All the Parables of Jesus David M. Brown,2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and thats where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar

Restarting Genesis; A Covenant View of Creation F. Michael Colacuori, 2020-10-12 Does the Bible seem difficult to understand Have you switched to a modern translation to make it easier Literary devices such as hyperbole and apocalyptic language appear frequently and may limit our understanding more than the translation Most of the Bible is expressed in terms of covenant an important concept that is also not well understood and which is seldom explained by our churches If we fail to understand such concepts we will be unlikely to fully appreciate the entire Bible Those who would applaud our difficulty and would like to dismantle our belief system entirely may have attempted to discredit early Genesis more than any other portion of scripture If Genesis 1:1 is not true where does that leave the rest of the Bible Did Jesus actually die for my sins Is God himself a myth If apparent conflicts go unresolved it becomes easier to question the relevance of the entire Bible The resolution of much of the difficulty lies in gaining an understanding of covenant creation If you have ever thought that the Bible is full of errors think again It was not written to people in the culture of the 21st century western world It was written to a people who lived 2 000 or more years ago in a culture which had a different way of thinking of using words and even numbers I hope to show that the Bible is highly accurate and relevant for today's reader To understand it the way the original hearers would have we must get inside the mind of the ancient near easterner This book attempts to bring the Bible into focus for today It is not necessary to change its teaching or to alter doctrine However gaining an understanding for today requires a new way of looking at it I hope to make that possible for you today's 21st century western reader **40**

, 1988 **THE MAGNIFICENCE OF THE 3** Timeout A. Taumua, 2023-10-05 Greetings The THE MAGNIFICENCE OF THE 3 title was extracted from a quote attributed to the legendary NIKOLA TESLA stating that If you only knew the magnificence of the 3 6 and 9 then you would have the key to the universe The magnificence of the three as I claim was a reference to the atom's three particles Yes I found the ATOM in the Torah If you know then you know the implications As I followed its tracts to the New Testament God revealed to me the identities of the Tree of Knowledge Tree of Life Garden of Eden and the Ark of the Testimony along the way Scientists define their design and purposes without understanding and inadvertently reveal God's hidden treasures Come review the record for yourself and for your elders before they move on You will never fully know

God until you know what this Garden is and its Trees God's design is a thing of beauty and it cannot be accessed with faith So enjoy and meet God the Scientist Creator of Heaven and Earth READING THE PARABLES OF JESUS INSIDE A JEEPNEY

Revelation E. Velunta, 2017-11-01 If you've ever driven down the entire length of Aurora Blvd in Cubao or any regular in city route for that matter you would know how Jeepneys bring a whole new meaning to the word disruptive They snake through traffic at full throttle and screech to a full stop all while incessantly honking cutting corners and negotiating with passengers to scoot over and make room so more passengers can board Most private car owners me included will find jeepneys annoyingly frustrating I am a church worker see and I try to keep my cussing at a level minimum but when I am sharing the road with jeepney drivers all bets are off I scream and all hell breaks loose from my mouth The object of irritation would be the Jeepney and its driver The apparent lack of consideration for law abiding motorists like me the blatant disregard for traffic rules and the thorough abandonment of all good manners and right conduct on the road So it seems You see jeepneys ferry tired day laborers students public school teachers taho vendors rank and file employees fast food servers strangers and friends back to their homes after a very long day The Jeepney and its counterpart the tricycle is the only reliable means of transport in almost all major thoroughfares in the metro Jeepney drivers are your salvation when it's monsoon season when you need to get from one end of the street to the other for just 8 Pesos When you experience the jeepney by virtue of your road encounter from your airconditioned car with cherry bubble gum freshener and Bruno Mars on spotify you will most likely hate jeepneys for everything that they are annoying frustrating disrupting But if you experience the jeepney as your everyday mode of transport the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is Revelation Velunta's Jeepney Hermeneutics brings to the fore this contrast of locations It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text any text but more profoundly the Parables attributed to Jesus of Nazareth In the era of allegory and standard interpretations and proper driving conduct and road manners Velunta's Jeepney Hermeneutics is a necessary disruption to the ways in which we as faithful Bible readers and law abiding motorists capable of doing no wrong conduct and view ourselves Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney which is roughly 70% of the general population in the Philippines It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5% And if truth is a matter of statistics the truth that is preached by Velunta is indeed truest Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should quite honestly repent before a Jeepney runs them over by Pastor Kakay Pamaran
