Five Means of Grace: Leader Guide Elaine A. Heath,2017-09-19 John Wesley gave the Methodist movement and all Christians in general a discipleship pathway to follow Wesley began with Three Simple Rules or General Rules and followed this instruction a year later with the Five Marks of a Methodist or Character of a Methodist Wesley observed the need for continuous renewal of relationships with God and others so he established a recurring annual process for God s people to make One Faithful Promise The Wesleyan Covenant for Renewal The study by Heath turns to the practices at the center of Wesley s understanding of spiritual growth the means of grace This book study guides readers through the five means of grace that John Wesley called instituted meaning these are spiritual practices in which Jesus himself participated and which he encouraged his followers to do One of

the beautiful aspects of Wesley's theology is that spiritual practices are seamlessly integrated with practices of loving our neighbors well. This is why Wesley said there is no holiness but social holiness. A life of genuine prayer inevitably leads to a life of hospitality, mercy, and justice. Through this book study, participants will consider how each of the five means of grace help us as communities of faith to pray more deeply and live more missionally as followers of Jesus Christ. These means are the ordinary channels that God uses to draw us into a fruitful relationship. These five means or channels are: 1. Prayer, 2. Searching Scripture, 3. Receiving the Lord's Supper, 4. Fasting, 5. Conferencing, communion, fellowship.

One Faithful Promise Magrey deVega, 2016-09-06. By making Three Simple Rules and Five Marks of a Methodist accessible for a current United Methodist and Wesleyan audience, Abingdon Press has reintroduced Wesley's formative identity and boosted our way of Christian living in thousands of congregations. The next most important document that Wesley delivered to the rapidly expanding societies and congregations was The Wesley Covenant Prayer and Renewal Service from 1755, which are crucial to Methodist identity. This service, a liturgical event in 1755, was preceded by several mornings of teaching from John Wesley about the means of increasing serious religion. Charles Wesley also wrote a hymn supporting the prayer: "Come, Let Us Use the Grace Divine." Over the centuries since 1755, many Methodists have used this liturgy on New Year's Eve, the Watch Night Service, as a service of renewal of the individual's covenant with God for the coming year. More recently, many churches have found other opportunities to provide this opportunity for the congregation. Wesley's covenant renewal can function now as an accessible, church-wide campaign that culminates in the liturgical affirmation and faithful promise to love God and neighbor faithfully. The campaign could be: 1. Used during Advent and culminate on New Year's Eve with the Covenant prayer committed to memory and resolve; 2. Used from mid-September with emphasis on homecoming and harvest and culminated with the liturgical event on All Saints Day; 3. Used prior to Lent and culminate on Ash Wednesday; or 4. Used during Lent and culminate on during holy week.

Five Means of Grace Elaine A. Heath, 2017-09-19. John Wesley gave the Methodist movement and all Christians in general a discipleship pathway to follow. Wesley began with Three Simple Rules or General Rules and followed this instruction a year later with the Five Marks of a Methodist or Character of a Methodist. Wesley observed the need for continuous renewal of relationships with God and others, so he established a recurring annual process for God's people to make One Faithful Promise. The Wesleyan Covenant for Renewal. The study by Heath turns to the practices at the center of Wesley's understanding of spiritual growth: the means of grace. This book study guides readers through the five means of grace that John Wesley called instituted, meaning these are spiritual practices in which Jesus himself participated and which he encouraged his followers to do. One of the beautiful aspects of Wesley's theology is that spiritual practices are seamlessly integrated with practices of loving our neighbors well. This is why Wesley said there is no holiness but social holiness. A life of genuine prayer inevitably leads to a life of hospitality, mercy, and justice.
