Long Lankin:

Long Lankin John Banville, 1984 **The Supreme Fictions of John Banville** Joseph McMinn, 1999 This work offers a critical commentary on the range of John Banville's fiction including the plays and views that fiction in the contexts of contemporary critical theory particularly those of postmodernism and feminism It argues that Banville's work is deeply influenced by romantic and modernist mythologies of the creative imagination especially those expressed by Coleridge and Wallace Stevens Banville's interest in systems of knowledge and forms of representation is a major issue in the study and McMinn investigates his use of paintings as metaphors *The Singing Tradition of Child's Popular Ballads. (Abridgement)* Bertrand Harris Bronson, 2015-03-08 Francis James Child's English and Scottish Popular Ballads published in ten parts from 1882 to 1898 contained the texts and variants of 305 extant themes written down between the thirteenth and nineteenth centuries Unsurpassed in its presentation of texts this exhaustive collection devoted little attention to the ballad music a want that was filled by Bertrand Harris Bronson in his four volume Traditional Tunes of the Child Ballads The present book is an abridged one volume edition of that work setting forth music and text for proven examples of oral tradition with a new comprehensive introduction Its convenient format makes readily available to students and scholars the materials for a study of the Child ballads as they have been preserved in the British American singing tradition Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Journal of the Folk-Song Society**, 1905 List of members in each volume **Notes and Queries**, 1874 **Journal of the Folk-Song Society** Folk-Song Society (Great Britain), 1918 Contains music *English Folk Songs* Ralph Vaughan Williams, 2009-04-02 This collection is filled with songs that tell of the pleasures and pains of love the patterns of the countryside and the lives of ordinary people Here are unfaithful soldiers ghostly lovers whalers on stormy seas cuckolds and tricksters By turns funny plain speaking and melancholic these songs evoke a lost world and with their melodies provided record a vital musical tradition Generations of inhabitants have helped shape the English countryside but it has profoundly shaped us too It has provoked a huge variety of responses from artists writers musicians and people who live and work on the land as well as those who are travelling through it English Journeys celebrates this long tradition with a series of twenty books on all aspects of the countryside from stargazey pie and country churches to man's relationship with nature and songs celebrating the patterns of the countryside as well as ghosts and love struck soldiers **The Wiley Blackwell Companion to Contemporary British and Irish Literature** Richard Bradford, Madelena Gonzalez, Stephen Butler, James Ward, Kevin De Ornellas, 2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH

the pages of the novels As such it also represents an extremely sophisticated enactment of the novel form that goes beyond the self reflexivity of late twentieth century fiction to chart new developments in the literary arts The book s critical process involves several specific reference points Firstly Banville s own theoretical statements about art in interviews essays reviews and journalistic writing over the past 40 years are synthesized into a coherent interpretation of the author s artistic vision which is thereafter used as a conceptual touchstone when considering his major works of fiction This is done in conjunction with investigating specific theoretical perspectives about the relationship between literature and art by critics such as Denis Donoghue and Susan Sontag and by philosophers of art Graham Gordon Etienne Gilson Peter Lamarque and Susanne Langer
