## **Rolys Yard:**

*Roly's Big Adventure* Ginger Willis, 2020 Roly's Big Adventure is a delightful children's book. It is about a puppy Roly and his mother Blondie. We also meet some of their friends and one character who is definitely not a friend. In the book Roly decides not to listen to his mother's warning to not leave his yard without her. He is having a wonderful time at first when things go bad and he has a frightening experience with the villain of the story Mack. In the end his mother is there to save him teaching Roly that he should always do what his mother tells him. He also learned just how much his mother loves him.

As Harry and Mabel Blake said this they walked slowly up the path toward the front porch on which their mother was sitting one early Spring day. The two children did not look very happy.

*The Roly-Poly Pine Cone* Norbert Hils, 2015-11-25 For many years a great pine tree stood deep in the Black Forest. It was so tall it towered over all the other trees. It was a very special tree. Not only the animals who found cover under and in the pine tree sensed how special the tree was, but so did the children who came to play near the pine tree. One evening a fierce storm began to brew over the Black Forest. Never before had a storm been able to harm the pine tree. This time, however, the wind shook the tree harder than ever before, and suddenly a powerful bolt of lightning struck its crown. When that happened, something changed in the tip of the great pine tree, and that is when the exciting adventures of the roly poly pine cone began.
