Alan T. Nolan

Rally Once Again Selected Civil War Writings Of Alan T Nolan:

"Rally, Once Again!" Alan T. Nolan, 2000 Alan T Nolan is one of our most esteemed historians of the Civil War His classic history *The Iron Brigade* was chosen as one of the 100 best books ever written on the Civil War by *Civil War Times Illustrated* His articles have appeared in such publications as *The American Historical Review* *Gettysburg Magazine* *Civil War Times Illustrated* *Indiana Magazine of History* and *Virginia Magazine of History and Biography* and he has been awarded the Nevins Freeman award by the Chicago Civil War Round Table Nolan is not the typical Civil War historian That he is a top notch historian no one can deny But his legal training at Harvard his career in the law and his many years as an officer of the Indiana Historical Society have given him remarkable insights not imaginable by other historians This new collection of previously published material celebrates Nolan s life long research and study of the Civil War Included are essays on the Iron Brigade Gettysburg and leaders such as Lincoln Robert E Lee John Gibbon and Joshua Lawrence Chamberlain Central to all of the essays is Nolan s admiration for the valor of the common soldier and his conviction that the War was neither romantic nor glorious though its results emancipation and the maintenance of the Union were surely monumental **James**

Longstreet and the American Civil War Harold M. Knudsen, 2022-06-30 The American Civil War is often called the first modern war Sandwiched between the Napoleonic Wars and World War I it spawned a host of firsts and is considered a precursor to the larger and more deadly 20th century wars Confederate Gen James Longstreet made overlooked but profound modern contributions to the art of war Retired Lt Col Harold M Knudsen explains what Longstreet did and how he did it in *James Longstreet and the American Civil War* The Confederate General Who Fought the Next War Initially commanders on both sides extensively utilized Napoleonic tactics that were obsolete because of the advent of the rifled musket and better artillery Some professional army officers worked to improve tactics operations and strategies On the Confederate side a careful comparison of Longstreet s body of work in the field to modern military doctrine reveals several large scale innovations Longstreet understood early that the tactical defense was generally dominant over the offense which was something few grasped in 1862 Longstreet s thinking demonstrated a clear evolution that began on the field at First Manassas in July 1861 developed through the bloody fighting of 1862 and culminated in the brilliant defensive victory at Fredericksburg that December The lethality with which his riflemen and artillery mowed down repeated Union assaults hinted at what was to come in World War I Longstreet s ability to launch and control powerful offensives was on display at Second Manassas in August 1862 His assault plan at Chickamauga in Georgia the following September was similar if not the forerunner to World War II tactical level German armored tactics Other areas show progressive applications with artillery staff work force projection and operational level thinking Longstreet was not the sole agent of modern change away from the Napoleonic method but his contributions were significant and executed on a large scale They demonstrated that he was a modern thinker unparalleled in the Confederate Army Unfortunately many Civil War students have a one sided view of

Longstreet whose legacy fell victim to bitter postwar Southern politics when Old Pete supported Reconstruction bills accepted postings with the Grant Administration and criticized Robert E Lee Many modern writers continue to skew the general's legacy This book draws heavily upon 20th century U S Army doctrine field training staff planning command and combat experience and is the first serious treatment of Longstreet's generalship vis a vis modern warfare Not everyone will agree with Knudsen's conclusions but it will now be impossible to write about the general without referencing this important study

Historical Dictionary of the Civil War Terry L. Jones, 2011 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the *Historical Dictionary of the Civil War* relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War

Household War Lisa Tendrich Frank, LeeAnn Whites, 2020 *Household War* is a collection of essays that explores the Civil War through the household According to the editors the household served as the basic building block for American politics economics and social relations As such the scholars of this volume make the case that the Civil War can be understood as a revolutionary moment in the transformation of the household order From this vantage point they look at the interplay of family and politics studying the ways in which the Civil War shaped and was shaped by the American household The volume offers a unique approach to the study of the Civil War that allows an inclusive examination of how the war flowed from required and resulted in the restructuring of the household between regions and those enslaved and free This volume seeks to address how households redefined and reordered themselves as a result of the changes stemming from the Civil War Scholars of this volume provide compelling histories of the myriad ways in which the household played a central role during an era of social upheaval and transformation

Lee and His Generals Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University T Harry Williams not only produced such acclaimed works as *Lincoln and the Radicals* *Lincoln and His Generals* and a biography of Huey Long that won both the Pulitzer Prize and the National Book Award but he also mentored generations of students who became distinguished historians in their own right In this collection ten of those former students along with one author greatly inspired by Williams's example offer incisive essays that honor both Williams and his career long dedication to sound imaginative scholarship and broad historical inquiry The opening and closing essays fittingly enough deal with Williams himself a biographical sketch by Frank J Wetta and a piece by Roger Spiller that place Williams in larger historical perspective among writers on Civil War generalship The bulk of the book focuses on Robert E Lee and a number of the commanders who served under him starting with Charles Roland's seminal article *The Generalship of Robert E Lee* the only one in the collection that has been previously

published Among the essays that follow Roland s are contributions by Brian Holden Reid on the ebb and flow of Lee s reputation George C Rable on Stonewall Jackson s deep religious commitment A Wilson Greene on P G T Beauregard s role in the Petersburg Campaign and William L Richter on James Longstreet as postwar pariah Together these gifted historians raise a host of penetrating and original questions about how we are to understand America s defining conflict in our own time just as T Harry Williams did in his And by encompassing such varied subjects as military history religion and historiography Lee and His Generals demonstrates once more what a fertile field Civil War scholarship remains Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University Most recently he and Arthur W Bergeron now deceased coedited three volumes of essays under the collective title Confederate Generals in the Western Theater Thomas E Schott served for many years as a historian for the U S Air Force and U S Special Operations Command He is the author of Alexander H Stephens of Georgia A Biography which won both the Society of American Historians Award and the Jefferson Davis Award

A Broken Regiment Lesley J. Gordon, 2014-11-10 A Broken Regiment recounts the tragic history of one of the Civil War s most ill fated Union military units Organized in the late summer of 1862 the 16th Connecticut Volunteer Infantry was unprepared for battle a month later when it entered the fight at Antietam The results were catastrophic nearly a quarter of the men were killed or wounded and Connecticut s 16th panicked and fled the field In the years that followed the regiment participated in minor skirmishes before surrendering en masse in North Carolina in 1864 Most of its members spent months in southern prison camps including the notorious Andersonville stockade where disease and starvation took the lives of over one hundred members of the unit The struggles of the 16th led survivors to reflect on the true nature of their military experience during and after the war and questions of cowardice and courage patriotism and purpose were often foremost in their thoughts Over time competing stories emerged of who they were why they endured what they did and how they should be remembered By the end of the century their collective recollections reshaped this troubling and traumatic past and the unfortunate regiment emerged as the Brave Sixteenth their individual memories and accounts altered to fit the more heroic contours of the Union victory The product of over a decade of research Lesley J Gordon s A Broken Regiment illuminates this unit s complex history amid the interplay of various and often competing voices The result is a fascinating and heartrending story of one regiment s wartime and postwar struggles

Civil War Book Review , 1999

The Unvanquished Patrick K. O'Donnell, 2024-05-07 From the bestselling author of The Indispensables the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America s modern special operations forces The Civil War is most remembered for the grand battles that have come to define it Gettysburg Antietam Shiloh among others However as bestselling author Patrick K O'Donnell reveals in The Unvanquished a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the conflict s outcome At the heart of this groundbreaking narrative is the epic story of Lincoln s special forces the Jessie Scouts told in its

entirety for the first time In a contest fought between irregular units the Scouts hunted John Singleton Mosby s Confederate Rangers from the middle of 1863 up to war s end at Appomattox With both sides employing pioneering tradecraft they engaged in dozens of raids and spy missions often perilously wearing the other s uniform risking penalty of death if captured Clashing violently on horseback the unconventional units attacked critical supply lines often capturing or killing high value targets North and South deployed special operations that could have changed the war s direction in 1864 and crucially during the Appomattox Campaign Jessie Scouts led the Union Army to a final victory They later engaged in a history altering proxy war against France in Mexico earning seven Medals of Honor many Scouts mysteriously disappeared during that conflict taking their stories to their graves An expert on special operations O Donnell transports readers into the action immersing them in vivid battle scenes from previously unpublished firsthand accounts He introduces indelible characters such as Scout Archibald Rowand Scout leader Richard Blazer Mosby the master of guerrilla warfare and enslaved spy Thomas Laws O Donnell also brings to light the Confederate Secret Service s covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud election interference and attempts to destabilize a population fatigued by a seemingly forever war Most audaciously the Secret Service and Mosby s Rangers planned to kidnap Abraham Lincoln in order to maintain the South s independence A little known chronicle of the shadow war between North and South rich in action and offering original perspective on history *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War

North & South ,2000 **Scars to Prove it** Craig A. Warren,2009 History as fiction s muse When the first cannon sounded over Charleston Harbor in 1861 it announced the beginning of an American literary phenomenon Readers North and South hungered for imaginative writing about the escalating war and canny publishers were swift to deliver Today even the most conservative estimate would place the total number of Civil War novels at well over one thousand and this figure does not account for the thousands of war related stories published in journals newspapers and magazines since 1861 from the Introduction This examination of the interaction between fictional representations of the Civil War and the memoirs and autobiographies of Civil War soldiers argues that veterans accounts taught later generations to represent the conflict in terms of individual experiences revealing how national identity developed according to written records of the past Author Craig A Warren explores seven popular novels about the Civil War *The Red Badge of Courage* *Gone with the Wind* *None Shall Look Back* *The Judas Field* *The Unvanquished* *The Killer Angels* and *Absalom Absalom* His study reveals that the war owes much of its cultural power to a large but overlooked genre of writing postwar memoirs regimental histories and other narratives authored by Union and Confederate veterans Warren contends that literary scholars and historians took seriously the influence that veterans narratives had on the shape and character of Civil War fiction *Scars to Prove It* fills a gap in the study of Civil War literature and will appeal to those interested in the literature military writing and literary studies related to the Civil War

Taking Sides Larry Madaras,James M. SoRelle,2001 Presents opposing viewpoints on seventeen

controversial issues in American history covering a period that ranges from colonial times to Reconstruction **America, History and Life** ,2004 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide American Book Publishing Record ,2000 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Taking Sides: The Colonial period to Reconstruction** Larry Madaras,James M. SoRelle,2005 Virginia Libraries ,2000 Traces of Indiana and Midwestern History ,2000

Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion **Book Review Index** ,2001 Every 3rd issue is a quarterly cumulation **Who's who in the Midwest** ,2004

Rally Once Again Selected Civil War Writings Of Alan T Nolan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rally Once Again Selected Civil War Writings Of Alan T Nolan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rally Once Again Selected Civil War Writings Of Alan T Nolan has opened up a world of possibilities. Downloading Rally Once Again Selected Civil War Writings Of Alan T Nolan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rally Once Again Selected Civil War Writings Of Alan T Nolan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rally Once Again Selected Civil War Writings Of Alan T Nolan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rally Once Again Selected Civil War Writings Of Alan T Nolan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rally Once Again Selected Civil War Writings Of Alan T Nolan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rally Once Again Selected Civil War Writings Of Alan T Nolan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rally Once Again Selected Civil War Writings Of Alan T Nolan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rally Once Again Selected Civil War Writings Of Alan T Nolan is one of the best book in our library for free trial.
