Romancing The Divine:

Romancing the Divine Don Nori, 2006-05 Romancing the Divine is a tale of every person's journey to find the reality of God. It is a tale of hope, a search for eternal love, and for all the possibilities we have always imagined would be the conclusion of such a search. Romancing the Divine Don Nori, 2004-06-01 Romancing the Divine Sandra Valenzuela, 2014-08-28 God is longing for a deeper and more intimate relationship with His children. Romancing The Divine is a 40 day devotional to help you to do just that. Ask God to prepare your heart to receive revelation of who He is to you and who He has called you to be in Him. Romancing The Divine is an expression of God's heart's desire to connect with His people. Embrace God's passion for you to walk in the fullness of your destiny. Get ready to be transformed as you begin this 40 day journey of Romancing The Divine. He who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty. Whose power no foe can withstand. Psalm 91:1 Sandra Valenzuela is a licensed clinical social worker. She lives in Reedley, California, with her husband of 35 years, Michael. Sandra has been in the mental health field for over 20 years. She has a private practice in Fresno and Kingsburg, California, and has provided Biblically based Christian counseling for the past 11 years. **Romancing the Divine** Michael Dunn, 2017-11-10 Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine passionately, romantically, in love and still find sweet and fulfilling human love as well led him to seek and find intimacy with the ultimate Soul Mate. Romancing the Divine is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life, the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced and continues to experience transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is seductive beyond thought of competition. It's a love we all deserve. **A Mosaic** Cynthia Dumas, 2016-03-25 A journey filled with inspiration, insightful thoughts, writings, recipes, and poetry. Included is a Romance with the Divine, a 60-day self-love commitment ceremony, honeymoon, and adventure right in the middle of a variety of soul-shot writings that will warm your heart, soul, and mind. **Romancing the Divine** Laurence DeRusha, 2009-01-30 This is a celebration of the Universe and its Creator, written in the styles of Rumi and Hafiz. A universal yet personal collection of poems, truly a celebration of life. *Romancing Divine Love* Michael Beskalis, 2005-11 Poems of Passion, Love, Inspiration. It is not easy to express and write of God's great love. His love makes the oceans and the seas resemble small puddles. His love makes the planets and the stars comparable to a cluster of marbles in the palm of a hand. His love makes us His children. These poems in *Romancing Divine Love* are like a scratch on

called to participate in this ministry Are you one that is called *Evolutionary Love Relationships* Andrew Harvey,Chris Saade,2017-01-17 In this profoundly uplifting book authors and sacred activists Andrew Harvey and Chris Saade call us to the next paradigm in human relations love connections that are solidly grounded in individual authenticity and passionately focused on service and solidarity Rather than limiting their gaze to each other partners are invited to take their focus outward channeling their energies toward those causes that both unite them and transform the world we live in With love as the fuel for inspired action the relationship becomes a homage to sacred purpose finding its deeper meaning in its efforts to positively influence the planet There are many books that invite us to focus on love relationship its perils and delights its shadow and light as the place where meaningful change happens and there are others including some potent ones written by these two authors individually that invite us to unite our individual spiritual paths sacred purpose callings and the like with benevolent action but this is the first book that focuses on the next step the bringing together of sacred activism and love relationship *Evolutionary Love Relationships* contains a powerful vision that offers humanity a path to coupledness not as a privatized escape or preoccupation but a path to evolve into dedicated activists whose combined purpose is to utilize their resources to help and sustain the planet and which does not forsake but includes the pleasure of personal fulfillment between the bonded pair They can enjoy the fullness of divine human love in the depths of their own personal relationship supporting each other's authenticity but also enjoy it in the ways that those healing depths make them powerful and strong and lucid and vibrant enough to go out into the world and pour their gifts out for the transformation of the planet What is really at stake is this If we continue to have a vision of relationship as purely personal purely private and something that we cultivate only for our own pleasure we will keep feeding the tragic narcissism that is now ravaging the planet on every level The real thrust and purpose and divine importance of relationship is to give us the fuel to take on the world to give us the passion to embrace the causes of justice to give us the energy to keep on pouring ourselves out for the transformation of the planet With a foreword by *An Uncommon Bond* author Jeff Brown this inspiring book shows us the way to turn our love relationship into a prayer for world transformation And not just a passive prayer but a prayer in action impassioning the world with a bonfire of sacred and benevolent activism that cannot be stopped This prayer may well save us *Tales of Brokenness* Donald F. Nori,2010-10-08 *Brokenness* the disdain of tyrants and the wonder of kings Her mystery has eluded the intellectual and empowered the noble of heart From her bosom flow the power and compassion to change the world But she is as rigid and unforgiving as she is genteel and hopeful Her wisdom instructs the hungry of heart but her law defies the most persistent **The Divine in Romance** X Mallin,2023-05-23 *Romancing the Divine* is a tale of every person's journey to find the reality of God It is a tale of hope a search for eternal love and for all the possibilities we have always imagined would be the conclusion of such a search **Srimad Bhagavata: Saptaha** Ravindra A Kushtagi,2025-08-01 Lord r man N r ya a having created the universe composed r mad Bh gavata Mah pur a known as the King of Pur as for the upliftment of all noble

souls In the form of V davy sad va Lord r man N r ya a composed it and imparted its teachings to the world through Shuk ch rya V davy sad va himself has described it as the fruit filled with the nectar of the Kalpavriksha called the V das This Pur a comprising twelve cantos Skandhas contains 18 000 verses It s traditionally attributed to the sage Vyasa and the text is presented as a conversation between King Par kshit and the sage Shuka who narrates the stories to Parikshit before his impending death While the Bh gavata contains stories of r Krish a and various devotees of the Lord each story contains a deep spiritual truth or philosophical insight which makes it a superior scripture and is accessible only to the most fortunate souls It possesses the divine power to navigate the vast ocean of J na wisdom through Vair gya detachment and Bhakti devotion Another important aspect is that the Lord Himself before the end of the Dw para Yuga declared that He would be there in the Bh gavata during the Kali Yuga That is why all believers consider that Krish a is truly present in the Bh gavata The old belief that holy scriptures are meant only for a learned few has gone now Great knowledge has to flow from all the sources to all the corners in understandable post modern language To make this into reality Dr Ravindra A Kushtagi has made a sincere attempt to present an English version of r mad Bh gavata Sapt ha in a way that ignites devotion and spiritual enthusiasm and is recited in seven days Sapt ha
