Dorra, 2007-02-20 Modern Gauguin studies complex interpretations of the works based on the identification of the artist s sources in ancient sacred art from around the world began in the early 1950s with the pioneering research of Bernard Dorival and Henri Dorra *The Symbolism of Paul Gauguin Erotica Exotica and the Great Dilemmas of Humanity* Dorra s ultimate meditation on the art of Gauguin constitutes a milestone in the history of Post Impressionism Charles Stuckey is an independent scholar and consultant Gauguin and Polynesia Nicholas Thomas, 2024-02-01 Paul Gauguin is commonly regarded as one of the greatest modern artists He is renowned for resplendent mythic imagery from Oceania for a life of restless travel and for his supposed immersion in Polynesian life But he has long been regarded ambivalently and in recent years both Gauguin s sexual behaviour and his paintings have been considered exploitative *Gauguin and Polynesia* offers a fresh view on the artist not from the perspective of European art history but from the contemporary vantage point of the region Oceania which he so famously moved to Gauguin s art is revealed for the first time to be richer and more eclectic than has been recognised The artist indeed did invent enigmatic and symbolic images but he also depicted Polynesia s colonial modernity acknowledging the life of the time and the dignity and power of some of the Islanders he encountered *Gauguin and Polynesia* neither celebrates nor condemns an extraordinary painter who at times denounced and at other times affirmed the French empire that shaped his own life and the places he moved between It is a revelation of a formative artist of modern life and of multicultural worlds in the making **Masterpieces of European Painting, 1800-1920, in the Metropolitan**
