these British reformers used print media and grassroots mobilization efforts to build an empire wide political party with adherents in London Edinburgh New York City and the new colony of Georgia While building this party the Patriots advocacy drew Britons into a series of violent political conflicts over taxes and civil liberty as well as three expansive global wars the War of Jenkins Ear 1739 48 the War of the Austrian Succession 1740 48 and the Seven Years War 1756 63 Patriot ideas and organizations came to divide Britons on increasingly sharp political lines laying the groundwork for the revolutionary decades to come
