MARTIN, DANIEL G REID**

Pauls Later Letters:

The Letters of Paul Charles B. Puskas, Mark Reasoner, 2013 The worlds of Paul The letters of Paul in context A chronology of Paul s life The letter to the Romans The Corinthian correspondence The letter to the Galatians The letters to the Colossians and Ephesians The letter to the Philippians and Philemon The Thessalonian correspondence The pastoral letters

The Apostle Paul and His Letters James B. Prothro, 2022-01-07 The letters of the Apostle Paul are central witnesses to the Christian faith and to the earliest history of Christianity And yet when students preachers and others turn to Paul they find many things hard to understand 2 Peter 3 16 in these ancient writings James Prothro s new book aims to help readers see the Apostle s faith and hope at work as he evangelized the nations Steeped in up to date scholarship and a passion for the gospel Paul preached Prothro draws readers into Paul s life and letters in order to help them hear the Apostle s voice The book s chapters offer introductions to Paul s background life and legacy an introduction to ancient letter writing a guide to understanding Paul s theology across the letters a survey of the portrait of Paul in the Book of Acts separate treatments of each letter s background and purpose treatments of key theological topics in each letter and a thorough outline of each letter showing its arguments and how they make sense Prothro introduces complex matters with clarity balance and an inviting style He not only offers answers but models how to ask questions helping us reason through Paul s letters as ancient documents and as Christian Scripture This book will prove a valuable introduction for those who study teach and preach these biblical books

Paul's Letter Collection David Trobisch, 2001 In this fascinating book David Trobisch looks at the Pauline letters of the New Testament by examining the oldest manuscripts of the letters of Paul Then he describes characteristic features of the Pauline letters and interprets them in the light of documented editorial practices by comparing them to other published letter collections of the time Cicero Plinius etc He comes to the conclusion that the New Testament collection of Pauline letters is best understood if one assumes that the Apostle Paul himself prepared some of them for publication Romans I II Corinthians and Galatians It is written in accessible language for anyone interested in New Testament scholarship With footnotes tables and illustrations

Paul the Letter-Writer and the Second Letter to Timothy Michael Prior, 1989-03-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul s letters especially the fact that many of them are co authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a

completion Timothy's courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team

Paul and First-Century Letter Writing E. Randolph Richards, 2004-10-22 Informed by the historical evidence and with a sharp eye for telltale clues in the Apostle Paul's letters E. Randolph Richards takes us into his world and places us on the scene with Paul the letter writer offering a glimpse that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be

Re-examining Paul's Letters Bo Reicke, 2001-10 A re-examination of the dating of the deuteropauline letters that contradicts the generally accepted thesis that these letters were written after Paul's death

Dictionary of Paul and his letters GERALD F. HAWTHORNE, RALPH P. MARTIN, DANIEL G. REID, 2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F. C. Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

Paul's Large Letters Steve Reece, 2016-12-15 At the end of several of his letters the apostle Paul claims to be penning a summary and farewell greeting in his own hand 1 Corinthians Galatians Philemon cf. Colossians 2 Thessalonians Paul's claims raise some interesting questions about his letter writing practices Did he write any complete letters himself or did he always dictate to a scribe How much did his scribes contribute to the composition of his letters Did Paul make the effort to proofread and correct what he had dictated What was the purpose of Paul's autographic subscriptions What was Paul's purpose in calling attention to their autographic nature Why did Paul write in large letters in the subscription of his letter to the Galatians Why did he call attention to this peculiarity of his handwriting A good source of answers to these questions can be found among the primary documents that have survived from around the time of Paul a large number of which have been discovered over the past two centuries and in fact continue to be discovered to this day From around the time of Paul there are extant several dozen letters from the caves and refuges

in the desert of eastern Judaea in Hebrew Aramaic Nabataean Greek and Latin several hundred from the remains of a Roman military camp in Vindolanda in northern England in Latin and several thousand from the sands of Middle and Upper Egypt in Greek Latin and Egyptian Demotic Reece has examined almost all these documents many of them unpublished and rarely read with special attention to their handwriting styles in order to shed some light on these technical aspects of Paul's letter writing conventions

Paul and His Letters John B. Polhill, 1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul's transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul's letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain
