Paintings Of The Ming And Qing Dynasties From The Guangzhou Art Gallery:

Paintings of the Ming and Qing Dynasties from the Guangzhou Art Gallery, 1986 中国书画 Chinese University of Hong Kong. Art Museum, 2001 **Important Classical Chinese Paintings**, 1989 *Images of the Canton Factories 1760-1822* Paul A. Van Dyke, Maria Kar-wing Mok, 2015-09-01 Hundreds of Chinese export paintings of Canton trading houses and shopping streets are in museums and private collections throughout the world and scholars of art and history have often questioned the reliability of these historical paintings In this illustrated volume Paul Van Dyke and Maria Mok examine these Chinese export paintings by matching the changes in the images with new historical data collected from various archives Many factory paintings are reliable historical records in their own right and can be dated to a single year Dating images with such precision was not possible in the past owing to insufficient information on the scenes The new findings in this volume provide unprecedented opportunities to re date many art works and prove that images of the Canton factories painted on canvas by Chinese artists are far more trustworthy than what scholars have believed in the past **San shi nian ru cang wen wu xuan cui**, 2001 **A Defiant Brush** Yeewan Koon, 2014-07-31 This book takes a fresh look at this underappreciated artist in the context of a nascent Chinese modernism *The Directory of Museums & Living Displays* Kenneth Hudson, Ann Nicholls, 1985-06-18 Fine Chinese Paintings Sotheby's (Firm), 1990 *Between Heaven and Earth* Paul Moss, Sydney L. Archaeology, 1994 **Shitao's Late Work (1697-1707)** Jonathan Hay, 1993 **A History of Chinese Art in the 20th and 21st Century** Lü Peng, 2025-02-03 This book situates the development of 20th and 21st century Chinese art in such fundamental contexts as Chinese politics and social change and is ideally suited for readers to understand the particularities of Chinese art that are distinct from Western art history. Such an approach is appropriate to the understanding of the development of modern Chinese art which differs from both the Western approach to art history and the approach to traditional Chinese art which is limited to the combining of ink and brush heritage and ideological traditions. Based on the scale and influence of historical works considering the specificity of the term involving fine art in China and the scope of influence of the phenomenon of fine art in the cultural field, this book's study of the phenomena of painting, sculpture, photography, video, and mixed media art follows two linear time lines of historical relevance: 1949-1978 and 1978 to the present. Special attention is paid to the development of modern and contemporary art after 1978. The main readers of this book are undergraduate students in art schools, graduate and doctoral students in art history, students in other humanities disciplines, experts, and professors in the study of 20th century Chinese art and cultural history should be important readers of this book.
