THE ROMAN ALEXANDER

Diana Spencer

Roman Alexander Reading A Cultural Myth

Sarah Brown Ferrario

Roman Alexander Reading A Cultural Myth:

The Roman Alexander Diana Spencer, 2002 This book seizes on one of the eternal objects of widespread attention in Ancient History and turns the tables on the scholarship that has shaped and dominated the field Instead of scrutinising the documents in order to reconstruct the biography and assess the historical significance Diana Spencer traces the deployment and development of the mythical figure of Alexander She explores and synthesises a selection of Latin texts from the Late Republic to Hadrian to form a series of themed discussions which investigate the cultural significance of Alexander for Rome The selected texts drawn from verse and prose history epic and oratory are presented alongside their English translation and provide an insight into a world where to think about Alexander was to engage with the burning ideological issues of Rome during a period of intense and often violent political and cultural change The book makes clear how particular texts and issues may be readily accessed providing a valuable resource for teachers and their students whilst also offering a new approach to cultural histories of Rome and Alexander

Brill's Companion to the Reception of Alexander the Great, 2018-09-11 Brill's Companion to the Reception of Alexander the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas Arguably no other historical figure has cast such a long shadow for so long a time Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure

Cicero, On Pompey's Command (De Imperio), 27-49 Ingo Gildenhard, Louise Hodgson, 2014-09-03 In republican times one of Rome's deadliest enemies was King Mithridates of Pontus In 66 BCE after decades of inconclusive struggle the tribune Manilius proposed a bill that would give supreme command in the war against Mithridates to Pompey the Great who had just swept the Mediterranean clean of another menace the pirates While powerful aristocrats objected to the proposal which would endow Pompey with unprecedented powers the bill proved hugely popular among the people and one of the praetors Marcus Tullius Cicero also hastened to lend it his support In his first ever political speech variously entitled *pro lege Manilia* or *de imperio Gnaei Pompei* Cicero argues that the war against Mithridates requires the appointment of a perfect general and that the only man to live up to such lofty standards is Pompey In the section under consideration here Cicero defines the most important hallmarks of the ideal military commander and tries to demonstrate that Pompey is his living embodiment This course book offers a portion of the original Latin text study aids with vocabulary and a commentary Designed to stretch and stimulate readers the incisive commentary will be of particular interest to students of Latin at both AS and undergraduate level It extends beyond detailed linguistic analysis and historical background to encourage critical engagement with Cicero's prose and discussion of the most recent scholarly thought

Cultural Memories in the Roman Empire Karl Galinsky, Kenneth

Lapatin, 2016-01-01 Memory studies one of the most vibrant research fields of the present day brings together such diverse disciplines as art and archaeology history religion literature sociology media studies and neuroscience In scholarship on ancient Rome studies of social and cultural memory complement traditional approaches opening up new horizons as we contemplate the ancient world The fifteen essays presented here explore memory in the Roman Empire addressing a wide spectrum of cultural phenomena from a range of approaches Ancient Rome was a memory culture par excellence and memory pervades all aspects of Roman culture from literature and art to religion and politics This volume is the first to address the cultural artifacts of Rome through the lens of memory studies An essential guide to the material culture of Rome this book brings important new concepts to the fore for both scholars of the ancient world and those of social and cultural memory throughout human history

Golden Excess Eric R. Varner, 2025-02-19 *Golden Excess Art and the Aesthetics of the Incredible in Neronian Rome* is the first monograph to offer a full art historical synthesis of the rich archaeological and monumental evidence for Nero's remarkable principate An outsized and innovative artistic program emerges informed by aesthetics of excess the grotesque and learned luxury that rivals the cultural achievements of Rome's first emperor Augustus and stands in stark contrast to the universally negative and disparaging accounts of Nero in ancient authors Indeed Neronian Rome witnessed an astonishing efflorescence in the arts whose lasting effects still resonate

Seven Events That Shaped the New Testament World Warren Carter, 2013-02-15 This useful concise introduction to the worlds around the New Testament focuses on seven key moments in the centuries before and after Jesus It enlightens readers about the beginnings of the Christian movement showing how religious political and economic factors were interwoven in the fabric of the New Testament world Leading New Testament scholar Warren Carter has a record of providing student friendly texts This introduction offers a big picture focus and is logically and memorably organized around seven events which Carter uses as launching pads to discuss larger cultural dynamics and sociohistorical realities that were in some way significant for followers of Jesus and the New Testament Photos and maps are included

Euhemerism and Its Uses Syrithe Pugh, 2021-03-18 *Euhemerism and Its Uses* offers the first interdisciplinary focussed and all round view of the long history of an important but understudied phenomenon in European intellectual and cultural history Euhemerism the claim that the Greek gods were historically mortal men and women originated in the early third century BCE in an enigmatic and now fragmentary text by the otherwise unknown author Euhemeros This work the Sacred Inscription has been read variously as a theory of religion an atheist's manifesto as justifying or satirizing ruler worship as a fantasy travel narrative and as an early utopia Influencing Hellenistic and Roman literature and religious and political thought and appropriated by early Christians to debunk polytheism while simultaneously justifying the continued study of classical literature euhemerism was widespread in the middle ages and Renaissance and its reverberations continue to be felt in modern myth theory Yet though frequently invoked as a powerful and pervasive tradition across several disciplines it is still under examined and poorly understood

Filling an important gap in the history of ideas this volume will appeal to scholars and students of classical reception mediaeval and Renaissance literature historiography and theories of myth and religion Resurrection and Reception in Early Christianity Richard C. Miller, 2014-12-17 This book offers an original interpretation of the origin and early reception of the most fundamental claim of Christianity Jesus resurrection Richard Miller contends that the earliest Christians would not have considered the New Testament accounts of Jesus resurrection to be literal or historical but instead would have recognized this narrative as an instance of the trope of divine translation common within the Hellenistic and Roman mythic traditions Given this framework Miller argues early Christians would have understood the resurrection story as fictitious rather than historical in nature By drawing connections between the Gospels and ancient Greek and Roman literature Miller makes the case that the narratives of the resurrection and ascension of Christ applied extensive and unmistakable structural and symbolic language common to Mediterranean translation fables stock story patterns derived particularly from the archetypal myths of Heracles and Romulus In the course of his argument the author applies a critical lens to the referential and mimetic nature of the Gospel stories and suggests that adapting the translation fable trope to accounts of Jesus resurrection functioned to exalt him to the level of the heroes demigods and emperors of the Hellenistic and Roman world Miller's contentions have significant implications for New Testament scholarship and will provoke discussion among scholars of early Christianity and Classical studies Antiguo Oriente - Volume 19 (2021) Romina Della Casa, 2021-12-31 Antiguo Oriente abbreviated as AntOr is the annual peer reviewed scholarly journal published by the Center of Studies of Ancient Near Eastern History CEHAO Catholic University of Argentina **Orientalism and the Reception of Powerful Women from the Ancient World** Filippo Carlà-Uhink, Anja Wieber, 2020-02-06 Why is Cleopatra a descendent of Alexander the Great a Ptolemy from a Greek Macedonian family in popular imagination an Oriental woman True she assumed some aspects of pharaonic imagery in order to rule Egypt but her Orientalism mostly derives from ancient Roman and modern stereotypes both the Orient and the idea of a woman in power are signs in the Western tradition of otherness and in this sense they can easily overlap and interchange This volume investigates how ancient women and particularly powerful women such as queens and empresses have been re imagined in Western and not only Western arts highlights how this re imagination and re visualization is more often than not the product of Orientalist stereotypes even when dealing with women who had nothing to do with Eastern regions and compares these images with examples of Eastern gaze on the same women Through the chapters in this volume readers will discover the similarities and differences in the ways in which women in power were and still are described and decried by their opponents **Ancient Historiography on War and Empire** Timothy Howe, Sabine Müller, Richard Stoneman, 2016-11-30 In the ancient Greek speaking world writing about the past meant balancing the reporting of facts with shaping and guiding the political interests and behaviours of the present Ancient Historiography on War and Empire shows the ways in which the literary genre of writing history developed to guide empires through their wars

Taking key events from the Achaemenid Persian Athenian Macedonian and Roman empires the 17 essays collected here analyse the way events and the accounts of those events interact Subjects include how Greek historians assign nearly divine honours to the Persian King the role of the tomb cult of Cyrus the Founder in historical narratives of conquest and empire from Herodotus to the Alexander historians warfare and financial innovation in the age of Philip II and his son Alexander the Great the murders of Philip II his last and seventh wife Kleopatra and her guardian Attalos Alexander the Great s combat use of eagle symbolism and divination Plutarch s juxtaposition of character in the Alexander Caesar pairing as a commentary on political legitimacy and military prowess and Roman Imperial historians using historical examples of good and bad rule to make meaningful challenges to current Roman authority In some cases the balance shifts more towards the literary and in others more towards the historical but what all of the essays have in common is both a critical attention to the genre and context of history writing in the ancient world and its focus on war and empire

Leadership and Leaders in Polybius

Nikos Miltsios,2023-06-19 The issue of leadership is crucial to Polybius desire to explain the rise of Rome over almost the entire known world and provide benefit and utility to readers who may have to assume positions of responsibility This book focuses on descriptions of leadership behaviors in the Histories aiming to identify regularly recurring patterns motifs and themes in the relevant passages which could precisely because of their persistence heighten our sensitivity to the subtleties of Polybius treatment of the subject Given that the interest in leadership permeates Polybius work and engages with his main thematic concerns this study brings the reader face to face with questions of power and control identity and nationality the role of fortune narrative strategies thereby providing a basis for reading the Histories more generally At the same time a major concern throughout the book is with the ways Polybius representation of leadership seems to have been influenced by literary depictions of the conquests of Alexander the Great Polybius interplay with his literary context and tradition deepens our understanding of what he is trying to accomplish in the narrative and how he is interacting with the expectations of his audiences

The Politics of Public Space in Republican Rome Amy Russell,2016 This book explores how public space in Republican Rome was an unstable category marked experienced and defined by multiple actors and audiences

A Companion to Ancient Macedonia Joseph Roisman,Ian Worthington,2010-12-06 The most comprehensive and up to date work available on ancient Macedonian history and material culture A Companion to Ancient Macedonia is an invaluable reference for students and scholars alike Features new specially commissioned essays by leading and up and coming scholars in the field Examines the political military social economic and cultural history of ancient Macedonia from the Archaic period to the end of Roman period and beyond Discusses the importance of art archaeology and architecture All ancient sources are translated in English Each chapter includes bibliographical essays for further reading

The First Hall of Fame

Geiger,2008-08-31 Although both national sites of commemoration and Halls of Fame for a variety of human endeavours are widespread little thought was given to the fact that the statues in the Forum Augustum were the first assemblage of this kind

This book identifies the Greek and Roman backgrounds to and influences on Augustus decision as well as his probable motives for setting up these statues The central chapters deal with the structure of the Forum and its statues and provide a detailed analysis of the list of men and women known to have been included and the criteria for inclusion Finally the additions to the heroes between Augustus and Trajan and the later impact of this Gallery of Heroes are discussed

Alexander the Great and Propaganda John Walsh, Elizabeth Baynham, 2021-03-28 Alexander the Great and Propaganda explores the use of propaganda whether literature coinage or iconography in the court of Alexander the Great as well as those of his Successors demonstrating that it was as integral to Hellenistic courts as it was to Imperial Rome This volume brings together ten essays from leading international scholars in Alexander studies There is currently no equivalent collection which has a specialist focus of themes or issues relating to the use of propaganda in the courts of Alexander or his Successors This book will be an invaluable resource for students and scholars of Alexander studies as well as those studying the use of propaganda across the ancient world and to the more general reader with an interest in Alexander the Great and his reign

Appian Luke Pitcher, 2025-03-17 This volume presents the first comprehensive study in English of the Roman History by Appian of Alexandria Appian was an Egyptian Greek and Roman citizen who wrote his history of Rome in twenty four books covering the period from the foundation of the city to Trajan s wars in the middle of the second century CE Luke Pitcher explains and analyses what it is known about Appian s life the structure of his work which has not survived completely intact and his use of sources He then examines how Appian organizes and structures his material and the considerations which inform his treatment of spaces peoples politics and individuals within history A full appreciation of Appian s achievement requires an awareness of the deeper structures of the Roman History as a whole in particular how the first half of the work which unusually covers Roman conquests area by area rather than in one long chronological sweep lays the ground for the second where towering personalities such as Julius Caesar bring an end to the Roman Republic in the five books of the Civil Wars The closing chapters build on these arguments to create a picture of what Appian tries to achieve in his history and what this says about him as a historian

Celebrity, Fame, and Infamy in the Hellenistic World Riemer A. Faber, 2020-04-02 This book traces the roots of modern notions of celebrity fame and infamy back to the Hellenistic period of classical antiquity when sensational personages like Cleopatra of Egypt and Alexander the Great became famous world wide

Short-term Empires in World History Robert Rollinger, Julian Degen, Michael Gehler, 2020-06-04 The volume will focus on a comparative level on a specific group of states that are commonly labelled as empires and that we encounter through all historical periods Although they are very successful at the very beginning like most empires are this success is very ephemeral and transient The era of conquest is never followed by a period of consolidation Collapse and or reduction to much smaller dimension run as fast as the process of wide ranging conquest and expansion The volume singles out a series of such short term empires and aims to provide a methodologically clearly structured as well as a uniform and consistent

approach by developing a general set of questions that guarantee the possibility to compare and distinguish This way it intends to examine not only already well established empires but also to illuminate forgotten ones Recognizing Miracles in Antiquity and Beyond Maria Gerolemou, 2018-04-23 In recent years scholars have extensively explored the function of the miraculous and wondrous in ancient narratives mostly pondering on how ancient authors view wondrous accounts i e the treatment of the descriptions of wondrous occurrences as true events or their use More precisely these narratives investigate whether the wondrous pursues a display of erudition or merely provides stylistic variety sometimes such narratives even represent the wish of the author to grant a rational explanation to extraordinary actions At present however two aspects of the topic have not been fully examined a the ability of the wondrous miraculous to set cognitive mechanisms in motion and b the power of the wondrous miraculous to contribute to the construction of an authorial identity that of kings gods or narrators To this extent the volume approaches miracles and wonders as counter intuitive phenomena beyond cognitive grasp which challenge the authenticity of human experience and knowledge and push forward the frontiers of intellectual and aesthetic experience Some of the articles of the volume examine miracles on the basis of bewilderment that could lead to new factual knowledge the supernatural is here registered as something natural although strange the rest of the articles treat miracles as an endpoint where human knowledge stops and the unknown divine begins here the supernatural is confirmed Thence questions like whether the experience of a miracle or wonder as a counter intuitive phenomenon could be part of long term memory i e if miracles could be transformed into solid knowledge and what mental functions are encompassed in this process are central in the discussion

Decoding **Roman Alexander Reading A Cultural Myth**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Roman Alexander Reading A Cultural Myth**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Roman Alexander Reading A Cultural Myth Introduction

In the digital age, access to information has become easier than ever before. The ability to download Roman Alexander Reading A Cultural Myth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Roman Alexander Reading A Cultural Myth has opened up a world of possibilities. Downloading Roman Alexander Reading A Cultural Myth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Roman Alexander Reading A Cultural Myth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Roman Alexander Reading A Cultural Myth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Roman Alexander Reading A Cultural Myth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Roman Alexander Reading A Cultural Myth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Roman Alexander Reading A Cultural Myth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Roman Alexander Reading A Cultural Myth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roman Alexander Reading A Cultural Myth is one of the best book in our library for free trial. We provide copy of Roman Alexander Reading A Cultural Myth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roman Alexander Reading A Cultural Myth. Where to download Roman Alexander Reading A Cultural Myth online for free? Are you looking for Roman Alexander Reading A Cultural Myth PDF? This is definitely going to save you time and cash in something you should think about.
