The Sea Between Us Penny Rae,2010-02-26 Annie s inner conflict was spiraling out of control by her constant struggle with the memories of her past her unceasing battle with her present and ever looming dread and fear for her future How could she find peace with all three Each night her dream always started out the same way She was driving and it was night It was pitch black They drove into the dark and depressing night its blackness pressing in on them surrounding and suffocating them until it felt as if there was no air left to breath They were running from the piercing black that threatened to swallow them both Then without warning the car in which Annie was driving was speeding up and Annie couldn t stop it She frantically stepped on the brake but it only caused the car to dash faster and faster into the night Then she and the child and the car were falling into a black abyss and Annie was reaching out for the small hand of the frightened child next to her She groped around in the dark touching the small fingers but was never able to grasp them And each time the dream or haunting occurred Annie s nightmare brought with it more and more dread with an oncoming feeling of doom lurking in the shadows until Annie found it as hard to be awake as it was to be asleep And her terror mounted with each passing dream until finally her past and her present collided bringing to Annie something she never expected

Farrell, 2015-07-16 *The Extraordinary Banana Tree* is not a war story. It is a love story in the time of war. It is the story of the developing love between Cheryl Flynn, Assistant Chief of Intelligence for the Defense Attaches Office in Saigon, and Billy Dobson, Manager of Flight Operations for Air America in Vietnam and Cambodia. The story opens on April 4, 1975, with Cheryl boarding the giant C5A sent by Gerry Ford to rescue orphans from South Vietnam. The plane crashed 13 miles south of Saigon. Does Cheryl survive? Does anyone survive? The story goes back in time and follows Cheryl and Billy on their paths to April 4 and to the eventual fall of Saigon on April 30, 1975. Does Billy have to face the last month alone or will Cheryl be at his side? The story follows Billy from the seminary to the Army where he serves as Counterintelligence Officer for the 11th Armored Cav sent into Cambodia by President Nixon and eventually to Air America and his meeting with Cheryl Flynn at Nha Trang paradise on the South China Sea. The story exemplifies the horrors of the war, the resilience of the human spirit, the bravery and unbelievable accomplishments of Air America personnel, and the power of love to make it all worthwhile. You will laugh, you will cry, you will love Cheryl and Billy. A very appropriate book for the 40th anniversary of the Fall of Saigon.
