Romania In The Second World War 1939 1945:

Romania in the Second World War Dinu C. Giurescu, 2000 Focusing on the case of a small state engulfed in the worldwide war this book is a critical analysis from a global comparative perspective of Romania's major developments between 1939-1945. The book explains significant events as recorded in documents and in cross examination and reenacts the way of thinking, actions, reactions and motivations of the decision makers and of the political opposition of the time as events unfolded beyond their capacity to control them. The author puts events within a historical geopolitical perspective both global and local.

Historical Dictionary of World War II Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany, ruled by Adolf Hitler and the Nazi Party, invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7-9 May 1945, leaving much of the European continent in ruins and its population devastated. The war against Germany, Italy and the other European Axis members was fought primarily in Europe, the Mediterranean, the Middle East, East and North Africa and the Atlantic Ocean. The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain, the United States and the Union of Soviet Socialist Republics. The Historical Dictionary of World War II: The War against Germany and Italy relates the history of this war through a chronology, an introductory essay, maps and photos and an extensive bibliography. The dictionary section has more than 300 cross-referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral, wartime alliances and conferences, significant civilian and military leaders and major ground, naval and air operations. This book is an excellent access point for students, researchers and anyone wanting to know more about

World War II **Territorial Revisionism and the Allies of Germany in the Second World War** Marina

Cattaruzza, Stefan Dyroff, Dieter Langewiesche, 2012-12-01 A few years after the Nazis came to power in Germany an alliance of states and nationalistic movements formed revolving around the German axis That alliance the states involved and the interplay between their territorial aims and those of Germany during the interwar period and World War II are at the core of this volume This territorial revisionism came to include all manner of political and military measures that attempted to change existing borders Taking into account not just interethnic relations but also the motivations of states and nationalizing ethnocratic ruling elites this volume reconceptualizes the history of East Central Europe during World War II In so doing it presents a clearer understanding of some of the central topics in the history of the war itself and offers an alternative to standard German accounts of the period and East European national histories **Romania's Holy War** Grant T.

Harward, 2021-11-15 Romania's Holy War rights the widespread myth that Romania was a reluctant member of the Axis during World War II In correcting this fallacy Grant T Harward shows that of an estimated 300 000 Jews who perished in Romania and Romanian occupied Ukraine more than 64 000 were in fact killed by Romanian soldiers Moreover the Romanian Army conducted a brutal campaign in German occupied Ukraine resulting in the deaths of thousands of Soviet prisoners of war partisans and civilians Investigating why Romanian soldiers fought and committed such atrocities Harward argues that strong ideology a cocktail of nationalism religion antisemitism and anticommunism undergirded their motivation Romania's Holy War draws on official military records wartime periodicals soldiers diaries and memoirs subsequent war crimes investigations and recent interviews with veterans to tell the full story Harward integrates the Holocaust into the narrative of military operations to show that most soldiers fully supported the wartime dictator General Ion Antonescu and his regime's holy war against Judeo Bolshevism The army perpetrated mass reprisals targeting Jews in liberated Romanian territory supported the deportation and concentration of Jews in camps or ghettos in Romanian occupied Soviet territory and played a key supporting role in SS efforts to exterminate Jews in German occupied Soviet territory Harward proves that Romania became Nazi Germany's most important ally in the war against the USSR because its soldiers were highly motivated thus overturning much of what we thought we knew about this theater of war Romania's Holy War provides the first complete history of why Romanian soldiers fought on the Eastern Front *Entangled Histories of the Balkans - Volume Two* Roumen

Daskalov, Diana Mishkova, 2013-11-14 Modern Balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories The authors in this volume take a different approach They all seek to treat the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories transfers and crossings This goes along with an interest in the way ideas institutions and techniques were selected transferred and adapted to Balkan conditions and how they interacted with those conditions resulting in mingles and hybridization The volume also invites reflection on the interacting entities in the very process of

their creation and consecutive transformations rather than taking them as givens Contributors include Diana Mishkova Alexander Vezenkov Constantin Iordachi Roumen Daskalov Tchavdar Marinov Blagovest Njagulov **Romania and the Holocaust** Simon Geissbühler,2016-10-11 From summer 1941 onwards Romania actively pursued at its own initiative the mass killing of Jews in the territories it controlled 1941 saw 13 000 Jewish residents of the Romanian city of Ia i killed the extermination of thousands of Jews in Northern Bukovina and Bessarabia by Romanian armed forces and local people large scale deportations of Jews to the camps and ghettos of Transnistria and massacres in and around Odessa Overall more than 300 000 Jews of Romanian and Soviet or Ukrainian origin were murdered in Romanian controlled territories during the Second World War In this volume a number of renowned experts shed light on the events the contexts and the aftermath of this under researched and lesser known dimension of the Holocaust 75 years on this book gives a much needed impetus to research on the Holocaust in Romania and Romanian controlled territories *WW1 and WW2 The nations* George Volkan,2024-02-28 The nations which formed at the beginning and the end of World wars Nothing more and nothing less I want to show everyone the truth about the lies of Ukraine and Japan Wars have affected humanity for merely since its existence Wars of large size and even smaller ones have shaped the world we are currently living in To start off World War 1 were the Napoleonic wars It all started in 1789 when the French revolution sparked This is the truth So are you ready to dive in the deep or not **Between States** Holly Case,2009-05-05 Winner of the 2010 George Louis Beer Prize of the American Historical Association The struggle between Hungary and Romania for control of Transylvania seems at first sight a side show in the story of the Nazi New Order and the Second World War These allies of the Third Reich spent much of the war arguing bitterly over Transylvania s future and Germany and Italy were drawn into their dispute to prevent it from spiraling into a regional war But precisely as a result of this interaction the story of the Transylvanian Question offers a new way into the history of how state leaders and national elites have interpreted what Europe means Tucked into the folds of the Transylvanian Question s bizarre genealogy is a secret that no one ever tried to keep but that has remained a secret nonetheless small states matter The perspective of small states puts the struggle for mastery among its Great Powers into a new perspective *Hitler's Forgotten Ally* D. Deletant,2006-04-12 This book is the first complete study in English of Antonescu s part in the Second World War Antonescu was a major ally of Hitler and Romania fielded the third largest Axis army joined the Tripartite Pact in November 1940 as a sovereign state and participated in the attack on the Soviet Union of 22 June 1941 as an equal partner of Germany British Political and Military Strategy in Central, Eastern and Southern Europe in 1944 Elisabeth Barker,William Deakin,1988-08-10 *Library of Congress Subject Headings* Library of Congress. Miklós Horthy: The Hungarian Anti-Hero, Mikl s Horthy is perhaps one of history s most controversial figures Glorified by one side as a pragmatic leader and vilified on the other as a slippery Nazi puppet Admiral Mikl s Horthy lived a life of adventure sorrow and complexity in one of history s darkest chapters From his time at sea during World War One to leading a nation surrounded by fascist barbarism in the dying days of World War Two this is Horthy s untold story An episode in history that is not only guaranteed to entertain but perhaps even change your very perception of history in its entirety Not a history buff Don t have the time to read thick textbooks Then this book is perfect for you It covers the life of Mikl s Horthy at a quick and enjoyable pace that s easy to digest introducing small bits of 20th century history as you make your way through Plus there are pictures Though certainly not as academic as other books on the subject this one will give you a detailed look into everything you need to know about the Kingdom of Hungary s only Admiral Regent

Braham,1997 The Romanian chapter in the history of European Jewry during the Nazi era is replete with complex and controversial issues including the anti Jewish measures of the late 1930s the pogroms of the early 1940s and the mass murders of Jews in Romanian occupied parts of Ukraine This book divided into four parts includes an analytical view of anti Semitism as reflected in the 1940 1944 records of the Council of Ministers the genocidal drive against Romanian and Ukrainian Jews during the Antonescu era the foreign factor in the history of the Holocaust in Romania and the myths and history cleansing campaigns spearheaded by Romanian nationalists

A Satellite Empire Vladimir Solonari,2019-12-15

Satellite Empire is an in depth investigation of the political and social history of the area in southwestern Ukraine under Romanian occupation during World War II Transnistria was the only occupied Soviet territory administered by a power other than Nazi Germany a reward for Romanian participation in Operation Barbarossa Vladimir Solonari s invaluable contribution to World War II history focuses on three main aspects of Romanian rule of Transnistria with fascinating insights from recently opened archives Solonari examines the conquest and delimitation of the region the Romanian administration of the new territory and how locals responded to the occupation What did Romania want from the conquest The first section of the book analyzes Romanian policy aims and its participation in the invasion of the USSR Solonari then traces how Romanian administrators attempted in contradictory and inconsistent ways to make Transnistria Romanian and civilized while simultaneously using it as a dumping ground for 150 000 Jews and 20 000 Roma deported from a racially cleansed Romania The author shows that the imperatives of total war eventually prioritized economic exploitation of the region over any other aims the Romanians may have had In the final section he uncovers local responses in terms of collaboration and resistance in particular exploring relationships with the local Christian population which initially welcomed the occupiers as liberators from Soviet oppression but eventually became hostile to them Ever increasing hostility towards the occupying regime buoyed the numbers and efficacy of pro Soviet resistance groups
