Hang Tough, Paul Mather Alfred Slote,1985 Paul Mather s a pitcher a really good one His off speed pitch is enough to bowl a kid backward and his fast ball is pure smoke There isn t anything he can t throw from sliders change ups and sinkers to a mean curve ball that breaks at just the right moment He s pitched no hitters and perfect games To Paul pitching is what you live for and why you live Lately though Paul hasn t been allowed to do much of anything much less play ball He s got leukemia and it s put him into the hospital several times already His parents are so worried they ve forbidden him to play the game he loves so much They re afraid that if Paul strains himself his illness may come back a final time and maybe even take his life But Paul is a winner His team needs him and he won t give up without a fight Paul Mather is determined to pitch every inning to keep playing baseball and to keep hanging tough no matter what the odds
