

Paul's Letter to the Philippians

Daily notes for reflection and prayer

Prepared by Heather Adams and Mike Taylor

Introduction

Paul's letter to the church in Philippi was written when he was in prison, and its context of enforced separation and care for those who are at a distance has some similarities with our current situation. It is thought that his imprisonment was in Ephesus (on the coast of what is now Turkey), and the journey between there and Philippi (in modern Greece) would have taken a little over a week (see map below). Paul had founded the church in Philippi (read Acts chapter 16 if you want to know more) and had great affection for them. They had often been generous in giving money and material help to support Paul and other churches, and on this occasion they had sent one of their members, Epaphroditus, with material gifts to Paul in prison and also to stay with Paul to help him for a while. Epaphroditus had fallen ill while with Paul. Paul was now sending him back to Philippi to reunite him with his church, taking with him this letter in which Paul thanks them for their care and gives some Christian teaching and encouragement.

Paulas Letter

Christianne C. Jones

Paulas Letter:

Paula's Letter Christianne C. Jones, 2006 Paula wants some mail so she writes a letter to her grandparents She puts it in an envelope and drops it in the mailbox Then she waits and waits and waits Will Paula ever get some mail **Paula Modersohn-Becker, the Letters and Journals** Paula Modersohn-Becker, 1998 Recognized today as one of the great modernist painters Paula Modersohn Becker was also a gifted writer and her large body of letters and journals represent the story of her life This volume presents the journals and every extant letter each carefully annotated *Letters from Prague*, 2006-04-01 Correspondence documenting a Jewish family's personal history of the Holocaust and World War II Raya Schapiro and Helga Weinberg found a box of letters among their mother's effects after her death in 1990 They were written by their grandmother and uncle trapped in Prague after the Nazi occupation to the girls parents who had escaped to the United States in May 1939 leaving behind Raya and Helga who were five and seven years old at the time The seventy seven letters reprinted here span a period of two years during which the Nazis drew an ever tightening noose of destruction around the Jews of Prague each letter is followed by notes of explanation and amplification as well as notes on Nazi laws and official restrictions and the progress of the war Each letter has a censor's stamp on it each envelope bears the still frightening emblem of the Third Reich The letters dramatically convey the tension growing daily of existence under the Nazis and their tone becomes increasingly desperate as every avenue of escape reaches a dead end Praise for Letters from Prague 1939 1941 This book turns an abstraction into a palpable terror and pity Chicago Tribune A compelling and personal insight into the horrors of the Holocaust Booklist As it turned out the girls escaped only after months of bureaucratic wrangling while the grandmother and uncle never obtained permission to leave and were deported to the gas chambers at Treblinka and Auschwitz two years later Collected here is the moving correspondence between the adults in Prague and the girls parents in the U S Publishers Weekly The Truth About Love Tia McCollors, 2008-03-01 In the anticipated sequel to Zora's Cry revisit the lives of the four women from the P O W E R discipleship group Zora is facing some challenges adjusting to married life after so many years as a single and the pressure only increases when her new husband Preston declares his call to the ministry Monet is happily dating but still unsure if marriage is for her Belinda's stepson T J has grown dangerously rebellious testing her faith and her marriage to the limit And Paula has just given birth to a girl and is stunned when her husband demands a paternity test The women pull together in prayer as they search for answers and end up confirming the truth about love that it never fails *Pilgrimage Explored* Jennie Stopford, 1999 The history and underlying ideology of pilgrimage examined from prehistory to the middle ages **True Student Life** Henry Barnard, 1873 *Investigation of Whitewater Development Corporation and Related Matters: The inquiry into whether administration officials engaged in improper conduct with respect to investigations and inquiries relating to Whitewater Development Corporation, Capital Management Services, Madison Guaranty Savings & Loan, and related matters* United States. Congress. Senate. Special Committee to

Investigate Whitewater Development Corporation and Related Matters,1997 **Religious Competition in the Third Century CE: Jews, Christians, and the Greco-Roman World** Jordan D. Rosenblum,Lily Vuong,Nathaniel DesRosiers,2014-10-01 The essays in this work examine issues related to authority identity or change in religious and philosophical traditions of the third century CE This century is of particular interest because of the political and cultural developments and conflicts that occurred during this period which in turn drastically changed the social and religious landscape of the Roman world The specific focus of this volume edited by Jordan D Rosenblum Lily Vuong and Nathaniel DesRosiers is to explore these major creative movements and to examine their strategies for developing and designating orthodoxies and orthopraxies Contributors were encouraged to analyze or construct the intersections between parallel religious and philosophical communities of the third century including points of contact either between or among Jews Christians pagans and philosophers As a result the discussions of the material contained within this volume are both comparative in nature and interdisciplinary in approach engaging participants who work in the fields of Religious Studies Philosophy History and Archaeology The overall goal was to explore dialogues between individuals or groups that illuminate the mutual competition and influence that was extant among them and to put forth a general methodological framework for the study of these ancient dialogues These religious and philosophical dialogues are not only of great interest and import in their own right but they also can help us to understand how later cultural and religious developments unfolded *Paula the Lighthouse Years* Suzan K. Heglin,2006 In the 1930 s lighthouse keeping was dangerous and mundane a way of life and isolation from life Estonia was thriving and backward unique and powerless Women were submissive and yet the impetus for all things And marriage was mandatory But romantic love was the sweetest and most unlikely twist of fate Paula is a woman I knew in my childhood She was an Estonian immigrant She was a mail order bride Her husband was an Estonian American a lighthouse keeper a wife beater and maybe a pedophile Paula an educated woman in Estonia came to this country not knowing the language or culture and was kept a virtual prisoner for more than a decade at a string of lighthouses on the rugged Alaskan coast Paula was a woman who s life while dictated by tradition was full of excitement and adventure and characterized by passion and courage And while at times there seems no end to the misery she endured a love story unfolds Come along on this true journey inside real lighthouse living and one woman s life *Ihr seid nicht vergessen* Kay Dreyfus,2022-07-22 The narrative of this book moves backwards across the generations from two brothers George and Richard Dreyfus who came to Australia from Germany on a Kindertransport in 1939 The circumstance of their forced migration situates that narrative squarely in relation to the Second World War in general and the persecution of the Jews and the Holocaust in particular Untimely death dominates the stories of many of these ancestors relatives whom the brothers never knew The chronicle of the extended European Dreyfus family provides a template for German Jewish history across the nineteenth and twentieth centuries It includes rural Jews people living in small towns or village communities who were very

different in outlook and lifestyle from those assimilated secular affluent urban Jewish relatives who George remembers better. Using materials from George Dreyfus's extensive personal archive and the collections of other family members supplemented by the resources of the internet, the book aims to capture as much as is possible of the story of the European family for the sake of the generations to come, since such history can be so quickly and easily forgotten. In Jewish culture, remembering is a duty, a collective responsibility, a mitzvah, even when, as in this book, remembering is discomfiting and confronting. In those familiar words of Immanuel Kant: Tot ist nur wer vergessen wird. Only those who are forgotten are dead.

Paulas Letter Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Paulas Letter**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall affect readers.
