Paula Modersohn-Becker, the Letters and Journals Paula Modersohn-Becker, 1983 **The Letters and Journals of Paula Modersohn-Becker** Diane Radycki, 1974 **The Letters and Journals of Paula Modersohn-Becker** Paula Modersohn-Becker, 1980 These rare documents chronicle the developing persona of the young woman Expressionist painter at the turn of the century struggling to resolve the conflict between what she demanded of herself as an artist and what society expected of her as a married woman Radycki provides an intriguing guide to the art capitals of Berlin London and Paris through the eyes of a woman studying art there and through contemporary sources that describe the artistic milieu and the status of women in 1900 We view the changing relationships between Becker and her friends the poet Rainer Maria Rilke Clara Westhoff the sculptor who married Rilke and her husband the painter Otto Modersohn The letters begin when Becker is in art school and end within a month of her tragic death in 1907 at age thirty one The epilogue includes Rilke's intense Requiem of 1908 translated by Lilly Engler and Adrienne Rich and never before published and Rich's own moving Paula Becker to Clara Westhoff **A Brief Festival** Paula Modersohn-Becker, 1988 The Mirror and the Palette Jennifer Higgie, 2021-10-05 A dazzlingly original and ambitious book on the history of female self-portraiture by one of today's most well-respected art critics Her story weaves in and out of time and place She's Frida Kahlo Lo's Mailou Jones and Amrita Sher Gil en route to Mexico City Paris or Bombay She's Suzanne Valadon and Gwen John craving city lights the sea and solitude she's Artemisia Gentileschi striding through the streets of Naples and Paula Modersohn Becker in Worpswede She's haunting museums in her paint-stained dress scrutinising how El Greco or Titian or Van Dyck or Cézanne solved the problems that she too is facing She's railing against her corsets her chaperones her husband and her brothers she's hammering on doors dreaming in her bedroom working day and night in her studio Despite the immense hurdles that have been placed in her way she sits at her easel picks up a mirror and paints a self-portrait because as a subject she is always available Until the twentieth century art history was in the main written by white men who tended to write about other white men The idea that women in the West have always made art was rarely cited as a possibility Yet they have and of course continue to do so often against tremendous odds from laws and religion to the pressures of family and public disapproval In *The Mirror and the Palette* Jennifer Higgie introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet more than one way to live in it and more than one way to make art about it Spanning 500 years biography and cultural history intertwine in a narrative packed with tales of rebellion adventure revolution travel and

tragedy enacted by women who turned their back on convention and lived lives of great resilience creativity and bravery

Flesh of My Flesh Kaja Silverman, 2009-10-28 What is a woman What is a man How do they and how should they relate to each other Does our yearning for wholeness refer to something real and if there is a Whole what is it and why do we feel so estranged from it For centuries now art and literature have increasingly valorized uniqueness and self sufficiency The theoreticians who loom so large within contemporary thought also privilege difference over similarity Silverman reminds us that this is but half the story and a dangerous half at that for if we are all individuals we are doomed to be rivals and enemies A much older story one that prevailed through the early modern era held that likeness or resemblance was what organized the universe and that everything emerges out of the same flesh Silverman shows that analogy so discredited by much of twentieth century thought offers a much more promising view of human relations In the West the emblematic story of turning away is that of Orpheus and Eurydice and the heroes of Silverman's sweeping new reading of nineteenth and twentieth century culture the modern heirs to the old analogical view of the world also gravitate to this myth They embrace the correspondences that bind Orpheus to Eurydice and acknowledge their kinship with others past and present The first half of this book assembles a cast of characters not usually brought together Friedrich Nietzsche Sigmund Freud Marcel Proust Lou Andr  as Salom Romain Rolland Rainer Maria Rilke Wilhelm Jensen and Paula Modersohn Becker The second half is devoted to three contemporary artists whose works we see in a moving new light Terrence Malick James Coleman and Gerhard Richter

Women Artists in Expressionism Shulamith Behr, 2022-11-15 A beautifully illustrated examination of the women artists whose inspired search for artistic integrity and equality influenced Expressionist avant garde culture *Women Artists in Expressionism* explores how women negotiated the competitive world of modern art during the late Wilhelmine and early Weimar periods in Germany Their stories challenge predominantly male oriented narratives of Expressionism and shed light on the divergent artistic responses of women to the dramatic events of the early twentieth century Shulamith Behr shows how the posthumous critical reception of Paula Modersohn Becker cast her as a prime agent of the feminization of the movement and how K the Kollwitz used printmaking as a vehicle for technical innovation and sociopolitical commentary She looks at the dynamic relationship between Marianne Werefkin and Gabriele M nter whose different paths in life led them to the Blaue Reiter a group of Expressionist artists that included Wassily Kandinsky and Paul Klee Behr examines Nell Walden's role as an influential art dealer collector and artist who promoted women Expressionists during the First World War and discusses how Dutch artist Jacoba van Heemskerck's spiritual abstraction earned her the status of an honorary German Expressionist She demonstrates how figures such as Rosa Schapire and Johanna Ey contributed to the development of the movement as spectators critics and collectors of male avant gardism Richly illustrated *Women Artists in Expressionism* is a women centered history that reveals the importance of emancipative ideals to the shaping of modernity and the avant garde
