Children of Light C.E. Cramp,2013-03-22 Two orphaned siblings Kae Tea Lynn and Andrew A Cuss are left outside the System and seem to fall in the cracks between what is sanctioned and what does happen They must use their wits and their faith to survive the multitude of social predators and the general apathy of uncaring neighbours and relatives Creator and Light Morning Star come to their rescue in various ways that fill their lives with meaning and direction In their adventures the brother and sister grow and learn to work as a team as well as collect the needed new friends and caring others of Good struggling against Evil who assist them along the way in their efforts to overcome As the children grow and develop confidence in their unique abilities they find more children of Creator who are willing to mentor them and their faith Kae Tea Lynn and Andrew A Cuss also find those who are bent on their destruction All things seem to work together for the siblings to help themselves and in return help those around them **The Field Dog Stud Book** ,1902 Life John Ames
