Foreword by Elizabeth Martinez

# Roots Of Justice Stories Of Organizing In Communities Of Color

**R Bogdan**

## **Roots Of Justice Stories Of Organizing In Communities Of Color:**

**Roots of Justice** Larry R. Salomon, 1998 Some of the nearly forgotten histories of communities of color Read about people who fought back against exploitation and injustice and won From the Zoot Suiters to the welfare rights movement Roots of Justice shows how through organizing ordinary people have made extraordinary contributions to change society

Rethinking Our Classrooms, Volume 2, 2001 **Progressive Community Organizing** Loretta Pyles, 2013-07-24 The second edition of Progressive Community Organizing offers a concise intellectual history of community organizing and social movements while also providing practical tools geared toward practitioner skill building Drawing from social constructionist feminist and critical traditions Progressive Community Organizing affirms the practice of issue framing and offers two innovative frameworks that will change the way students of organizing think about their work Progressive Community Organizing is ideal for both undergraduate and graduate courses focused on community theory and practice community organizing community development and social change and service learning The second edition presents new case studies including those of a welfare rights organization and a youth led LGBTQ organization There are also new sections on the capabilities approach queer theory the Civil Rights movement and the practices of self inquiry and non violent communication Discussion of global justice has been expanded significantly and includes an account of a transnational action research project in post earthquake Haiti Each chapter contains discussion questions written and web resources and a list of key terms a full free access companion website is also available for the book **Chains of Babylon** Daryl J. Maeda, 2009 In Chains of Babylon Daryl J Maeda presents a cultural history of Asian American activism in the late 1960s and early 1970s showing how the movement created the category of Asian American to join Asians of many ethnicities in racial solidarity Drawing on the Black Power and antiwar movements Asian American radicals argued that all Asians in the United States should resist assimilation and band together to oppose racism within the country and imperialism abroad As revealed in Maeda s in depth work the Asian American movement contended that people of all Asian ethnicities in the United States shared a common relationship to oppression and exploitation with each other and with other nonwhite peoples In the early stages of the civil rights era the possibility of assimilation was held out to Asian Americans under a model minority myth Maeda insists that it was only in the disruption of that myth for both African Americans and Asian Americans in the 1960s and 1970s that the full Asian American culture and movement he describes could emerge Maeda challenges accounts of the post 1968 era as hopelessly divisive by examining how racial and cultural identity enabled Asian Americans to see eye to eye with and support other groups of color in their campaigns for social justice Asian American opposition to the war in Vietnam unlike that of the broader antiwar movement was predicated on understanding it as a racial specifically anti Asian genocide Throughout he argues that cultural critiques of racism and imperialism the twin chains of Babylon of the title informed the construction of a multiethnic Asian American identity committed to interracial and transnational solidarity The Power of

the Zoot Luis Alvarez, 2008-06-02 Flamboyant zoot suit culture with its ties to fashion jazz and swing music jitterbug and Lindy Hop dancing unique patterns of speech and even risqu experimentation with gender and sexuality captivated the country's youth in the 1940s The Power of the Zoot is the first book to give national consideration to this famous phenomenon Providing a new history of youth culture based on rare in depth interviews with former zoot suiters Luis Alvarez explores race region and the politics of culture in urban America during World War II He argues that Mexican American and African American youths along with many nisei and white youths used popular culture to oppose accepted modes of youthful behavior the dominance of white middle class norms and expectations from within their own communities **Rethinking**

**the Asian American Movement** Daryl Maeda, 2012-02-20 Although it is one of the least known social movements of the 1960s and 1970s the Asian American movement drew upon some of the most powerful currents of the era and had a wide ranging impact on the political landscape of Asian America and more generally the United States Using the racial discourse of the black power and other movements as well as antiwar activist and the global decolonization movements the Asian American movement succeeded in creating a multi ethnic alliance of Asians in the United States and gave them a voice in their own destinies Rethinking the Asian American Movement provides a short accessible overview of this important social and political movement highlighting key events and key figures the movement's strengths and weaknesses how it intersected with other social and political movements of the time and its lasting effect on the country It is perfect for anyone wanting to obtain an introduction to the Asian American movement of the twentieth century Impossible Democracy Noel A.

Cazenave, 2008-06-05 Honorable Mention 2008 Gustavus Myers Book Award presented by the Gustavus Myers Center for Human Rights in North America Impossible Democracy challenges the conventional wisdom that the War on Poverty failed by exploring the unlikely success of its community action programs Using two projects in Manhattan that were influential precursors of community action programs the Mobilization for Youth and the Harlem Youth Opportunities Unlimited Associated Community Teams Noel A Cazenave analyzes national and local conflicts in the 1960s over what the nature of community action should be Fueled by the civil rights movement activist social scientists promoted a model of community action that allowed for the use of social protest as an instrument of local reform In addition they advanced a more participatory view of how democracy should work one that insisted local decision making not be left solely to elected officials and other powerful people as traditionally done **The Nation Guide to the Nation** Richard Lingeman, Nation

Magazine, 2009-01-06 The essential lifestyle guide for the millions of progressives on both coasts The Nation Guide to The Nation will help left of center types find left leaning shops cultural institutions and gathering places in their own hometowns and on the road CULTURAL Art collectives activist documentaries political circuses film festivals writers colonies left brained bookstores arts advocacy groups indie book publishers the 25 greatest political movies detective stories for liberals SOCIAL Organic and slow food restaurants political saloons and bars bookshop cafés and conversational coffeehouses sexy singles

justice programs and suggestions for foundations on which programs to fund Gives step by step advice for developing a successful grantmaking strategy Includes a wealth of examples from leading foundations Sponsored by The Center for Community Change

*Bound by War* Christopher Capozzola, 2020-07-28 A sweeping history of America's long and fateful military relationship with the Philippines amid a century of Pacific warfare Ever since US troops occupied the Philippines in 1898 generations of Filipinos have served in and alongside the US armed forces In *Bound by War* historian Christopher Capozzola reveals this forgotten history showing how war and military service forged an enduring yet fraught alliance between Americans and Filipinos As the US military expanded in Asia American forces confronted their Pacific rivals from Philippine bases And from the colonial era Philippine Scouts to post 9 11 contractors in Iraq and Afghanistan Filipinos were crucial partners in the exercise of US power Their service reshaped Philippine society and politics and brought thousands of Filipinos to America Telling the epic story of a century of conflict and migration *Bound by War* is a fresh definitive portrait of this uneven partnership and the two nations it transformed

*Active Learning* Dana E. Wright, 2015-04-10 While many educators acknowledge the challenges of a curriculum shaped by test preparation implementing meaningful new teaching strategies can be difficult *Active Learning* presents an examination of innovative interactive teaching strategies that were successful in engaging urban students who struggled with classroom learning Drawing on rich ethnographic data the book proposes participatory action research as a viable approach to teaching and learning that supports the development of multiple literacies in writing reading research and oral communication As Wright argues in connecting learning to authentic purposes and real world consequences participatory action research can serve as a model for meaningful urban school reform After an introduction to the history and demographics of the working class West Coast neighborhood in which the described PAR project took place the book discusses the pedagogy of praxis method and the project's successful development of student voice sociopolitical analysis capacities leadership skills empowerment and agency Topics addressed include an analysis and discussion of the youth driven PAR process the reactions of student researchers and the challenges for adults in maintaining youth and adult partnerships A thought provoking response to current educational challenges *Active Learning* offers both timely implications for educational reform and recommendations to improve school policies and practices

**Level Best** Marcia Festen, Marianne Philbin, 2006-10-25 *Level Best* offers guidance that demystifies evaluation and takes into account the unique challenges and realities of grassroots nonprofit organizations It provides a new framework for thinking about evaluation and tools for measuring and sharing results in ways that are practical efficient and meaningful

**Fundraising for the Long Haul** Kim Klein, 2000 Here is a road map for organizations wanting a long and healthy life In this companion to her classic *how to book Fundraising for Social Change* Kim Klein distills her 25 years of experience and wisdom as an accomplished fundraiser trainer and author After sharing some of the lessons she learned from her own mistakes Klein details the elements of a healthy organization and a healthy fundraising program She then discusses the most

common barriers to organizational health including Founder s Syndrome the search for financial security and taking donors for granted Along with tips and techniques Klein presents the philosophical underpinnings for long term commitment to social change work and the means to make it sustainable      *Grassroots* Jennifer Baumgardner,Amy Richards,2005-01-12

From the authors of *Manifesta* an activism handbook that illustrates how to truly make the personal political *Grassroots* is an activism handbook for social justice Aimed at everyone from students to professionals stay at home moms to artists *Grassroots* answers the perennial question What can I do Whether you are concerned about the environment human rights violations in Tibet campus sexual assault policies sweatshop labor gay marriage or the ongoing repercussions from 9 11 Jennifer Baumgardner and Amy Richards believe that we all have something to offer in the fight against injustice Based on the authors own experiences and the stories of both the large number of activists they work with as well as the countless everyday people they have encountered over the years *Grassroots* encourages people to move beyond the generic three check writing calling congresspeople and volunteering and make a difference with clear guidelines and models for activism The authors draw heavily on individual stories as examples inspiring readers to recognize the tools right in front of them be it the office copier or the family living room in order to make change Activism is accessible to all and *Grassroots* shows how anyone no matter how much or little time they have to offer can create a world that more clearly reflects their values
