achieving the goal of agency in the here and now not salvation in the Hereafter An initial chapter explores the Aristotelian antecedents contemporaneous cultural influences and narrative techniques that intersect to shape the radically uncertain world of the Decameron and the Canterbury Tales while succeeding chapters pair and compare stories from both collections that illustrate the quest for agency its successes and its failures through plots often brilliantly adapted from simpler antecedents as well as eloquence by turns satiric and insightful This is storytelling that exposes a culture s fears as well as its aspirations for mastery over the circumstances that challenge its existence reading these tales should be a labor of love and the goal of this study is to help assure that the reader s labor shall not be lost **A Summer in Leslie Goldthwaite's Life**
