Long Long Way:

This is the U.S.A. United States. Office of War Information, 1944 *The House of Souls* Arthur Machen, 2020-08-14
Reproduction of the original *The House of Souls* by Arthur Machen **The Philosophy of Dr. Martin Luther King Jr.**
Robert T. Floyd Jr., 2018-02-13 The speeches and sermons of Dr Martin Luther King Jr resound deeply delivering the inspiring message of a great leader and teacher These timeless gems leave the reader with renewed understanding of the man and the urgency of the civil rights movement which still ring true today *Clare and the Great War* Joe Power, 2015-07-06
Aristocrats and itinerants unionists and nationalists Catholics and Protestants the Great War united thousands of Clare men and women to a cause for which many of them would go out to fight and die Their motives varied from a sense of duty to king and country to concern about the fate of poor Catholic Belgium from mercenary motives fuelled by poverty to the moral duty to fight for civilization against the savage Huns or like many young men to the simple thirst for adventure This seminal work attempts for the first time to understand what really happened in County Clare during the Great War how its economic and political life was radically transformed during this terrible conflict and how the contribution of those who gave their lives was largely written out of history *Kaleidoscope* Ray Bradbury, 1975 **Poets and Dreamers: Studies and translations from the Irish** Lady Gregory, 2022-09-16
In *Poets and Dreamers Studies and Translations from the Irish* Lady Gregory presents a rich tapestry of Irish literature and folklore showcasing her deep engagement with the cultural and linguistic heritage of Ireland This collection weaves together her insightful analyses and poetic translations of ancient Irish texts illuminating the spiritual and mythical dimensions of Irish identity The literary style embodies both lyrical beauty and scholarly rigor enhancing the reader's understanding of Ireland's literary traditions during the early 20th century a period marked by a resurgence of interest in Celtic culture and literature amid the broader Gaelic revival Lady Gregory 1852-1932 was a pivotal figure in the Irish literary renaissance co-founder of the Abbey Theatre and an ardent advocate for Irish cultural identity Her extensive engagement with folklore and mythology stemming from her own Irish heritage significantly influenced her work Gregory's passion for preserving and reviving Irish stories and heritage prompted her to delve into the versatility of Irish poetic expression as she meticulously translated and studied the works that shaped her literary landscape *Poets and Dreamers* is an essential read for anyone interested in Irish culture literature and the evolution of national identity Gregory's evocative translations and insightful studies not only celebrate the richness of Irish poetic tradition but also invite readers to explore the profound connections between dreams history and poetry in Ireland This book is a remarkable contribution that deserves a place on the shelf of every literary enthusiast **You Can Go Home Again** Patricia Claggett French, 2011-02-24
This book is a compilation of stories and lifetime experiences over a seventy-one year period in the author's life From World War II through the Space Age from childhood innocence through the adventures of adulthood All of this motivated by her desire for her children grandchildren and subsequent generations to see what she has seen and know her

as a person I've always wished I had asked my grandmothers more questions about their lives I don't think I'm unique in that respect she says It's filled with humor history and simply the joy of living while striving to become the person you think you were meant to be
