Cataloging Policy and Support Office, 2002      **Beyond Isabella** Sheryl E. Reiss, David G. Wilkins, 2001-06-01 Who were the secular female patrons of art and architecture in Renaissance Italy beyond Isabella d Este This volume brings together fourteen essays which examine the important and often unrecognized roles aristocratic and bourgeois women played in the patronage of visual culture during the Italian Renaissance Themes include the significance of role models for female patrons the dynamics of conjugal patronage and the widespread patronage activities of widows Collectively the essays demonstrate how resourceful women expressed themselves through patronage

despite the limitations of a highly structured patriarchal society Thus Isabella d Este was by no means unique as a secular female patron and the studies offered here should encourage scholars to move further beyond Isabella in their assessment of women s patronage of art and architecture in Renaissance Italy *1,000 Places to See Before You Die* Patricia Schultz,2003-05-22 Describes essential places to see from around the world offering information on what to find at each spot and the best time to visit **The Grammar of Ornament** Owen Jones,1868 Illustrated by examples from various styles of ornament Around one hundred plates drawn on stone by F Bedford and printed in colours by Day and Son **Journal of the Warburg and Courtauld Institutes** Warburg Institute,2003 Domestic Institutional Interiors in Early Modern Europe Sandra Cavallo,2017-07-05 The early modern period saw the proliferation of religious public and charitable institutions and the emergence of new educational structures By bringing together two areas of inquiry that have so far been seen as distinct the study of institutions and that of the house and domesticity this collection provides new insights into the domestic experience of men women and children who lived in non family arrangements while also expanding and problematizing the notion of domestic interior Through specific case studies contributors reassess the validity of the categories domestic and institutional and of the oppositions private public communal individual religious profane applied to institutional spaces and objects They consider how rituals interior decorations furnishings and images were transferred from the domestic to the institutional interior and vice versa but also the creative ways in which the residents participated in the formation of their living settings A variety of secular and religious institutions are considered hospitals asylums and orphanages convents colleges public palaces of the ducal and papal court The interest and novelty of this collection resides in both its subject matter and its interdisciplinary and Europe wide dimension The theme is addressed from the perspective of art history architectural history and social gender and cultural history Chapters deal with Italy Britain the Netherlands Flanders and Portugal and with both Protestant and Catholic settings The wide range of evidence employed by contributors includes sources such as graffiti lottery tickets or garland pictures that have rarely if ever been considered by historians **DK Eyewitness Travel Guide Italy** DK,2015-10-06 DK Eyewitness Travel Guide Italy is your in depth guide to the very best of Italy From touching the stones of the Colosseum in Rome to gazing up at Michelangelo s David in Florence to savoring a gelato along the canals of Venice experience the rich cultural treasures this beautiful country has to offer Discover DK Eyewitness Travel Guide Italy Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city maps of Florence Rome and Venice each include a street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness
