OLD CATHOLIC CATECHISM Many books that introduce a religious sect either get you so pumped up that you are in danger of exploding Others are so dry that you seriously consider imploding before you get to the third chapter This isn't like that Expect the story of a man from California who took a journey toward God He tells you about his journey warns you about some of the pitfalls he found and invites you to join him on a spiritual quest In a nutshell Old Catholics are something like Roman Catholics but without the Inquisition They have all the sacraments Yes there are women priests and bishops Yes there are openly gay priests and bishops Some members are pro life while others are pro choice Don't let anybody pull the pallium over your eyes because that is the way ancient Christianity used to be everywhere You are in store for a wonder filled spiritual journey *Living the Catechism of the Catholic Church* Christoph Schoenborn, 2011-03-29 Cardinal Sch nborn the editor of the monumental Catechism of the Catholic Church a worldwide best seller provides a brief and profound commentary on the fourth part of the Catechism the Paths of Prayer Sch nborn gives an incisive detailed analysis of the Paths of Prayer providing a specific meditation for each week of the year on how to develop a deeper life of prayer as explained in the Catechism Through these 52 meditations Sch nborn helps the reader to have a better grasp of Catholic prayer in its various forms with a special emphasis on the Lord's Prayer This book will aid one's growth in a greater love of and devotion to the Person of Jesus Christ In prayer there are joys that cannot be compared with any other joy and at the same time prayer is a constant struggle But in either case we do not do it alone we pray as members of a great praying community and it is much larger than we can suspect and we do not struggle alone to pray Many invisible helpers in heaven and here on earth are with us and assist us Christoph Cardinal Sch nborn *The Complete Guide to Prayer-walking* Linus Mundy, 1996 Linus Mundy's booklet on Prayer Walking was the topic of national attention when it appeared a little over a year ago Now he gives us *The Complete Guide to Prayer Walking* a comprehensive book based on the premise that a walk is not only good for your heart but presents a good time to listen to the secret murmurings of your heart as well as to tune into God's heart Increase your creative productivity get into shape relieve stress and nourish your soul all at the same time Linus Mundy shows you how He explains all the whats and wheres and whens He also offers suggestions for meditations prayers and prayer starters As a bonus he includes four other first person accounts of prayer walkers their stories methods and beliefs What is Prayer Walking When and Where How to Find Your Right Way How Do You Prayer Walk What or Whom to Take With You How Can

You Tell When You re Really Prayer Walking Paths to Prayer Robert F. Morneau,1996 *Beginning At Jerusalem* Glenn W. Olsen,2010-10-29 A highly regarded historian and professor presents a sustained reflection on the meaning of the Church s life in time Divided into five parts each section takes up a period of Church history and considers how the developments in church history relate to the Church today From doctrines to customs Olsen examines both the theological and historical impact of each new development Beginning with ancient Christianity the author illustrates how both secularization and sacralization take place in history and how it corresponds to our own age Taking the reader from late ancient and early medieval Christianity to the full bloom of medieval scholasticism and scholarship to the dawn of the Renaissance and the aggressively anti religious time of the Enlightenment Olsen considers all aspects of every age The final section is a discussion of the Church in our own time confronting such problems as modernization and the relation of the Church to culture Appendices expand on The Catechism of the Catholic Church s teaching on the relation between prayer and history
