Rorschach Clinician:

Clinician's Guide to Psychological Assessment and Testing John M. Spores, 2012-09-18 This nuts and bolts guide to conducting efficient and accurate psychological testing in clinical settings provides mental health professionals with experienced guidance in the entire process. It features a complete set of printed and electronic forms and templates for all aspects of assessment and testing from the initial referral to the final report. It presents a standardized process of assessment testing interpretation report writing and presenting feedback. Integral to the book is a review of psychological tests in seven key categories that most effectively address differential diagnostic dilemmas that clinicians are likely to encounter in practice. Numerous case examples illustrate the process in action. **Clinician's Guide to Child Custody Evaluations** Marc J.

Ackerman, 2002-02-28 Comprehensive coverage of every phase of the child custody evaluation process. Does a clinician hired by a parent's attorney bear the same responsibilities as a court-appointed psychologist? What are the most effective techniques for determining whether an alleged abuse has actually occurred? Which factors should be considered when determining whether a parent should be granted custody? Clinician's Guide to Child Custody Evaluations Second Edition answers these questions and hundreds more as it provides step-by-step guidance through every aspect of this sensitive and profoundly important process. Employing riveting case studies drawn from the more than 1,800 custody evaluations he has performed, Dr. Marc Ackerman provides authoritative guidelines for conducting interviews, observing behavior, and collecting collateral information. Psychological testing and administering ASPECT and other custody instruments. Evaluating parental behavior. Reporting evaluation results. Testifying in court. This remarkably thorough resource offers completely up-to-date coverage of recent legal decisions affecting child custody, new surveys on what judges and attorneys want from evaluations, and new chapters on placement schedules and second opinion evaluations. Clinician's Guide to Child Custody Evaluations Second Edition is must reading for every mental health professional who is or would like to be involved in child custody evaluations. **The Rorschach Clinician; a New Research Approach and Its Application** Charles R. Potkay, 1971
