Pavn Peoples Army Of Vietnam:

PAVN Douglas Pike,1986 The People s Army of Vietnam PAVN had its beginning in 1930 in a mountain cave near the China border with Vo Nguyen Giap and thirty three others Giap with Ho Chi Minh s help built up this minuscule army from a semi guerrilla status into a force numbering over one million in the regular army and another three million in paramilitary elements Pike discusses in depth the relationship of this small underdeveloped country to Russia to Marxist Leninist doctrine to China He also accounts for Hanoi s victory in the Vietnam War and discusses the North Vietnam strategy that has proved so successful against three of the world s greatest powers **PAVN** Douglas Pike,1986 **PAVN** Douglas Pike,1991 From the original 34 man Armed Propaganda Team of the 1930s headed by Vo Nguyen Giap and managed by Ho Chi Minh the People s Army of Vietnam has grown into the third largest military force in the world exceeded only by the armies of the USSR and China When viewed in terms of military capability and success it is a phenomenon Since its inception the PAVN has taken on two major powers France and the United States and won decisive victories **Chinese Military Strategy in the Third Indochina War** Edward C. O'Dowd,2007-04-16 This well researched volume examines the Sino Vietnamese hostilities of the late 1970s and 1980s attempting to understand them as strategic operational and tactical events The Sino Vietnamese War was the third Indochina war and contemporary Southeast Asia cannot be properly understood unless we acknowledge that the Vietnamese fought three not two wars to establish their current role in the region The war was not about the Sino Vietnamese border as frequently claimed but about China s support for its Cambodian ally the Khmer Rouge and the book addresses US and ASEAN involvement in the effort to support the regime Although the Chinese completed their troop withdrawal in March 1979 they retained their strategic goal of driving Vietnam out of Cambodia at least until 1988 but it was evident by 1984 85 that the PLA held back by the drag of its Maoist organization doctrine equipment and personnel was not an effective instrument of coercion Chinese Military Strategy in the Third Indochina War will be of great interest to all students of the Third Indochina War Asian political history Chinese security and strategic studies in general *The Dictator's Army* Caitlin Talmadge,2015-09-22 In *The Dictator s Army* Caitlin Talmadge presents a compelling new argument to help us understand why authoritarian militaries sometimes fight very well and sometimes very poorly Talmadge s framework for understanding battlefield effectiveness focuses on four key sets of military organizational practices promotion patterns training regimens command arrangements and information management Different regimes face different domestic and international threat environments leading their militaries to adopt different policies in these key areas of organizational behavior Authoritarian regimes facing significant coup threats are likely to adopt practices that squander the state s military power while regimes lacking such threats and possessing ambitious foreign policy goals are likely to adopt the effective practices often associated with democracies Talmadge shows the importance of threat conditions and military organizational practices for battlefield performance in two paired comparisons of states at war North and South Vietnam 1963 1975 and

Iran and Iraq 1980 1988 Drawing on extensive documentary sources her analysis demonstrates that threats and practices can vary not only between authoritarian regimes but also within them either over time or across different military units The result is a persuasive explanation of otherwise puzzling behavior by authoritarian militaries The Dictator's Army offers a vital practical tool for those seeking to assess the likely course costs and outcomes of future conflicts involving nondemocratic adversaries allies or coalition partners Professional Journal of the United States Army ,1987 *Vietnam's Forgotten Army* Andrew Wiest,2009-10 War *Almanac of American Military History* Spencer C.
