Pathways To Serenity:

Pathways to Serenity. Overcoming Your Addictions One Day at a Time David Palmer, 2013-03-29 This book is mainly about people who have experienced the blessings and joy of recovery from their addictions how they did it and how you can do it My purpose in writing it is to give you the reader hope and encouragement The rest is up to you You will find my story the one I tell at 12 Step meetings in appendix 1 of the book I hope you will conclude when you read it that If this guy can do it I can too There are also nineteen chapters in the book that will help you better understand the resources available to you There are chapters for example on people we are especially interested in adolescents veterans and prison inmates and about programs like Alcoholics Anonymous Al Anon and Celebrate Recovery I call these chapters pathways to serenity in the title of the book and emphasize taking it no more than one day at a time a vital key to recovery The photo of my wife and me on the cover is meant to reassure those who seek recovery that there can be happiness after you drop the alcohol drugs or other addictions And there will be moments of serenity but not every moment That s where the one day at a time comes in The stories about people and programs are snapshots People and programs change some in recovery have slips and may never come back while others succeed It is also true that some programs succeed while others fade away That s life and readers must take this into account in charting their own recovery This then is a freeze frame of people dealing effectively with their addictions through programs that work We must remember that they are contending with an adversary addiction which chapter 5 of the Big Book of Alcoholics Anonymous describes as cunning baffling and powerful Maybe so but we have access to the God of the universe The late Joe McQuany who wrote a text book on recovery used by treatment centers travelled the world over carrying the message helped integrate AA meetings in the deep south and taught what the 12 Steps of AA had this to say about God and man I look at the battles that go on in life and I look at the resentments and fears guilt and remorse and how these things block us from God and shackle us to the self Then I look at love tolerance patience courage and wisdom These qualities have come from God and they are always within us In our outer and inner conflicts we can see the powers of self contending with the powers of God Amen [Pathways to Serenity](#) Philip St.

Romain, 1988 **Pathways to Personal Freedom Using the Silva Method** Diana Silva, Robert Deutchman, 2019-01-30 Pathways to Personal Freedom using the Silva Method is a compilation of fifty ideas to help uncover the ways of inner bliss that lay dormant within each of us Happiness and Personal Freedom are concepts that most of us have taken for granted Society teaches us to please others look for approval and acceptance from others check in with those who know better than we do allow our negative thoughts to overtake our actions our way of life and even health Each Pathway starts with a quote to encourage thinking and inspiration to bring about a spark of insight that is already known but may have been forgotten along the way What follows are suggestions and examples from the authors lives and experiences as to how to achieve bliss and inner harmony Each will end with an affirmation to be recited in the present time to instill the ideas as if they are already

in place and to help enhance this new way of thinking Some of these ideas may be new and even foreign but they have stood the test of time and used by many throughout the world Jose Silva Sr was a pioneer in the study and application of mind control His youngest daughter Diana Silva Mendez and coauthor Robert Deutchman have put together this labor of love for the benefit of Silva Method enthusiasts trainers Silva graduates and to all who seek to tap into their inner wisdom
