*Romans* James Montgomery Boice, 2005-09-01 The Boice Commentary series combines careful scholarship and clear communication in a verse by verse and section by section reading of various biblical texts Combining thoughtful interpretation with contemporary insight for daily living James Montgomery Boice explains the meaning of the text and relates the text's concerns to the church Christianity and the world in which we live Whether used for devotions preaching or teaching this authoritative and thought provoking series will appeal to a wide range of readers from serious Bible students to interested laypersons Christianity has been the most powerful transforming force in human history says Boice And the book of Romans is the most basic most comprehensive statement of true Christianity This fourth volume in the Romans collection covers sixty lessons on such topics as church and state the law of love and Christian liberty *Romans - Volume 4* James Montgomery Boice, 1991 To Each His Due 13 6 7 *Reading Romans with Roman Eyes* James R. Harrison, 2020-06-22 Paul's letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul's readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God's purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter's argument and its possible significance for contemporary readers **Romans (Baker Exegetical Commentary on the New Testament)** Thomas R. Schreiner, 1998-12-01 A fresh analysis of the Book of Romans for scholars pastors and students that blends scholarly depth with readability *Christlike Acceptance across Deep Difference* Ronald W. Pierce, Karen R. Keen, 2025-08-26 Has your faith community been torn apart over sexuality and gender While affirming and traditionalist Christians wage culture wars many believers have left the church entirely because of disputes over how to best respond to LGBTQ people Ronald Pierce and Karen Keen show readers a different way to approach the controversy In *Christlike Acceptance across Deep Difference* they bring together a broad range of contributors scholarly and pastoral affirming and traditionalist evangelical mainline and Catholic who demonstrate a more constructive response to LGBTQ concerns Despite their differences the contributors unite in their commitment to biblical authority and Christlike love of neighbor They invite the church to join them in this new and better way This book offers fresh readings of Scripture models of respectful dialogue and first person insights into ministering to LGBTQ people Perfect for pastors church leaders and any Christian worried about polarization this timely volume shows readers how to forge a future shaped by Christlike acceptance **A New**

**Humanity** Luciano Lombardi, 2023-02-15 Lombardi leads us into an interaction with the apostle's breathtaking vision. A New Humanity helps answer Paul's own prayer that the eyes of our hearts would be enlightened that we could know who we are in Jesus in his Father in the Holy Spirit together. Beautiful C. Baxter Kruger, Author of *Across All Worlds* and the international bestseller *The Shack Revisited*, I welcome this valuable addition to the study of Ephesians and recommend it to individuals and groups who intend to live as masterpieces of His creation. David Wells, General Superintendent of the PAOC and Canadian Sports Chaplain Olympic Pan Am and Commonwealth Games. Luciano provides some wonderful pastoral insights as a reminder that the Bible is still relevant in addressing today's most pressing questions. Domenic Ruso, PhD, Lead Pastor 180 Church Laval Quebec and author of *Making Sense of the Church: An Introduction*. This book is a call for everyone to live out the humanity that God has given us through Jesus. This book is a must read for everyone looking for a sense of purpose and destiny in life.

*Suffering in Romans* Siu Fung Wu, 2016-02-25 Most of the Jesus followers in Rome would have been familiar with socioeconomic hardship. Suffering was a daily reality either for themselves or for someone they knew. Many lived below or just above subsistence level. Some were slaves, homeless or chronically sick. Followers of Christ might have experienced persecution because of their refusal to take part in the local religious festivals. Suffering is of course a significant theme in Romans 5:1-11 and 8:17-18-39. Paul mentions various types of affliction many times in these texts. How might Paul's audience have understood them? In *Suffering in Romans*, Siu Fung Wu argues that Paul speaks of the vocation of the Jesus followers to participate in Christ's suffering with the purpose that they may be glorified with him. Indeed, their identification with Christ's suffering is an integral part of God's project of transforming humanity and renewing creation. It is in their faithful suffering that Christ followers participate in God's triumph over evil. This is counter-intuitive because most people think that victory is won by power and strength. Yet the children of God partake in his cosmic victory by their suffering aided by the Spirit and the hope of glory.

**Church Awakening** Charles R. Swindoll, 2010-09-08 In *THE CHURCH AWAKENING*, Charles Swindoll discusses the challenges, struggles and priorities of the church in the twenty-first century. He reveals the problems inherent in the entertainment-based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way, Swindoll exposes the problems of and solutions for the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in *The Grace Awakening*, now he offers a straightforward volume revealing how to reestablish a life-altering church with Christ as Lord and Master. Illuminating and empowering, *THE CHURCH AWAKENING* will ignite a revolution in the way Christians do church for years to come.

revere Him I have too But what if it s more than that And what if this fear can change our lives We are living in dark chaotic times where sin is raging in the world and our hearts Even many in churches who say they love God are fighting habitual sins What if our sin problem is a fear problem In my grief I searched Scripture asking the Lord for a deeper understanding of the fear of God He revealed a powerful point of clarification fearing God is not only a mindset but a way of life It s not just how we feel or what we think about God but how we respond visibly to His glory With Scripture as its foundation and authority Holy Gravity explores the connection between our sanctification and the fear of God God s people are to be set apart our greatest distinction from the world is our fear of God manifested in holy living Through a relationship with Jesus Christ God frees us from sin maturing us by the Holy Spirit in visible ways In this place of God focused fear we can offer the hope of Christ to the world and one another I pray you will find that God intends our fear of Him to transform our lives and make us holy Fear God and keep his commandments for this is the whole duty of man Ecclesiastes 12:13      *Preaching Romans from Here* Lisa M. Bowens, Scot McKnight, Joseph B. Modica, 2023-12-20 Romans is the most influential New Testament book in the history of Christian theology it has shaped Christian theology how the gospel is framed and how the Christian life is understood Preaching Romans for many pastors is the climactic text for a preaching career There are perspectives e.g. reformed new apocalyptic participationist among others on Romans but not all of them are known by most and too many of them not known at all We want to help rectify this by giving voice to those who have been too often voiceless      **Paul and Matthew Among Jews and Gentiles** Ronald Charles, 2020-12-10 Terence L Donaldson s scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments      **The Letters to the Colossians and to Philemon** Douglas J. Moo, 2008-08-25 Exhibiting the same brilliant exegesis and sound practical insight found in his previous works noted commentator Douglas J Moo in this new volume not only explains accurately the meaning of the letters to the Colossians and to Philemon but also applies that meaning powerfully to twenty first century readers Moo both interacts with the Greek text of these letters and clearly explains the English text to a contemporary audience Informed evangelical methodologically astute and displaying a careful balance between good scholarship and pastoral concern earmarks of the

Pillar New Testament Commentary series as a whole Moo's Letters to the Colossians and to Philemon will offer insights to a wide range of readers from teachers and students to pastors and parishioners to scholars and laypersons *Romans: a Devotional Commentary* Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The letter of Romans is not just a general statement of Christian beliefs It's a personal letter to believers struggling with real issues and still learning the implications of believing in the God of Israel Throughout this letter vital truths emerge including humanity's universal predicament the nature of the message of salvation by grace through faith the relationship between faith and works the death of our old life and the gift of new life through the resurrection of Christ how this all fits in God's overall plans and what it all means for daily life Read this letter for the depth and details but never lose sight of the breadth of the vision it presents Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource packed with insight each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re-envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more Romans A Devotional Commentary guides you through this New Testament epistle from the apostle Paul bringing transformation for your mind heart and imagination Romans Aaron Sherwood, 2020-12-02 Paul's majestic letter to the Romans has impacted generations of readers Christians regularly turn to it as a foundation for doctrine evangelism and Christian living However individual verses are often pulled from their context or later doctrinal formulations are imported into the text Are we truly following Paul's meaning What if we reread Romans on its own terms with sensitivity to its flow and structure Aaron Sherwood's Romans commentary keeps Paul's argument central As we encounter the letter's message and theology the forest is never lost for the trees Reading Romans with rhetorical perception results in illuminating and sometimes surprising conclusions Encounter afresh this majestic letter with Sherwood's insightful commentary Paul's Language of Grace in its Graeco-Roman Context James R. Harrison, 2017-01-03 Paul's Language of Grace in Its Graeco-Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter's pioneering 1913 monograph on the topic Focusing

on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8-9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the *do ut des* expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis
