Kathryn Greene-McCreight

Pattern Of Doctrines:

Feminist Reconstructions of Christian Doctrine Kathryn Greene-McCreight, 2000 What is the relationship between feminist theology and classical Christian theology Is feminist theology Christian and if so in what respect and to what extent This study seeks to analyze and evaluate the relation of feminist reconstructions to traditional Christian teaching Greene McCreight uses the extent to which the biblical depiction of God is allowed to guide theological hermeneutics as a test of orthodoxy She looks at the writings of a wide range of contemporary feminist theologians discusses their doctrinal patterns and demonstrates how the Bible is used in undergirding their theological reconstructions *Inter-Religious Models and Criteria* J. Kellenberger, 2016-07-27 This book is a collection of papers presented and discussed at the 1992 Claremont Conference Its contributing authors come from various disciplines that share a concern with models and criteria for inter religious understanding including religious studies philosophy of religion theology comparative studies and feminist philosophy

Oppositions of Religious Doctrines William Armistead Christian, 1972-06-18

The Doctrines of US Security Policy Heiko Meiertöns, 2010-06-10 The practise of outlining principles for the conduct of US security policy in so called doctrines is a characteristic feature of US foreign policy From an international lawyer s point of view two aspects of these doctrines are of particular interest First to what degree are the criteria for the use of force as laid down in these doctrines consistent with the limitations for the use of force in international law Second which law creating effects do these doctrines have Furthermore the legal nature of these doctrines remains uncertain These matters are examined beginning with the Monroe Doctrine of 1823 and taking into account the Stimson Doctrine of 1932 the doctrines of the Cold War period and the Bush Doctrine of 2002 The Bush Doctrine in particular has generated controversies concerning its compatibility with Article 51 of the UN Charter due to its principle of preventive self defence

Church Doctrine, Volume 1 Paul C. McGlasson, 2013-08-02 The present volume is the first in a five volume study of church doctrine The multivolume set will cover the major parts of church doctrine Canon God Creation Reconciliation and Redemption This first volume begins with an introduction on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this volume is to begin a search for an alternative to the many theologies available on the religious left and the religious right Where doctrine is absent the church is held captive to ideology the same is as true among conservatives as it is among liberals The present work is an attempt to struggle toward the meaning of orthodoxy in church doctrine an orthodoxy that is never merely a given but which always has to be sought and found again and again in each new generation of the church Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord

Theology in Reconstruction Thomas F. Torrance, 1996-12-19 A collection of fifteen essays addressing the basic intellectual challenges to the contemporary Christian church Professor Torrance deals with such topics as the centrality of

Christology in scientific dogmatics the Reformed and Roman Catholic doctrines of grace theological education the relation of theological statements to scientific methodology the contemporary significance of some past theological giants and the nature and significance of the Holy Spirit and of the church *Integrative Theology* Gordon R. Lewis, Bruce A. Demarest, 2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion's relevance to a person's spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2-6 integrate the disciplines of historical biblical systematic apologetic and practical theology *Soviet Russia Today: Patterns and Prospects* John L. Stipp, 1956 The Formation of Christian Doctrine Malcolm B. Yarnell, Malcolm B. Yarnell, III, 2007 The Formation of Christian Doctrine is an advanced academic study of how Christian doctrine develops distinguishing in particular between scholarly term *inventio* and less revelatory process of invention **Federal Criminal Law Doctrines** Kenneth M. Murchison, 1994 He identifies these federal doctrinal developments as an important but ignored legacy of prohibition and describes how these changes continue to effect contemporary law
