Paul's Narrative Thought World Ben Witherington,1994-01-01 It is a common belief that Paul s letters are not stories but rather theological ideas and practical advice Ben Witherington III thinks otherwise He is convinced that all of Paul s ideas arguments practical advice and social arrangements are ultimately grounded in stories some found in the Hebrew Scriptures and some found in the oral tradition Paul's Narrative Thought World Ben Witherington,1994 It is a common

belief that Paul s letters are not stories but rather theological ideas and practical advice Ben Witherington III thinks otherwise He is convinced that all of Paul s ideas arguments practical advice and social arrangements are ultimately grounded in stories some found in the Hebrew Scriptures and some found in the oral tradition **Narrative Dynamics in**

Paul Bruce W. Longenecker,2002-01-01 Are Paul s letters undergirded and informed by key narratives and does a heightened awareness of those narratives help us to gain a richer and more rounded understanding of Paul s theology The last two decades of the twentieth century witnessed an increasing interest in the narrative features of Paul s thought A variety of studies since that period have advanced story as an integral and generative ingredient in Paul s theological formulations In this book a team of leading Pauline scholars assesses the strengths and weaknesses of a narrative approach looking in detail at its application to particular Pauline texts Jews, Gentiles, and the Opponents of Paul B. J.

Oropeza,2012-02-24 B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament with a fourfold approach that identifies the emerging Christian community in danger the nature of apostasy that threatens the congregations and the consequences of defection Oropeza then compares the various perspectives of the communities in Christ in order to determine the ways in which they perceived apostasy and whether defectors could be restored In this second volume of a three volume set titled Apostasy in the New Testament Communities Oropeza focuses on the Christ communities of the undisputed and disputed Pauline Letters

Reading with the Grain of Scripture Richard B. Hays,2020-10-22 Christianity Today Book Award in Biblical Studies 2021 All these essays illustrate in one way or another how I have sought to carry out scholarly work as an aspect of discipleship as a process of faith seeking exegetical clarity Richard Hays has been a giant in the field of New Testament studies since the 1989 publication of his Echoes of Scripture in the Letters of Paul His most significant essays of the past twenty five years are now collected in this volume representing the full fruition of major themes from his body of work the importance of narrative as the glue that holds the Bible together the figural coherence between the Old and New Testaments the centrality of the resurrection of Jesus the hope for New Creation and God s eschatological transformation of the world the importance of standing in trusting humility before the text the significance of reading Scripture within and for the community of faith Readers will find themselves guided toward Hays s hermeneutic of trust rather than the hermeneutic of suspicion that has loomed large in recent biblical studies A Manifesto for Theological Interpretation Craig G. Bartholomew,Heath

A. Thomas, 2016-05-10 Recent decades have witnessed a renaissance of theological interpretation Craig Bartholomew coauthor of the bestselling *The Drama of Scripture* and Heath Thomas bring together a team of specialists to articulate a multifaceted vision for returning rigorous biblical interpretation to the context of the church Developed by the internationally recognized Scripture and Hermeneutics Seminar this book is designed to bring clarity and unity to the enterprise of theological interpretation It positively integrates multiple approaches to interpreting the Bible combining academic rigor with pastoral sensitivity for professors students and church leaders **Paul in Ecstasy** Colleen Shantz, 2009-04-27 Colleen Shantz addresses the role of religious experience in Paul's life and letters demonstrating its importance in Christian origins

A Ricoeurian Analysis of Identity Formation in Philippians Scott Ying Lam Yip, 2023-06-01 Winner of the Outstanding Theological Research Book Award 2024 Scott Ying Lam Yip presents the first specialized narrative study devoted to the identity formation processes in Philippians based on Paul Ricoeur's narrative theory Yip demonstrates that the Christian identity of the Philippian community is shaped amidst competing narratives with divergent comprehensions and suggests that it is within an intra Jewish contestation of testimonies that Paul updates his understanding of God and contends with a group of Jewish Christian leaders regarding the meaning of his suffering Yip argues that Paul faces a double contestation of narrative in which both the political authorities and a group of Jewish Christian leaders see his imprisonment as futile and unnecessary alerting him to an emerging crisis in which the Philippian community's conviction in suffering with him has begun to decline It is thus essential for Paul to synthesise and install a new paradigmatic story of Christ so that his suffering can be discerned as the defining mark of God's renewed manifestation in an era of Christ's eschatological Lordship Yip explores the means by which Paul in a contestation of authority for the re appropriation of God's past work contrasts the future oriented temporality of his testimony with the past oriented one of the Jewish Christian leaders He concludes that Paul affirms the value of his present suffering in truthfulness and installs his testimony to be the exemplary story for the Philippian community *Paul, Apostle of God's Glory in Christ* Thomas R. Schreiner, 2020-01-07 How should students of Scripture engage with discerning the shape of Paul's thought In this second edition of a trusted resource Thomas R Schreiner seeks to unearth Paul's worldview by observing what Paul actually says in his writings and laying out the most important themes and how they are connected While thoroughly informed by contemporary Pauline studies Schreiner offers an accessible account of Paul's theology *An Anomalous Jew* Bird, 2016 Lively well informed portrait of the complex figure who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why *An Anomalous Jew* presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by

Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul s thinking and worldview
