Resurrecting Jesus Yung Suk Kim, 2015-08-04 Jesus cannot be domesticated In Resurrecting Jesus Kim asks the fundamental two prong question What then can we learn from Jesus and how can we build on the significance of his life and work as we do theology for our day in the here and now Kim abandons the traditional divide between criticism and theology and argues that a solid New Testament theology can be reconstructed from a critical study of the historical Jesus Jesus is put back into the context of first century Judaism in Palestine Resurrecting Jesus reexamines Jesus life work death and resurrection giving readers a better clearer understanding about the historical Jesus and the New Testament writings that refer to him an exploration into the significance of Jesus life teaching and death based not on doctrine but on his work of God in first century Judaism and Palestine and a redefinition of New Testament theology that is a process of discerning and engaging the historical Jesus and the New Testament writings

Romans and the Mission of God Mark J.

Keown, 2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God's sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God's mission

The Grace of Christ, Third Edition Eric Roessing, 2023-09-28 The purpose of this book is to communicate as clearly as possible Paul's gospel of God in its depth from what I have learned over five decades of studying Paul's letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul's gospel can only be known by the Spirit of God through comparing Paul's Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther's grasp of how justification in

Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God's saving righteousness is revealed from Christ's faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him **Romans for Everyone, Part 1** N.T.

Wright, 2023-09-26 N T Wright a respected biblical scholar offers a compelling commentary on Romans delving into the multifaceted themes of Paul's significant epistle to the church in Rome Paul's epistle to the Romans stands as his masterpiece addressing a plethora of topics from numerous angles It weaves them into a captivating and swiftly flowing line of thought like navigating a tumultuous river Its energy and excitement stem from unveiling God's power and grace through Jesus accessible to all who believe Romans for Everyone Part 1 covers the first eight chapters of the epistle ending with Paul's assurance of God's unwavering love for humankind The biblical text is thoughtfully divided into easily manageable sections ensuring accessibility for readers of all backgrounds As you engage with this ancient narrative you'll discover its timeless resonance with the spiritual quests of today's readers whether they are newcomers or seasoned followers of Jesus This expanded edition includes Wright's updated translation of the biblical text supplemented by a new introduction and a dynamic study guide tailored for both group study sessions and individual contemplation The inclusion of helpful summaries and thought provoking questions makes Romans for Everyone Part 1 an ideal companion for those seeking to explore the New Testament with fresh enthusiasm and profound insights **Rereading Romans from the Perspective of Paul's Gospel** Yung Suk Kim, 2019-07-02 Paul did not write a systematic theology or specific church doctrines when he wrote Romans His audience was Roman Christians and his last will was to preach the gospel to all especially gentiles in Spain Through this letter Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain The question is this What kind of the gospel does he want to share with them Traditionally the letter has been read from the perspective of forensic salvation that an individual justification occurs once and for all by faith in Christ This view remains with the so called New Perspective on Paul and Christ's faithfulness has not been explored Rereading the letter with a renewed concept of the good news in the letter this book challenges the traditional reading of Romans and explores Paul's threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian *Paul for Everyone: Romans, Part One* N. T. Wright, 2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us see the great sweep of this letter Romans has

long been viewed as the book above all in which Paul puts forth the basic doctrines of the faith and the picture of God's life for us. It is the classic setting out of the Gospel. Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study or daily devotions.

Collected Works of Charles Kingsley: Good news of God Charles Kingsley, 1892

Born of Need John Schuit, 2024-10-24. Modern churchgoers often find the reality of original sin inconvenient. Of course people acknowledge remorse and personal guilt as a present reality but these feelings are hurriedly suppressed. Most people assume that they are basically good and innately innocent but the Bible history and society's current situation demonstrate otherwise and the church needs to hear preaching that includes the biblical diagnosis. Conviction of sin can hurt deeply and collides with prevailing norms but it is meant to drive sinners to the only remedy available: Jesus. This book is an invitation to revisit the doctrines of sin and salvation as they impact daily life. It is an unvarnished look at the Bible and a period in history when preaching fostered a sense of need in the general population resulting in awakenings and large revivals. Today serious Christians are invited to pause and take a long look at the state of the church and their own hearts.
