Look and Talk Felicity Brooks, 2010-05 Each double page shows a different farm and introduces children to the names of the farm animals found there This book is a great way to get children talking about familiar farm animals and learn new words , **Monthly Catalog of United States Government Publications** , 1961 **Talks on Manures** Joseph Harris, 1878 Talks on Manures. A Series of Familiar and Practical Talks Between the Author and the Deacon, the Doctor, and Other Neighbors, on the Whole Subject of Manures and Fertilizers Joseph Harris, 2024-02-27 Reprint of the original first published in 1883 *Winesburg, Ohio* Sherwood Anderson, 2020-12-01 Winesburg Ohio 1919 is a collection of interrelated short stories about small town life in the American Midwest by author Sherwood Anderson No doubt inspired by his own decision to leave Ohio for Chicago in order to launch his career as a professional writer these stories relate a firsthand understanding of the concerns routines desires and disappointments driving the lives of many Americans in the early twentieth century A young man struggles to express himself and consumed with paranoia and loneliness turns to violence as his only outlet An elderly mother recalls visions of her youth and memories of lost love as she faces death alone A reserved woman inexplicably runs naked into the rainy streets of her town Winesburg Ohio is built on such stories as these dissecting with painstaking detail the inner psychological torments of a small town s residents who remain in the end unmistakably human Their longing and loneliness bring them together as much as they define what drives them apart but ultimately it is silence and suffering which prevail Throughout these stories the life and development of George Willard is told in fragments examining the extent to which we are formed in the image of others as well as the lengths to which one young man will go to avoid the fate he is born to Winesburg Ohio was an instant classic a work which came not only to define Anderson s career but to inspire generations of writers and readers to come Winesburg Ohio is recognized today as a pioneering work of Modernist fiction that precipitated a sea change in not only short story writing but the entirety of American literature Anderson s style is admired for its plainspoken language and psychological detail and he was one of the first American authors to incorporate ideas from Freudian analysis within his work Both darkly pessimistic and ultimately hopeful Winesburg Ohio endures because it captures the humanity of American life while offering to readers a sense of the promise of change With a beautifully designed cover and professionally typeset manuscript this edition of Sherwood Anderson s Winesburg Ohio is a classic of American literature reimagined for modern readers Don't Start Me Talking Charles Radcliffe, 2018-12-10 In his seminal socio history of Punk England s Dreaming Jon Savage makes the bald assertion that Charles Radcliffe laid the foundation for the next twenty years of sub cultural theory referring in particular to his 1966 piece the Seeds of Social Destruction that appeared in the first of two issues of Radcliffe s co authored insurrectionary street zine Heatwave Teddy Boys Ton Up Kids Mods and Rockers Beats Ban the Bombers The Ravers jazz heads Radcliffe argued that the bank holiday bust ups the demos the riots the sex drugs n rock n roll these were all part of a youth revolt that has left a

permanent mark on this society has challenged assumptions and status and been prepared to vomit its disgust in the streets The youth revolt has not always been comfortable valid to the point or helpful It has however made its first stumbling political gestures with an immediacy that revolutionaries should not deny but envy Radcliffe joined the International Situationists within the year alongside English founder Chris Gray but by the time 1968 had ended and youthful revolt had fed into wide pockets of political turmoil globally Radcliffe had started to drift towards other poles of late 60s s counterculture He ended the 60 s in long hair and loon pants banged up in a Belgian prison on hash smuggling charges This epic 900 pages book follows Radcliffes trials and tribulations from public school beginnings into the 60 s underground and the Mr Nice style large scale hash smuggling years his friend Howard Marks pops up throughout on to prison divorce remarriage and beyond It offers up important first hand perspectives on 60 s 70 s counterculture and an intimate portrait of a man who seemed to face the slings and arrows that fortune threw at him with a never ending supply of equanimity And high grade hash

Shame and Endurance H. Henrietta Stockel,2021-11-30 Many readers may be familiar with the wartime exploits of the Apaches this book relates the untold story of their postwar fate It tells of the Chiricahua Apaches 27 years of imprisonment as recorded in American dispatches reports and news items documents that disclose the confusion contradictions and raw emotions expressed by government and military officials regarding the Apaches while revealing the shameful circumstances in which they were held First removed from Arizona to Florida the prisoners were eventually relocated to Mount Vernon Barracks in Alabama where in the words of one Apache We didn't know what misery was until they dumped us in those swamps Pulmonary disease took its toll by 1894 disease had killed nearly half of the Apaches and after years of pressure from Indian rights activists and bureaucratic haggling Fort Sill in Oklahoma was chosen as a more healthful location Here they were given the opportunity to farm and here Geronimo who eventually converted to Christianity died of pneumonia in 1909 at the age of 89 still a prisoner of war In the meantime many Apache children had been removed to Carlisle Pennsylvania for education despite earlier promises that families would not be split up and most eventually lost their cultural identity Henrietta Stockel has combed public records to reconstruct this story of American shame and Native endurance Unabashedly speaking on behalf of the Apaches she has framed these documents within a readable narrative to show how exasperated public officials eager to openly demonstrate their superiority over savages who had successfully challenged the American military for years had little sympathy for the consequences of their confinement Although the Chiricahua Apaches were not alone in losing their ancestral homelands they were the only American Indians imprisoned for so long a time in an environment that continually exposed them to illnesses against which they had no immunity devastating families even more than warfare Shame and Endurance records events that ought never to be repeated and tells a story that should never be forgotten
