Miguel Arráiz Roberti,2014-03-01 La apologética católica es la parte de la teología que busca explicar las razones de la fe. Demuestra las razones de la doctrina ante los adversarios y se alía a los errores para proteger su integridad. A este respecto dice Juan Pablo II: Es esencial desarrollar en vuestras Iglesias particulares una nueva apologética para vuestro pueblo a fin de que comprenda lo que enseña la Iglesia y así pueda dar razón de su esperanza. En un mundo donde las personas están sometidas a la continua presión cultural e ideológica de los medios de comunicación social y a la actitud agresivamente anticatólica de muchas sectas, es esencial que los católicos conozcan lo que enseña la Iglesia, comprendan esa enseñanza y experimenten su fuerza liberadora. Sin esa comprensión faltaría la energía espiritual necesaria para la vida cristiana y para la obra de evangelización. Es por esta razón que en este libro he recopilado los que considero mis mejores artículos apologeticos publicados a lo largo de 12 años. Entre los temas tratados desde el punto de vista bíblico histórico o patristico están la indefectibilidad de la Iglesia, el primado de Pedro, la sucesión apostólica y el episcopado monárquico, la doctrina de la Trinidad, la salvación por la sola fe, la doctrina de la sola Escritura, el purgatorio, la inmortalidad del alma, el infierno, los sacramentos, el dogma de la comunión de los santos, los dogmas marianos, las acusaciones de idolatría y paganismo sobre la Iglesia Católica, el celibato sacerdotal y algunos otros temas variados.

**La cuarta copa** Scott Hahn,2018-09-01 En esta introducción e incluso en la continuación de su libro La cena del Cordero, el autor no solo ahonda en su camino hacia la Iglesia católica sino que explora el incomprensible ritual de la Pascua judía y su importancia en el mensaje salvador de Jesucristo. En su hambre de respuestas durante sus años de estudiante, Hahn muestra su búsqueda de conexiones entre el Antiguo Testamento, la Última Cena y la muerte de Jesús en el Calvario. Descubre así la importancia crucial de la Pascua en el plan de salvación diseñado por Dios, donde la cuarta copa de vino al final de la celebración proporciona una clave fundamental para entender el misterio con mayor hondura.

**Ejercicios para «en todo amar y servir» al Corazón de Jesús** Santiago Arellano Librada,2022-05-25 Estoy seguro que Dios se ha servido del P. Santiago Arellano para que muchas personas con la experiencia de los Ejercicios Espirituales se posicionen y sitúen ante la vida de una forma muy distinta a lo que estaban acostumbradas. A muchos les habrá servido para abrirse a la gracia de Dios, a otros les habrá tocado su corazón y han iniciado una nueva forma de vivir, algunos habrán encontrado la luz para orientar su vida en el cumplimiento a la voluntad de Dios, varios se habrán decidido a seguir a Jesucristo por el camino de la vocación consagrada o sacerdotal. Me parece muy bien que se publiquen estos Ejercicios Espirituales que seguirán tocando el corazón de muchos, puesto que solo desde el Corazón de Jesucristo se entiende nuestra vida. Sin ella, la vida se convierte en unerial seco y sin resultados, puesto que lo único que se consigue es deshumanizarla. Si queremos humanizarnos auténticamente, se ha de tener en cuenta que solo se consigue desde el Corazón de Jesucristo. Yo he venido para que tengan vida y la tengan en abundancia. Jn 10:10. Del Prólogo de Francisco Pérez González, Arzobispo de Pamplona y Obispo de Tudela.
