**The Hellenistic
Background of
1 Corinthians 7**

Will Deming

foreword by Raymond Collins

Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7

Barry N. Danylak

Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7:

Paul on Marriage and Celibacy Will Deming, 1995-02-02 Reassesses Paul's thinking on marriage and his place in the history of Christian asceticism **Paul on Marriage and Celibacy** Willoughby Howard Deming, 1991 **Paul and Secular Singleness in 1 Corinthians 7** Barry N. Danylak, 2024-04-04 Unlocks the ascetic conundrum in Paul's discussion of singleness in 1 Corinthians 7 leveraging material sources and Epicureanism This book offers a fresh understanding of singleness in Paul's day that clarifies his argument and portrays a picture of Paul's audience that resonates with our modern world *Marriage, Celibacy, and Heresy in Ancient Christianity* David G. Hunter, 2007-01-26 Marriage Celibacy and Heresy in Ancient Christianity is the first major study in English of the heretic Jovinian and the Jovinianist controversy David G. Hunter examines early Christian views on marriage and celibacy in the first three centuries and the development of an anti-heretical tradition He provides a thorough analysis of the responses of Jovinian's main opponents including Pope Siricius Ambrose Jerome Pelagius and Augustine In the course of his discussion Hunter sheds new light on the origins of Christian asceticism the rise of clerical celibacy the development of Marian doctrine and the formation of orthodoxy and heresy in early Christianity Paul and Ancient Views of Sexual Desire J. Edward Ellis, 2007-06-08 Paul and Ancient Views of Sexual Desire refutes the argument put forward by some scholars that Paul in his sexual ethics is in partial agreement with a current of thought in the Greco-Roman world that condemns sexual desire and advocates the elimination of such desire from marital sex Ellis argues against not only this line of thought but also the attendant notion that this way of thinking underlies Paul's comments on homosexual activity in Romans 1 Through close analysis of numerous ancient passages relating to sexual desire Ellis demonstrates that ancient thinkers tend to condemn not sexual desire in itself but excessive sexual desire and lack of self-control Furthermore he contends that ancient auditors would have been unlikely to see condemnation of sexual desire in Paul's words in 1 Thessalonians 4 or 1 Corinthians 7 **Women, Gender, and Sex in the End-Time** Judith M. Gundry, 2025-08-04 Dictionary of Scripture and Ethics Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one-stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up-to-date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse The Morality of Paul's Converts Edwin D. Freed, 2014-12-05 A careful analysis of Paul's letters shows that in every church

there were two main groups of converts those who were baptized and those being instructed for baptism Such analysis also makes it possible to determine which parts of each letter were directed towards which group Baptism was the rite by which converts were forgiven their past sins and became members of a renewed community of God from which any who continued to sin were expelled The Morality of Paul s Converts argues that Paul was always more concerned with how converts behaved than with what they believed about Christ Paul remained a Jew even after he accepted Jesus as the Messiah Paul eventually developed beliefs about Jesus as the Son of God in order to win Gentile converts to faithfulness but this careful analysis of his writings reveals that his primary concern was always the morality of converts His message always remained focused on faithfulness toward God and moral probity Paul and Philosophy Troels Engberg-Pedersen, 2023-11-20 This volume collects sixteen essays published by Troels Engberg Pedersen between 1994 and 2023 in which he analyses Pauline texts and themes philosophically often using ancient philosophy particularly Stoicism as a comparison to invigorate traditional theological exegesis of Paul Published in chronological order the essays are preceded by a substantial introduction tracing their analytical development This leads to a final account of Paul s message bringing all the issues together in a single strand Among the central themes tackled are the relationship between theology and ethics the logical form of Pauline moral exhortation the understanding of flesh and spirit the logic of action personhood and Paul s soteriology Along the way Paul s apocalypticism and his relationship with Judaism gain in importance with the analysis reaching its goal in an explication of the notion of the Christ circle First Corinthians (Paideia: Commentaries on the New Testament) PHEME PERKINS, 2012-04-01 2013 Catholic Press Award Winner In this addition to the well received Paideia series a respected New Testament scholar examines cultural context and theological meaning in First Corinthians Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Students pastors and other readers will appreciate the historical literary and theological insight PHEME PERKINS offers in interpreting First Corinthians

Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Paul On Marriage And Celibacy The Hellenistic Background Of 1 Corinthians 7 : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Paffenbarger, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
