Early School* Michael R. Williams,2021-12-12 First Published in 1997 This case study of a small independent parent run
program in Milwaukee s inner city finds that several factors combine to make the school effective parental involvement at all
levels including governance a clear and shared sense of mission and a coherent Montessori curriculum that takes children
from preschool through the third grade The study employed data from several surveys of parents teachers interviews with
participants and observation over five years Begun twenty seven years ago by parents and community members alienated
from dysfunctional public schools and still supported mostly by contributions Highland today is one of only a dozen schools in
the United States receiving some of its revenue under a voucher program that provides state funds to independent schools
After an overview of Highland s history demographics and measures of success two chapters examine the school s
commitment to diversity nonviolence child nurturance and egalitarianism Other chapters focus on how Highland involves its
parents and how parents alone govern the school analyze the role of Highland s trustees and details the school s Montessori
curriculum The final chapter explores the possibility of applying some of Highland s lessons to public school curriculums

Resources in Education ,1995 **Handbook of School Counseling** Hardin L.K. Coleman,Christine Yeh,2011-04-06 The
mission of this forty eight chapter Handbook is to provide a comprehensive reference source that integrates counseling
theory research and practice into one volume It is designed to meet the needs of entry level practitioners from their initial
placement in schools through their first three to five years of practice It will also be of interest to experienced school
counselors counselor educators school researchers and counseling representatives within state and local governments
