Roots In A Parched Ground:

Roots in a Parched Ground Horton Foote, 1962 THE STORY The Robedaux family has been divided by the exigencies of an unhappy fate Julie Robedaux has moved back to her family's house with the children Horace Jr and Beth Ruth and has enlisted the help of her sister Callie in trying to open up the house to her father's family. [Roots in a Parched Ground ; Convicts ; Lily Dale ; The Widow Claire](#) Horton Foote, 1988 Four plays dramatize the trials of Horace Robedaux whose father's sudden death places Horace between his father's and his mother's families. *Roots in Parched Ground* Horton Foote, Ronald L. Davis, 2003 *Horton Foote* Gerald C. Wood, 2014-07-16 This study is the first general critical introduction to the writing of Horton Foote recipient of two Academy Awards and the Pulitzer Prize These original essays survey Foote's career his work for theater television and film with analysis of Foote's major themes and characteristic style in all three media The casebook concludes with a list of Foote's produced work as well as a selective annotated bibliography of primary criticism on the playwright This book demonstrates the influence of personal biography and Southern literature on Foote's career The essayists also investigate the writer's contribution to American dramatic realism and independent filmmaking emphasizing his experimentation with musical structure de-dramatization and complex subtexts Foote's disarmingly simple stories with their radically understated language are explained in many articles as the product of the subtle influence of the psychological and religious views of the author

William Carlos Williams's Paterson Margaret Glynn Lloyd, 1980 Offers a general study of Williams's major work with particular emphasis placed on the structure of the poem Deals specifically with William's concept of the city and also evaluates the poem in terms of epic tradition **Orphans' Home** Laurin Porter, 2003-04-01 A Pulitzer Prize winning playwright an Emmy winning television writer and an Oscar winning screenwriter of such notable films as *To Kill a Mockingbird* *Tender Mercies* and *A Trip to Bountiful* the amazingly versatile Horton Foote has been a force on the American cultural scene for more than fifty years By critical consensus Foote's foremost achievement is *The Orphans Home Cycle* a course of nine independent yet interlocking plays that traces the transformation over twenty six years of a small town southern orphan Horace Robedaux into a husband father and patriarch Drawing on a wide range of sources including interviews with Foote Laurin Porter demonstrates why the author's masterpiece is a unique accomplishment not only in his personal oeuvre but also in the canon of American drama Set in and near Harrison Texas the fictitious counterpart to Foote's native Wharton and based partly on his father's childhood and his parents' courtship and marriage the plays introduce two extended families those of Horace and his wife Eliazbeth across three generations as well as numerous townspeople whose lives intertwine with theirs The result is a wide ranging intricate work of interconnected stories reminiscent of William Faulkner's Yoknapatawpha saga Porter shows how the small town southern culture speaks through Horace while she examines the functions of family and community in identity formation She explains that Foote's signature style which replaces stage directions poetic language and suspense driven narratives with sparse restrained dialogue and seemingly

actionless plots creates a simmering power by stressing subtext over text a strategy more often associated with the novel than drama Similarly Foote uses recurring character types and motifs interrelated images and symbols and parallel and inverted events that reverberate within and among the plays employing language and structure in innovative ways In comparing the cycle with the works of William Faulkner and Eugene O'Neill Porter positions Foote at the intersection of southern literature and American drama Foote's emphasis Porter concludes is not so much on returning home as on leaving it and building a new family contending that for Foote home is not a place but a geography of the heart Her definitive *Orphans Home* shines much needed light on an understudied talent and proves Foote's to be a vital American voice

Horton Foote Charles S. Watson, 2010-01-01 Winner of the Pulitzer Prize for Drama for *The Young Man from Atlanta* and Academy Awards for the screen adaptation of *To Kill a Mockingbird* and the original screenplay *Tender Mercies* as well as the recipient of an Academy Award nomination for the screenplay of *The Trip to Bountiful* and the William Inge Lifetime Achievement Award Horton Foote is one of America's most respected writers for stage and screen The deep compassion he shows for his characters the moral vision that infuses his social commentary and the kindness and humanity that Foote himself radiates have also made him one of our most revered artists the father figure who understands our longings for home for human connections and for certainty in a world largely bereft of these This literary biography thoroughly investigates how Horton Foote's life and worldview have shaped his works for stage television and film Tracing the whole trajectory of Foote's career from his small town Texas upbringing to the present day Charles Watson demonstrates that Foote has created a fully imagined mythical world from the materials supplied by his own and his family's and friends lives in Wharton Texas in the early twentieth century Devoting attention to each of Foote's major works in turn he shows how this world took shape in Foote's writing for the New York stage Golden Age television Hollywood films and in his nine play masterpiece *The Orphan's Home Cycle* Throughout Watson's focus on Foote as a master playwright and his extensive use of the dramatist's unpublished correspondence make this literary biography required reading for all who admire the work of Horton Foote

Horton Foote's America Marian Burkhardt, 2014 Marian Burkhardt offers here an engaging discussion of the work of revered playwright Horton Foote, winner of a Pulitzer Prize and two Academy Awards. Hallie Foote, the playwright's daughter, has written a foreword. A tribute to Foote, Burkhardt's book leads the reader into a body of work that continues to win acclaim and grow in popularity for its transcendent and timeless messages. As Burkhardt explains, 'All of us are the ordinary people who are at home as they live their ordinary lives in the town Foote built out of his inspired understanding of what life means. One has no need to be from East Texas or to go there for the town exists fully only in the theater and it houses all of us.' That's why this book is called *Horton Foote's America*.
