## **Ronald And Nancy Reagan:**

*The Triumph of Nancy Reagan* Karen Tumulty, 2021-04-13 The definitive biography of the fiercely vigilant and politically astute First Lady who shaped one of the most consequential presidencies of the 20th century Nancy Reagan [I Love You, Ronnie](#) Nancy Reagan, 2002-02-26 No matter what else was going on in his life or where he was traveling to make movies at the White House or sometimes just across the room Ronald Reagan wrote letters to Nancy Reagan to express his love thoughts and feelings and to stay in touch Through these extraordinary letters and reflections the private character and life of an American president and his first lady are revealed Nancy Reagan reflects with love and insight on the letters on her husband and on the many phases of their life together A love story spanning half a century and the private life of this classic American couple come vividly alive in this rare and inspiring book **Ronald and Nancy Reagan** Ruth Ashby, 2004-07 A

behind the scenes look at this remarkable couple follows them through their struggling movie careers Ronald's stint as governor of California the couple's eight years in the White House an assassination attempt on his life the announcement of Ronald's Alzheimer's disease and his death in 2004 at the age of ninety three **Presidents and First Ladies-Ronald & Nancy Reagan** Ruth Ashby, 2024-06 Presidents and First Ladies An intimate glimpse into the lives of the first families of the United States Presidents and First Ladies is an exciting and insightful new series that highlights the personal histories of select presidents and first ladies as well as the historical events that shaped their terms in office Documentary photography illustrations and maps combine with compelling text and excerpts from letters and other primary sources to reveal how key personal political and historical events affected each leader and their spouse and consequently the climate of the entire nation Throughout their married life Ronald Reagan wrote tender love letters to his wife Nancy This playful anniversary note was written in March 1981 soon after Reagan was sworn in as president of the United States During the fifty two years of their marriage Ronald and Nancy shared an extremely close loving relationship Even in the Oval Office Reagan was dependent on his wife for support and counsel I miss her if she just walks out of the room he wrote She in turn adored her hero As president and first lady Ronald and Nancy Reagan lived through eight tumultuous years in the world's spotlight Through good times and bad their love story continued

**My Turn** Nancy Reagan, 2011-09-14 The former First Lady discusses her life the Reagan administration her shaky relationship with her children and key White House personnel her husband's involvement in the Iran Contra affair and her bout with cancer During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me But now those years are over and it's my turn to describe what happened About Ronald Reagan Although Ronnie loves people he often seems remote and he doesn't let anybody get too close There's a wall around him He lets me come closer than anyone else but there are times when even I feel that barrier About being a mother What I wanted most in all the world was to be a good wife and mother As things turned out I guess I've been more successful at the first than at the second About her influence I make no apologies for

telling Ronnie what I thought Just because you re married doesn t mean you have no right to express your opinions For eight years I was sleeping with the president and if that doesn t give you special access I don t know what does About astrology What it boils down to is that each person has his or her own ways of coping with trauma and grief with the pain of life and astrology was one of mine Don t criticize me I wanted to say until you have stood in my place This helped me Nobody was hurt by it except possibly me About Don Regan His very first day on the job Don said that he saw himself as the chief operating officer of the country But he was hired to be chief of staff Although I believed for a long time that Donald Regan was in the wrong job my power in getting him to leave has been greatly exaggerated Believe me if I really were the dragon lady that he described in his book he would have been out the door many months earlier      *Nancy Michael K.*

Deaver,2009-10-13 She was the daughter of a single mother a Hollywood movie star the wife of one of the greatest presidents of the twentieth century a cancer survivor And she waged her greatest battle against her husband s Alzheimer s disease Nancy Davis Reagan has led an extraordinary life Now Mike Deaver whose relationship with Mrs Reagan dates back to the 1960s shares the side of Nancy that only her intimates know The Nancy Reagan with whom most Americans are familiar is a caricature shaped by consistently negative press coverage But the Nancy Reagan whom Mike Deaver has come to know for more than thirty five years the woman portrayed in Nancy is far more complicated Nancy has been no bit player in the Reagan story Deaver believes that Ronald Reagan would not have risen to such distinction without Nancy at his side To the man Ronald Reagan Nancy gave the gift of her unrestricted love She was his respite his comfort his reward at the end of the day When Ronnie s image might be tainted she would fervently guard it even at the expense of her own Now Nancy is guardian and nurturer of the Great Communicator s legacy      **Make-believe** Laurence Leamer,1984      **Nancy Reagan**

Kitty Kelley,2011-10-18 A shocking portrait of the 1980s America and the woman whose position helped shape the values and policies of the Reagan administration Through over 1 000 interviews collected during four years of exhaustive research and reporting Kelley reveals Nancy Reagan as a superb public performer a vain materialistic social climber a bitter foe and formidable strategist an American phenomenon      **Nancy Reagan** James G. Benze,2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband s casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she

remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office's closed doors unafraid to take on Donald Regan or Oliver North. He documents her clear influence on presidential appointments, links her quirky penchant for astrology to her show business past, and traces the creation of the Just Say No program to her years in Sacramento, showing that it far exceeded the public relations motivation that her detractors claimed. Benze reveals how living on a public stage exacerbated the problems in the Reagans' relationship with their children, which went from bad to worse during the White House years. He also covers Nancy Reagan's post-Washington life, including her vigilant care of the president as he struggled with Alzheimer's disease and her subsequent advocacy of stem cell research that put her at odds with the GOP. While Ronald Reagan was the star performer of his presidency, his wife glided elegantly at his side as an accomplished co-star. Benze's book strikes a balance between the images of adoring helpmate and manipulative manager, showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives.
