Longman History: Year 9 Helena MacKay, Theresa Nicole Thomson, Vanessa Mulvina Wright, 2002 Longman history 9 Year 9 history Queensland The Oxford Handbook of the History of Education John L. Rury, Eileen Tamura, 2019 This handbook offers a global perspective on the historical development of educational institutions systems of schooling educational ideas and educational experiences Its 36 chapters consider the field s changing scholarship while examining particular national and regional themes and offering a comparative perspective Each also provides suggestions for further research and analysis **Proceedings of the Royal Society of Queensland** Royal Society of Queensland, 1929

Australian National Bibliography: 1992 National Library of Australia, 1988 **Cultural Landscapes and Environmental Change** Lesley Head, 2017-09-25 Cultural landscapes are usually understood within physical geography as those transformed by human action As human influence on the earth increases advances in palaeocological reconstruction have also allowed for new interpretations of the evidence for the earliest human impacts on the environment It is essential that such evidence is examined in the context of modern trends in social sciences and humanities This stimulating new book argues that convergence of the two approaches can provide a more holistic understanding of long term physical and human processes Split into two major sections this book attempts to bridge the gap between the sciences and humanities The first section provides an analysis of the methodological tools employed in examining processes of environmental change Empirical research in the fields of palaeocology and Quaternary studies is combined with the latest theoretical views of nature and landscape occurring in cultural geography archaeology and anthropology The author examines the way in which environmental management decisions are made The book then moves on to discuss the relevance of this perspective to contemporary issues through a wide variety of international case studies including World Heritage protection landscape preservation indigenous people and cultural tourism Sport in Australian National Identity Tony Ward, 2013-09-13 For many Australians there are two great passions sport and taking the piss This book is about national identity and especially about Australia s image as a sporting country Whether reverent or not any successful national image has to reflect something about the reality of the country But it is also influenced by the reasons that people have for encouraging particular images and by the conflicts between differing views of national identity and of sport Buffeted by these elements both the extent of Australian sports madness and the level of stirring have varied considerably over time While many refer to long lasting factors such as the amount of sunshine this book argues that the ebb and flow of sporting images are strongly linked to current views of national identity Starting from Archer s win in the first Melbourne Cup in 1861 it traces the importance of trade unions in the formation of Australian Rules the success of a small rural town in holding one of the world s foremost running races and the win from behind of a fat arsed wombat knocking off the official mascots of Sydney 2000 This book was based on a special issue of Soccer and Society **The Spectator** , 1863 *Australian national bibliography* , 1961

Whitlam's Children Shaun Crowe,2018-09-17 Over the past three decades progressive politics in Australia has undergone a gradual but unmistakable transformation Where the Australian Labor Party once enjoyed dominance over the political left it now shares space with the Greens at times depending on minor party support to form government and even more often to pass contentious legislation Based on over forty interviews with politicians and party figures Whitlam s Children is the first study of this increasingly important relationship in Australian

politics Did previous attempts at cooperation particularly minority government under Julia Gillard deliver successful government and how do each judge the experiment in hindsight Why are certain policy areas like refugee settlement and environmental policy so stubborn and divisive And will we ever see a more lasting coalition on the Australian left to mirror the established arrangement on the Australian right While revealing a variety of perspectives even within parties the research uncovers a productive if often hostile relationship united by a series of shared values but divided by different approaches to politics elections and parliament Featuring a preface by Geoff Gallop
