Q-Ships and Their Story E. Keble Chatterton,2017-07-03 The wonderful and brave story of ships and men here presented needs but the briefest introduction The deeds will forever remain one of the most glorious chapters in the chronicles of the sea No excuse is offered for adding another volume to the literature of the war for the subject is deserving of greater attention than has hitherto been possible Lord Jellicoe once remarked that he did not think English people realized the wonderful work which these mystery ships had done in the war and that in these vessels there had been displayed a spirit of endurance discipline and courage the like of which the world had never before seen To few naval historians I believe has it ever been permitted to enjoy such complete opportunities for acquiring authentic information as is here presented Unquestionably the greatest sphere of Q ship operations was off the south west coast of Ireland owing to the fact that the enemy submarines from the summer of 1915 to 1918 concentrated their attacks with certain intervals on the shipping in the western approaches to the British Isles It was my good fortune during most of this period to be at sea patrolling off that part of Ireland These Q ships were therefore familiar in their various disguises at sea or in harbour at Berehaven and Queenstown during their well earned rest Throughout this time I kept a diary and noted down much that would otherwise have been forgotten Many of the Q ship officers were my personal friends and I have enjoyed the hospitality of their ships Valuable data too were obtained from officers of merchant ships who witnessed Q ships engaging submarines A considerable number of authentic manuscripts has been examined By the courtesy of commanding officers I have been lent documents of priceless historical value such as copies of official reports and private diaries plans sketches photographs and so on The Ship Model Builder's Assistant Charles Gerard Davis,1926 **Fraser's Magazine for Town and Country** James Anthony Froude,John Tulloch,1882 **The Golden Jewel of King William III and Queen Mary II** Chris Bulteel,2025-04-28 The exciting story of a Poole fisherman who gets caught up in the naval war with the French in the 1690s **The American Mercury** George Jean Nathan, Henry Louis Mencken,1929 *The Slums of the Solar System Books 1-3* Kate MacLeod,2018-09-11 This box set collects the three novels in the Slums of the Solar System shared world MITWA THE MARS OF MALCONTENTS and A WHOLE WORLD FOR EACH MITWA When a deadly plague ravaged the Earth refugees fled into space crowding into any space station or lunar colony that would take them Decades passed and the descendants of the

survivors struggle to live in anything remotely spaceworthy Omesh banished from his Earthly home finds himself in Barnacle Town A collection of salvage clinging to the hull of a space station in lunar orbit Thousands of lives cling precariously to the hull at the whim of the corporation that owns the station The station manager welcomes everyone But then the CEO arrives intent on scraping the hull of his craft clean Omesh and his family friends and neighbors Not the corporation s problem With nowhere else to go Omesh vows to fight for his new home But physics More merciless than any CEO THE MARS OF MALCONTENTS Valentina knows how to live in the community spread throughout the old mining caves under the Martian ice cap A violent place in a forbidding climate but home for her and her brother Until she wakes from a coma to find her brother gone Her father thinks her incapable of following them back to the equatorial cities He underestimates her her stubbornness her courage and her inventiveness But she underestimates the cold airless surface of Mars A journey from the polar ice cap to the Martian equator Not enough to stop Valentina Not with her brother on the line THE WHOLE WORLD FOR EACH After humankind fled Earth for space they discovered one inescapable truth People die in space And lots of dead people means lots of ghosts April Nguyen earns a nice living getting rid of those ghosts People all over the Solar System clamor for her aid April s only problem Never actually seeing a ghost She pretends she feigns she completely convinces her clients but she fears her inevitable exposure as a fraud And then comes Hakim the ultimate suspicious sceptic watching her every move And yet April feels herself drawn to him He knows a whole other world The Whole World for Each a story about belief and disbelief and how we jump between the two Humankind escaped Earth but not death and what comes after
