Roots Of Evil A Social History Of Crime And Punishment:

The Roots of Evil Christopher Hibbert, 1963 **Routledge Library Editions: The History of Crime and Punishment** Various Authors, 2022-07-30 This set reissues ten books that explore the history of crime and punishment The titles which were originally published between 1970 and 1988 examine many different aspects of historical criminology over a span of over 400 years with particular focus on the nineteenth century This set will be of particular interest to students of both history and criminology **The Spectacle of Criminal Justice** Rosie Smith, 2022-03-29 Delving into how institutions of justice as well as public expressions of justice such as rage and grief are played out in the media Smith helps us understand how this represents a shift away from historical community displays of punishment towards a media sanitised public engagement with the implementation of control and justice *Accountable Governance: Problems and Promises* Melvin J. Dubnick, H. George Frederickson, 2015-05-18 Public accountability is a hallmark of modern democratic governance and the foundation of the popular performance management movement Democracy is just an empty exercise if those in power cannot be held accountable in public for their acts and omissions for their decisions their policies and their expenditures This book offers a finely detailed and richly informed consideration of accountability in both government and the contemporary world of governance Twenty five leading experts cover varying aspects of the accountability movement including multiple and competing accountabilities measuring accountability accountability and democratic legitimacy and accountability and information technology and apply them to governments quasi governments non government organizations governance organizations and voluntary organizations Together they provide the most comprehensive consideration of accountability currently available with a blend of theoretical empirical and applied approaches **Arnhem** Christopher Hibbert, 2022-09-22 The vivid account of how a brilliant plan turned into an epic tragedy made into the BAFTA award winning film A BRIDGE TOO FAR Alive with the detail that evokes the smoking background DAILY TELEGRAPH Finely recorded truly the battle of Arnhem has been fortunate in its historian SUNDAY TIMES This book tells the true story of the Battle of Arnhem which was fought in September 1944 Nine thousand men of the First British Airborne Division were parachuted into the peaceful countryside that surrounded Arnhem Their objective was to capture and hold the bridge over the Rhine ahead of the advancing British Second Army Nine days later after some of the fiercest street fighting of the war 2000 paratroopers managed to escape to safety Made famous by the film A BRIDGE TOO FAR **Corunna** Christopher Hibbert, 2003 The only book to be devoted exclusively to the Battle of Corunna and to the short preceding campaign Redcoats and Rebels Christopher Hibbert, 2002 A full scale popular history of the American War of Independence *Florence* Christopher Hibbert, 2004-03-25 This book is as captivating as the city itself Hibbert s gift is weaving political social and art history into an elegantly readable and marvellously lively whole The author s book on Florence will also be at once a history and a guide book and will be enhanced by splendid photographs and illustrations and line drawings which will describe all the buildings

and treasures of the city *Disraeli* Christopher Hibbert,2015-11-03 The acclaimed biographer chronicles the life and times of the Victorian statesman who crossed class boundaries to become prime minister To Thomas Carlyle he was not worth his weight in cold bacon but to Queen Victoria Benjamin Disraeli was the kindest Minister she had ever had and a dear and devoted friend In this masterly biography by England s outstanding popular historian Christopher Hibbert reveals the personal life of one of the most fascinating men of the nineteenth century and England s most eccentric Prime Minister A N Wilson A superb speaker writer and wit Disraeli did not intend to be a politician Born into a family of Jewish merchants Disraeli was a conspicuous dandy constantly in debt and enjoyed many scandalous affairs until in 1839 he married an eccentric widow twelve years older than him As an antidote to his grief at his wife s death in 1872 he threw himself into politics becoming Prime Minister for the second time in 1874 much to the Queen s delight **Criminal Justice in England and the United States** J. David Hirschel,William O. Wakefield,Scott Sasse,2008 A detailed comparison between the English and U S criminal justice systems **Cultivating Empathy: Inspiring Health Professionals to Communicate More Effectively (Revised Edition)** Kathleen Stephany,2022-01-04 Research demonstrates that even if empathy the capacity to perceive or share emotions with other beings or objects is not part of a person s communication skill set it can be taught Empathy can therefore be viewed as an acquired communication skill Cultivating and practicing the skill of empathy among health care providers enhances the quality of care experienced by their patients which in turn can even improve work satisfaction for health care providers Many communication textbooks or manuals for care giving professions primarily focus on specific communication skills and techniques Cultivating Empathy takes a different approach the book sets empathy as the foundation of all therapeutic interactions and teaches the reader to learn the art of empathy by using constructive approaches and research findings from social sciences and neuroscience Cultivating Empathy is perfect for any student or practicing health care professional who has felt that there was an absence of rapport when interacting with clients or patients and their families Real case narratives dynamic interactive exercises and simulation techniques are also provided in this text to assist helpers to learn how to be more empathetic Readers will gain awareness about human and emotional aspects of patient care which will hopefully make a positive contribution to their professional practice *The Borgias* Christopher Hibbert,2011-05-12 The name Borgia is synonymous with the corruption nepotism and greed that were rife in Renaissance Italy The powerful voracious Rodrigo Borgia better known to history as Pope Alexander VI was the central figure of the dynasty Two of his seven papal offspring also rose to power and fame Lucrezia Borgia his daughter whose husband was famously murdered by her brother and that brother Cesare who served as the model for Niccolo Machiavelli s The Prince Notorious for seizing power wealth land and titles through bribery marriage and murder the dynasty s dramatic rise from its Spanish roots to its occupation of the highest position in Renaissance society forms a gripping tale Erudite witty and always insightful Hibbert removes the layers of myth around the Borgia family and creates a portrait alive with his superb sense of

character and place **Understanding Great Expectations** George Newlin, 2000-03-30 More than one hundred years after being written *Great Expectations* is still one of the most widely studied works of fiction This casebook of historical documents collateral readings and essays brings to life both Dickens masterpiece and the social issues surrounding his work The interdisciplinary approach offers students insight into the historically significant issues such as child welfare that ignited Dickens creative and moral sensibilities Newlin has unearthed significant documentation on the dilemma of Victorian women supplying original social commentary such as Mary Wollstonecraft's 1792 *A Vindication of the Rights of Women* and John Stuart Mill's 1861 *The Subjection of Women* This work also addresses the transportation and deportation of convicts with first hand accounts of the treatment of prisoners Original materials describing the significance of class distinctions with demographic data from 1834 point up the socio economic gaps that stratified Victorian society Other primary documents describe the physical settings such as the Marsh Country and the river and Bow Street in London that figure prominently in *Great Expectations* This collection of sources will help broaden students understanding of *Great Expectations* and places it within its historical context A literary analysis chapter introduces students to the important themes and various writing techniques employed by Dickens Each subsequent chapter offers original essays and explication of historical documents on significant issues Each section concludes with thought provoking study questions topics for research and lists of suggested readings This volume will enhance students reading of this classic and will facilitate further research for student and teacher alike **Selective Incapacitation and Public Policy** Kathleen Auerhahn, 2012-02-01

From the 1970s to the new millennium the prison population in the United States has quadrupled while an unprecedented amount of sentencing reform has taken place largely intended to protect the public from dangerous criminals This book details the California experience including the history and politics of criminal sentencing policy reform as well as the consequences of this activity to the criminal justice system Using cutting edge computer simulation modeling Kathleen Auerhahn explores the impact that sentencing reforms dating back to the 1970s have had on the composition and structure of the criminal justice system with specific focus on prison populations She illustrates how dynamic systems simulation modeling is used to both examine possible futures under a variety of sentencing structures and sentencing policy alternatives including narrowing strike zones and the early release of elderly offenders in order to more effectively target the dangerous criminals these policies promise to remove from society via incarceration

Foul Deeds & Suspicious Deaths around Northampton Paul Harrison, 2017-09-30 Twenty true tales of violence and villainy in this area of England's East Midlands includes illustrations *Foul Deeds and Suspicious Deaths Around Northampton* investigates the darker side of humanity in cases of murder deceit and pure malice committed over the centuries in this picturesque part of England For this journey into Northampton's bloody past Paul Harrison has selected over twenty notorious episodes that give a fascinating insight into criminal acts and the criminal mind He reinvestigates some of the most intriguing cases introduces new evidence and questions verdicts that were reached many years ago Among

the cases are two old people who were bludgeoned to death for no apparent reason the murder of a mistress and her child a philandering salesman who faked his own death a promiscuous woman who came to a cruel end a shoemaker who brutally attacked his wife and the disappearance of Lydia Atley whose remains were never found These human dramas are often played out in the most commonplace of circumstances while others are so odd as to be stranger than fiction **Medieval Italy** Christopher Kleinhenz,2004-08-02 This Encyclopedia gathers together the most recent scholarship on Medieval Italy while offering a sweeping view of all aspects of life in Italy during the Middle Ages This two volume illustrated A Z reference is a cross disciplinary resource for information on literature history the arts science philosophy and religion in Italy between A D 450 and 1375 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the Medieval Italy An Encyclopedia website *Routledge Revivals: Medieval Italy (2004)*. Christopher Kleinhenz,2017 **Liberty Intact** Michael Tugendhat,2017 Providing a short history of human rights from the eighteenth century to present day this book traces English Common Law through the French and American declarations of rights identifying rights which evolved from the English law and politics of the fifteenth century and which are recognised in the human rights law we see today Fighting for Life Walter J. Ong,2012-10-05 Fighting for Life is a book about contest the agonism of the Greek arena and its roots in male life especially academia Ong describes this work as an excavation which was prompted by his previous explorations of such areas as the characteristics of oral and literate cultures Peter Ramus and his 16th century intellectual milieu and the early dominance and more recent decline of classical rhetoric in education In Fighting for Life he weaves the results of a year s study of agonistic structures running through the biological social and noetic worlds Describing his text as an essay in noobiology the biological roots of human consciousness Ong claims that contest has been a major factor in organic evolution and it turns out to have been a major and seemingly essential factor in intellectual development The work is a valuable synthesis of a wide body of research and theory Rhetoric Society Quarterly

Landscapes of Fear Yi-Fu Tuan,2013-04-01 To be human is to experience fear but what is it exactly that makes us fearful Landscapes of Fear written immediately after his classic Space and Place is renowned geographer Yi Fu Tuan s influential exploration of the spaces of fear and of how these landscapes shift during our lives and vary throughout history In a series of linked essays that journey broadly across place time and cultures Tuan examines the diverse manifestations and causes of fear in individuals and societies he describes the horror created by epidemic disease and supernatural visions of witches and ghosts violence and fear in the country and the city fears of drought flood famine and disease and the ways in which authorities devise landscapes of terror to instill fear and subservience in their own populations In this groundbreaking work now with a new preface by the author Yi Fu Tuan reaches back into our prehistory to discover what is universal and what is particular in our inheritance of fear Tuan emphasizes that human fear is a constant it causes us to draw what he calls our circles of safety and at the same time acts as a foundational impetus behind curiosity growth and adventure
