Romans A Commentary:

Commentary on Romans Ernst Kasemann, 1994 Emphasizing theological rather than historical questions Kasemann divides Romans into sections according to what he sees as the key theological concept of the letter the righteousness of God Detailed bibliographies are provided for each section of the text The Epistle to the Romans Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle **Romans: A Commentary** Beverly Roberts Gaventa, 2024-06-25 Romans A Commentary offers a fresh account of Paul's Letter to the Romans attending to the dynamic character of the event of Jesus Christ as Paul presents it in this overture to his planned visit to Rome Gaventa touches on vital concerns including the Jewishness of Paul apocalypse the cosmic horizon of the gospel and the role of women in emerging Roman Christianity **The Letter of Paul to the Romans** Frederick Fyvie Bruce, 1985 F F Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities **Romans** Martin H. Franzmann, 1968 Gives a contemporary through understanding of the historical and theological setting of Romans Romans Robert H. Mounce, 1995 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Commentary on the Epistle to the Romans, Books 1-5 Origen, 2001 Origen of Alexandria's Commentary on the Epistle to the Romans is the oldest extant commentary on Romans ca 246 This volume presents the first English translation of the Commentary covering his exegesis of Rom 1:1 to 6:11 One of his longest and most mature works it is the only commentary of Origen available in a coherent form from beginning to end The work was originally composed in Greek in Caesarea but only fragments of the archetype have survived Fortunately Origen's admirer Rufinus of Aquileia translated the work into Latin ca 406 Origen's exegesis predates the controversy between Augustine and Pelagius by 170 years thus it offers a striking perspective on Romans Opposition to Gnostic interpretations of Paul is an important characteristic of the Commentary Above all Origen defends the Church

against the doctrine of natures the belief that all human beings are born with unalterable natures either good or evil and thus bound for either salvation or damnation and that their conduct during this life cannot alter their destiny Origen successfully refutes this teaching showing that freedom of will always abides in rational beings BOOK JACKET *Commentary on the Epistle to the Romans* Charles Hodge, 2023-02-24 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost The Epistle to the Romans Richard N. Longenecker, 2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long standing interpretive problems Critical exegetical and constructive yet pastoral in its application Longenecker s monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul s letters and a more relevant contextualization of its message **Romans** Paul J. Achtemeier, 2010-01-25 This volume a part of the Interpretation A Bible Commentary for Teaching and Preaching series focuses on Paul s letter to the Romans Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **Romans** Andrew B. Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible *A Shorter Commentary on Romans* Karl Barth, 2012-08-01 About the Contributor s Karl Barth 1886 1968 the Swiss Reformed professor and pastor was once described by Pope Pius XII as the most important theologian since Thomas Aquinas As principal author of The Barmen Declaration he was the intellectual leader of the German Confessing Church the Protestant group that resisted the Third Reich Barth s teaching career spanned nearly five decades Removed from his post at Bonn by the Nazis in late 1934 Barth moved to Basel where he taught until 1962 Among Barth s many books sermons and essays are The Epistle to the Romans Humanity of God Evangelical Theology and Church Dogmatics *Paul's Letter to the Romans* Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter s most inspiring features He also demonstrates the forward looking missional character of Paul s epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul s theology and to

inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain
