Look Inside Machines Firefight:

Firefight Ginger Adams Otis, 2015-05-26 In 1919 when Wesley Williams became a New York City firefighter he stepped into a world that was 100% white and predominantly Irish As far as this city knew black men in the Fire Department of New York FDNY tended horses Nearly a century later many things in the FDNY had changed but not the scarcity of blacks New York had about 300 black firefighters roughly 3 percent of the 11 000 New York firefighters in a city of two million African Americans That made the FDNY a true aberration compared to all the other uniformed departments like the NYPD Decades earlier women and blacks had sued over its hiring practices and won But the FDNY never took permanent steps to eradicate the inequities which led to a courtroom show down between New York City's billionaire Mayor Mike Bloomberg and a determined group of black activist firefighters It was not until 2014 that the city settled the 98 million lawsuit At the center of this book are stories of courage about firefighters risking their lives in the line of duty but also risking their livelihood by battling an unjust system Among them FDNY Captain Paul Washington a second generation black firefighter who spent his multi decade career fighting to get minorities on the job He faced an insular culture made up of relatives who never saw their own inclusion as favoritism Based on author Ginger Adams Otis years of on the ground reporting *Firefight* is an exciting blend of the high octane energy of firefighting and critical Civil Rights history

Pass it On Billy Goldfeder, 2014-03-17 For his first book Chief Billy Goldfeder a 40 year fire service veteran solicited insights and pearls of wisdom from our country's greatest firefighters fire officers and emergency responders The stories that make up this unprecedented collection share many perspectives of the emergency service experience and offer invaluable often hard won lessons learned Every firefighter from probie to veteran

can find something to take away from these factual real life first hand stories which offer a range of emotions from wit to heartache and basic common sense Features Introductions by Billy Goldfeder to each chapter Chapters written by a very diverse group of more than 80 well known fire service veterans Experiences of some of the best names in the fire service that most of us would not have the opportunity to learn from directly Chief Goldfeder is donating 100% of his royalties equally to the Chief Ray Downey Scholarship and the National Fallen Firefighters Foundation Every contributor fully supported the benevolent mission of this book

Firefighting: Better than Working for a Living AJ Taylor,2023-09-15 Tom is a firefighter He loves going to work For him encountering the intense prickly heat of a building fire is to experience the euphoria of fear He loves the adrenaline rush when the bells drop and the anticipation of what may lie ahead But there is more so much more The best part of his job is the mischief he finds himself involved in the antics and the camaraderie It s the early 80s and life was very different Tom and his brothers split their time between the pub and the fire station although it is not always clear whether they are on duty or at a party The fire engine which they call The Machine doesn t always want to play and sometimes they forget to climb aboard This is a tale of frolics of trauma of nurses and even villainy It is an exposure Are Tom and his compadres heroes Well that s for you to decide
