## **Romantic Narrative Art:**

**Romantic Narrative Art** Karl Kroeber, 1960 Examines the origins of English Romantic poetry *Romantic Narrative Art* Karl Kroeber, 1966 **Romantic Narrative Art** Karl Kroeber, 1960 **The Cambridge Companion to Fiction in the Romantic Period** Richard Maxwell, Katie Trumpener, 2008-02-21 While poetry has been the genre most closely associated with the Romantic period the novel of the late eighteenth and early nineteenth centuries has attracted many more readers and students in recent years Its canon has been widened to include less well known authors alongside Jane Austen Walter Scott Maria Edgeworth and Thomas Love Peacock Over the last generation especially a remarkable range of popular works from the period have been re discovered and reread intensively This Companion offers an overview of British fiction written between roughly the mid 1760s and the early 1830s and is an ideal guide to the major authors historical and cultural contexts and later critical reception The contributors to this volume represent the most up to date directions in scholarship charting the ways in which the period s social political and intellectual redefinitions created new fictional subjects forms and audiences *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 [Romantic Prose Fiction](#) Gerald Ernest Paul Gillespie, Manfred Engel, Bernard Dieterle, 2008 In this volume a team of three dozen international experts presents a fresh picture of literary prose fiction in the Romantic age seen from cross cultural and interdisciplinary perspectives The work treats the appearance of major themes in characteristically Romantic versions the power of Romantic discourse to reshape imaginative writing and a series of crucial reactions to the impact of Romanticism on cultural life down to the present both in Europe and in the New World Through its combination of chapters on thematic generic and discursive features *Romantic Prose Fiction* achieves a unique theoretical stance by considering the opinions of primary Romantics and their successors not as guiding truths by which to define the permanent meaning of Romanticism but as data of cultural history that shed important light on an evolving civilization **SPECIAL OFFER 30% discount for a complete set order 5 vols** The Romanticism series in the *Comparative History of Literatures in European Languages* is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents *Romantic Irony* sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams *Romantic Drama* traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a

modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism's own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age Romantic Narrative Tilottama Rajan, 2010-12-15 Often identified with its lyric poetry Romanticism has come to be dismissed by historicists as an ineffectual idealism By focusing on Romantic narrative noted humanist Tilottama Rajan takes issue with this identification as well as with the equation of narrative itself with the governmental apparatus of the Novel Exploring the role of narrativity in the works of Romantic writers Rajan also reflects on larger disciplinary issues such as the role of poetry versus prose in an emergent modernity and the place of Romanticism itself in a Victorianized nineteenth century While engaging both genres Romantic Narrative responds to the current critical shift from poetry to prose by concentrating paradoxically on a poetics of narrative in Romantic prose fiction Rajan argues that poesis as a mode of thinking is Romanticism's legacy to an age of prose She elucidates this thesis through careful readings of Shelley's *Alastor* and his Gothic novels Godwin's *Caleb Williams* and St Leon Hays *Memoirs of Emma Courtney* and Wollstonecraft's *The Wrongs of Woman* Rajan winner of the Keats Shelley Association's Distinguished Lifetime Award and a fellow of the Royal Society of Canada is one of Romanticism's leading scholars Effective articulate and readable Romantic Narrative will appeal to scholars in both nineteenth century studies and narrative theory **Pictures of Romance** Wendy Steiner, 1988 Wendy Steiner reveals an intricate exchange between the visual arts and the literary romance *Real and Imagined Women in British Romanticism* Gaura Shankar Narayan, 2010 *Real and Imagined Women in British Romanticism* uses feminist ideology and deconstructive criticism to reconstruct the cultural context embedded in Romantic canonical texts To achieve this end the book undertakes a close textual study of these texts and places them in the intellectual context of Mary Wollstonecraft's critique of culture As a result of intellectual contextualizing as well as theoretical applications the Romantic imagination as represented by William Wordsworth and John Keats emerges as the place where gender division and gender certitude break

down This book intervenes in the traditional critical debates about the Romantic imagination to show that the Romantic imagination as set forth in these texts registers the vigorous cultural politics of gender and aesthetics that defined the 1790s and continued to exert influence for decades Book Jacket      Romantic Art in Practice Thora Brylowe,2019 Explores the developing cultural tensions and connections that created a sister art movement between creative visual art and its literary counterparts      **The Romantic Legacy of Paradise Lost** Jonathon Shears,2016-12-05 The Romantic Legacy of Paradise Lost offers a new critical insight into the relationship between Milton and the Romantic poets Beginning with a discussion of the role that seventeenth and eighteenth century writers like Dryden Johnson and Burke played in formulating the political and spiritual mythology that grew up around Milton Shears devotes a chapter to each of the major Romantic poets contextualizing their misreadings of Milton within a range of historical aesthetic and theoretical contexts and discourses By tackling the vexed issue of whether Paradise Lost by its nature makes available and encourages alternate readings or whether misreadings are imposed on the poem from without Shears argues that the Romantic inclination towards fragmentation and a polysemous aesthetic leads to disrupted readings of Paradise Lost that obscure the theme or warp the grain of the poem Shears concludes by examining the ways in which the legacy of Romantic misreading continues to shape critical responses to Milton s epic      English Poetry of the Romantic Period 1789-1830 J.R. Watson,2014-03-18 On its first appearance English Poetry of the Romantic Period was widely praised as on of the best introductions to the subject This edition includes updated material in the light of recent work in Romanticism and Romantic poetry The book discusses the concerns that linked the Romantic poets from their responses to the political and social upheavals around them to their interest in the poet s visionary and prophetic role It includes helpful and authoritative discussions of figures such as Blake Clare Coleridge Crabbe Keats Scott Shelley and Wordsworth      **Romantic Genius** Andrew Elfenbein,1999 Lisa Moore Albion      British Romanticism and the Literature of Human Interest Mai-Lin Cheng,2017-12-22 British Romanticism and the Literature of Human Interest explores the importance to Romantic literature of a concept of human interest It examines a range of literary experiments to engage readers through subjects and styles that were at once interesting and that in principle were in their interest These experiments put in question relationships between poetry and prose lyric and narrative and literature and popular media The book places literary works by a range of nineteenth century writers including William and Dorothy Wordsworth Thomas De Quincey Samuel Taylor Coleridge Mary and Percy Shelley Lord Byron and Matthew Arnold into dialogue with a variety of non literary and paraliterary forms ranging from newspapers to footnotes The book investigates the generic structures of Romantic literature and the negotiation of the status of literature in the period in relation to a new media landscape It explores the self theorization of Romantic literature and argues for its value to contemporary literary criticism      *Faulkner's Media Romance* Julian Murphet,2017 A major new reading of Faulkner s work that scans the major novels for signs of the new media ecology of the 1920s and 30s      **Remembering Queens and Kings**

**of Early Modern England and France** Estelle Paraque,2019-08-06 This collection examines the afterlives of early modern English and French rulers Spanning five centuries of cultural memory the volume offers case studies of how kings and queens were remembered represented and reincarnated in a wide range of sources from contemporary pageants plays and visual art to twenty first century television and from premodern fiction to manga and romance novels With essays on well known figures such as Elizabeth I and Marie Antoinette as well as lesser known monarchs such as Francis II of France and Mary Tudor Queen of France *Remembering Queens and Kings of Early Modern England and France* brings together reflections on how rulers live on in collective memory

**Scott the Rhymer** Nancy Moore Goslee,2021-12-14 Renewed arguments over the definition of Romanticism warrant a new look at the narrative poetry of Sir Walter Scott Nancy Moore Goslee s study the first full treatment of Scott s poems in many years will do for his poetry what Judith Wilt s book has done for his novels Already a subtle reader of the high Romantics and their celebrations of the visionary imagination Goslee draws upon several recent critical developments for this study of Scott a growing tendency among critics of his novels to see romance as a positive strength the broader development of narrative theory and feminist theory Like Thomas the Rhymer the half historical half mythic minstrel who rides off with the elfin queen Scott s poems repeatedly accept the world of romance and yet challenge it often wittily with an array of hermeneutic perspectives upon its function The perspectives Goslee considers most fully are the development of poetry from a communal oral performance to a written published document the larger more violent development of Scottish and British history from feudal to modern cultures and the repeated contrast in that succession of cultures between the limited passive role of most actual women and their active powerful role as elfin queen or enchantress in the romance As if drawn toward yet simultaneously repelled by such women Scott alternates between poems in which enchantresses seem to control their worlds and those in which women are only pawns desirable for the land they inherit The poems of the latter group are more realistically historical in plot turning upon major battles those of the former are more romantic and magical Yet both follow similar narrative patterns derived from medieval and especially Renaissance romance Both too show a wandering in more primitive violent societies which delays the rational gradual progress seen as cultural salvation by Enlightenment historians

**Active Romanticism** Julie Carr,Jeffrey C. Robinson,2015-03-31 Essays that highlight the pervasive role of Romantic poetry and poetics on modern and contemporary innovative poetry

*Reading Romantics* Peter J. Manning,1990 These thirteen essays some previously published and others appearing here for the first time are united by a continuing endeavour to join formalism with wider concerns They seek to reconnect literature with the motives from which it springs and the social relations within which it exists There is fusion of psychoanalytic insight textual criticism and historical scholarship Amongst the writers discussed are Wordsworth and Byron

**Wordsworth's Poetry and Prose (International Student Edition) (Norton Critical Editions)** William Wordsworth,2016-04-04 The most accessible edition of Wordsworth s poetry and prose prepared to meet the needs of both

students and scholars This Norton Critical Edition presents a generous selection of William Wordsworth's poetry including the thirteen book *Prelude* of 1805 and prose works along with supporting materials for in depth study Together the Norton Critical Editions of Wordsworth's Poetry and Prose and *The Prelude* 1799 1805 1850 are the essential texts for studying this author Wordsworth's Poetry and Prose includes a large selection of texts chronologically arranged thereby allowing readers to trace the author's evolving interests and ideas An insightful general introduction and textual introduction precede the texts each of which is fully annotated Illustrative materials include maps manuscript pages and title pages Criticism collects thirty responses to Wordsworth's poetry and prose spanning three centuries by British and American authors Contributors include Samuel Taylor Coleridge Percy Bysshe Shelley Felicia Hemans Ralph Waldo Emerson Lucy Newlyn Stephen Gill Neil Fraistat Mary Jacobus Nicholas Roe M H Abrams Karen Swann Michael O'Neill and Geoffrey Hartman among others The volume also includes a Chronology a Biographical Register a Selected Bibliography and an Index of Titles and First Lines of Poems

## The Enigmatic Realm of **Romantic Narrative Art**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
