Curia. Thus he was fighting wars on more than one front in more than one country. He had many enemies but he also had many friends and was revered by young Catholics on the orthodox end of the theological spectrum. While much has been written to vilify him in the popular press by those who opposed his ideas and while some scholars have sought to examine the R v Pell case from an emotionally detached position, this book is something different. It is a collection of memoirs by those who knew him well. It is not intended as an exercise in hagiography or apologetics but rather it reveals dimensions of the Cardinal's personality that never made the pages of the popular press. This book is a record of memories those who knew Cardinal Pell as a gift to future generations of Catholics who may find this era of history of interest. In particular, it is a record for younger Catholics who come from families where their parents and grandparents supported the Cardinal. Since the Cardinal was well known not only in Australia but across the entire Anglosphere, this collection of memoirs should be of broad international interest. In the manner of a kaleidoscope, it offers a multidimensional picture of a man who loved him or loathed him. He was a passionate defender of the Catholic faith.
