Rolling Stones in Their Own Words, 1983 *Rolling Stones in Their Own Words* David Dalton, 1980 *Rolling Stones in Their Own Words* David Dalton, Mick Farren, 1994 The rock group's colorful history is recorded in photographs anecdotes and reviews and is supported by the words and music to all their songs *In Their Own Words* Raymond Smullyan, Peter Bispham, 2009-02-09 The Piano Society is an international Internet based non profit organization Both amateur and professional pianists can join and submit recordings which if accepted are made freely available on a website for anyone to hear A number of members were approached by the editors to provide profiles for this book and the result is a wonderfully diverse range of contributions from pianists from around the world *According to the Rolling Stones* Mick Jagger, Charlie Watts, 2003 Members of the band offer an inside chronicle of their careers as musicians songwriters performers and colleagues discussing the evolution of their music and their lives **All You Need Is Love: The Beatles in Their Own Words** Peter Brown, Steven Gaines, 2024-04-09 THE NEW YORK TIMES BESTSELLER An oral history of The Beatles from never before seen interviews All You Need Is Love is a groundbreaking oral history of the one of the most enduring musical acts of all time The material is comprised of intimate interviews with Paul McCartney Yoko Ono George Harrison Ringo Starr their families friends and business associates that were conducted by Beatles intimate Peter Brown and author Steven Gaines in 1980 1981 during the preparation of their international bestseller The Love You Make which spent four months on the New York Times bestseller list in 1983 and remains the biggest selling biography worldwide about the Beatles Only a small portion of the contents of these transcribed interviews have ever been revealed The interviews are unique and candid The information stories and experiences and the authority of the people who relate to them have historic value No collection like this can ever be assembled again In addition to interviews with Paul Yoko Ringo and George Brown and Gaines also include interviews from ex wives Cynthia Lennon Pattie Harrison Clapton and Maureen Starkey as well as the major social and business figures of the Beatles inner circle Among other sought after information the interviews contribute definitively as to why the Beatles broke up *Icons of Rock - In Their Own Words* Jenny Boyd, 2023-10-26 There have been innumerable rock star biographies and music histories before but there is no book that presents the deepest innermost thoughts from some of the industry's most legendary musicians on not only how they create but what drives their creative process Have you ever wondered how your favourite rock stars get inspired How they write a song How an album is put together What made them choose a life devoted to music Written and compiled by Jenny Boyd who has lived at the heart of the rock world since the 1960s and experienced many of its most iconic moments the book contains interviews with each musician to give the reader a compelling and groundbreaking insight into the creative process at the heart of each rock star's musical success From Eric Clapton to Mick Fleetwood Joni Mitchell to George Harrison this is a bible of rock royalty that provides an intimate portrait of their craft Icons of Rock is the perfect book for any fan that wants to know more about their favourite musicians and bands or

any budding composer and performer who wants a unique insight into how the world's most legendary rock stars created and delivered their greatest music The Rolling Stones' Some Girls Cyrus R.K. Patell,2011-06-09 It's October 1977 and the Rolling Stones are in a Paris recording studio They're under siege Keith Richards's legal troubles after his arrest for heroin possession threaten the band's future and the broad consensus among rock aficionados is that the band will never again reach the heights of *Exile on Main Street* But Mick Jagger is writing lyrics inspired by the year he has just spent in New York City where he was hanging out with the punks at CBGB and with the glitterati at Studio 54 And new bandmember Ron Wood is helping Richards recapture the two guitar groove that the band had been missing since the Brian Jones era The result *Some Girls* the band's response both to punk rock and to disco an album that crackles with all the energy decadence and violence of New York in the 1970s Weaving together the history of the band and the city Cyrus R K Patell traces the genesis and legacy of the album that Jagger would later call the band's best since *Let It Bleed* Stoned Andrew Loog Oldham,2010-11-30 People say I made the Stones I didn't They were there already They only wanted exploiting They were all bad boys when I found them I just brought out the worst in them Andrew Loog Oldham was nineteen years old when he discovered and became the manager and producer of an unknown band called The Rolling Stones His radical vision transformed them from a starving south London blues combo to the Greatest Rock n Roll Band That Ever Drew Breath while the revolutionary strategies he used to get them there provoked both adulation and revulsion throughout British society and beyond An ultra hip mod flash brash and schooled in style by Mary Quant he was a hustler of genius addicted to scandal notoriety and innovation **What Would Keith Richards Do?** Jessica Pallington West,2009-09-07 What is a wiseman What is a prophet Someone with a strange unflappable demeanor Someone who speaks in cryptic koans words whose meanings take years to unravel Someone who has confronted death God sin and the immortal soul Someone unfit for this world but too brilliant to depart it Someone in short like Keith Richards Here at last the wisdom of this indefatigable man is recorded and set forth These are his visionary words I would rather be a legend than a dead legend Or Whatever side I take I know well that I will be blamed And indeed I've never had a problem with drugs only with policemen Not merely a compendium of wisdom this book is also a complete guide to the inner workings of a complex and inspired belief system and the life of a man sanctified by fame *What Would Keith Richards Do* reminds us to learn from our mistakes let our instincts lead us and above all do what Keith has done better than anyone survive *Approaching Historical Sources in their Contexts* Sarah Barber,Corinna M. Peniston-Bird,2020-04-13 In *Approaching Historical Sources in Their Contexts* 12 academics examine how space time and performance interact to co create context for source analysis The chapters cover 2000 years and stretch across the Americas and Europe They are grouped into three themes with the first four exploring aspects of movement within and around an environment buildings the tension between habitat and tourist landscape cemeteries and war memorials Three chapters look at different aspects of performance masque and opera in which performance is re constructed from

several media radio and television The final group of chapters consider objects and material culture in which both spatial placement and performance influence how they might be read as historical sources archaeological finds and their digital management the display of objects in heritage locations clothing photograph albums and scrapbooks Supported by a range of case studies the contributors embed lessons and methodological approaches within their chapters that can be adapted and adopted by those working with similar sources offering students both a theoretical and practical demonstration of how to analyse sources within their contexts Drawing out common threads to help those wishing to illuminate their own historical investigation this book encourages a broad and inclusive approach to the physical and social contexts of historical evidence for those undertaking source analysis

Popular Music Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope

How the Beatles Destroyed Rock 'n' Roll Elijah Wald, 2009-06-01 There are no definitive histories writes Elijah Wald in this provocative reassessment of American popular music because the past keeps looking different as the present changes Earlier musical styles sound different to us today because we hear them through the musical filter of other styles that came after them all the way through funk and hip hop As its blasphemous title suggests *How the Beatles Destroyed Rock n Roll* rejects the conventional pieties of mainstream jazz and rock history Rather than concentrating on those traditionally favored styles the book traces the evolution of popular music through developing tastes trends and technologies including the role of records radio jukeboxes and television to give a fuller more balanced account of the broad variety of music that captivated listeners over the course of the twentieth century Wald revisits original sources recordings period articles memoirs and interviews to highlight how music was actually heard and experienced over the years And in a refreshing departure from more typical histories he focuses on the world of working musicians and ordinary listeners rather than stars and specialists He looks for example at the evolution of jazz as dance music and rock n roll through the eyes of the screaming twisting teenage girls who made up the bulk of its early audience Duke Ellington Benny Goodman Frank Sinatra Elvis Presley Chuck Berry and the Beatles are all here but Wald also discusses less familiar names like Paul Whiteman Guy Lombardo Mitch Miller Jo Stafford Frankie Avalon and the Shirelles who in some cases were far more popular than those bright stars we all know today and who more accurately represent the mainstream of their times Written with verve and style *How the Beatles Destroyed Rock n Roll* shakes up our staid notions of music history and helps us hear American popular music with new ears

Keith Richards: The Unauthorised Biography Victor Bockris, 2013-01-18 Victor Bockris's much admired biography of Keith Richards has been constantly revised since its original publication now with an additional 12 000 words for a new edition of the Omnibus Press paperback that brings the story up to the present day First published in eight countries in 1992 at that time Keith Richards had stood in the shadow of Mick Jagger for thirty years Then as a result of Victor Bockris biography Richards was put in the spotlight and emerged as the

power behind the throne the creator the backbone and the soul of the Rolling Stones Here are the true facts behind Richards battles with his demons the women the drugs and the love hate relationship with Jagger His struggle with heroin and his status as the rock star most likely to die in the 1970s His scarcely believable rebirth as a family man in the 1980s Illuminated with revealing quotes and thoughtful insights into the man behind the band that goes on forever *Catch Your Thunder* O?Tam Pulto,2015-06-19 Much is known about the Epic of Gilgamesh the Armageddon and the Mayan end of times Only a few know of the Great Reversal of the Magudans A handful of shamans among this forgotten community of Africa heard the gong of the End sounding That would be the beginning of their battle for the reversal of the fate of the world Elsewhere Goddess Isis is calling through Atete Ayyantu for the rise of the Seven Dancing Queens of Africas ancient Oracles Many may rise in the name of Isis but only her true daughters and sons could deliver the world from its impending doom Ayyantu should awaken the Nyabinghi and the other priestess queens To ensure the revival and survival of their people across the End these Seven should rescue the Thirsty Cup from a ferocious medium of Maguda The League of the Monarchs of the World headed by the Ethiopian Lion of Judah Mengistu the military junta Jalala the Magician and China are also hunting for the Cup Those who grab the Cup would be the superpowers of the New World This battle which involves the dead and the half dead would be peerless in the memory of the three winds *Beatles Vs.
