ARMANDO IANNUCCI The Rolling Stones All the Songs Philippe Margotin, Jean-Michel Guesdon, 2016-10-25 Comprehensive visual history of the World's Greatest Rock through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973 to their later work with Don Was who has produced every album since Voodoo Lounge. Packed with more than 500 photos. All the Songs is also filled with stories fans treasure such as how the mobile studio they pioneered was featured in Deep Purple's classic song Smoke on the Water or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on Street Fighting Man. **Why did the chicken cross the road? Ovvero funny tales, true stories, curious news, valuable information, trivia, quotes, famous phrases, jokes and like...** Paolo Agnoli, Patrizia Di Nicola, 2001 John Lennon: The Life Philip Norman, 2009-10-06 National Bestseller Drawing on previously unknown sources, unpublished letters and unprecedented access to all the key figures, author and journalist Philip Norman gives us the most complete and revealing portrait of John Lennon that is ever likely to be published. For this masterpiece of biography, Philip Norman set himself the challenge of looking afresh at every aspect of Lennon's much-chronicled life. He has not just dug deep into the archives including his own vast collection of tapes and notebooks dating back to the 60s but spoken to hundreds of witnesses from every walk of life and every stage of Lennon's. The interviewees include Sean Lennon whose moving reminiscences reveal his father as never before and Yoko Ono who speaks with sometimes shocking candour about her marriage to John. In his brilliant *Shout we were shown a band* in John Lennon Philip Norman gives us a portrait of a man. It reconciles as never before the contradictions of this endlessly fascinating character: the volatile and violent hippie, the phenomenally wealthy advocate of no possessions, the family man and junkie and his journey from Liverpool suburbia to becoming one of the presiding geniuses of pop culture. **Loving Amy** Janis Winehouse, 2016-01-12 Amy was one of those rare people who made an impact. She was a bundle of emotions at times adorable and at times unbearable. Amy's passing did not follow a clear line. It was jumbled and her life was unfinished, not life's natural order at all. She left no answers, only questions, and in the years since her death I've found myself trying to make sense of the frayed ends of her extraordinary existence. Arguably the most gifted artist of her generation, Amy Winehouse died tragically young, aged just twenty-seven. With a worldwide fan base and millions of record sales to her name, she should have had the world at her feet. Yet in the years prior to her death she battled with addiction and was frequently the subject of lurid tabloid headlines. Amy's mother Janis knew her in a way that no one else did. In this warm, poignant and at times heartbreaking memoir, she tells the full story of the daughter she loved so much. As the world watched the rise of a superstar, then the free fall of an addict, to her tragic death, Janis simply saw her, Amy, the daughter she'd given birth to, the girl she'd raised and stood by despite her unruly behavior, the girl whose body she was

forced to identify two days after her death and the girl she s grieved for every day since Including rare photographs and extracts from Amy s childhood journals Loving Amy offers a new and intimate perspective on the life and untimely death of a musical icon
