Lord Devlin's Dilemma:

Lord Devlin Justice John Sackar, 2020-10-29 Lord Devlin was a leading lawyer of his generation. Moreover, he was one of the most recognised figures in the judiciary thanks to his role in the John Bodkin Adams trial and the Nyasaland Commission of Inquiry. It is hard then to believe that he retired as a Law Lord at a mere 58 years of age. This important book looks at the life influences and impact of this most important judicial figure. Starting with his earliest days as a schoolboy before moving on to his later years, the author draws a compelling picture of a complex brilliant man who would shape not just the law but society more generally in post-war Britain.

Lord Devlin's Dilemma Jane Toombs, 2007-11-01 Miss Jane Sterling, an American, has come to live in the property she inherited, Lyon Hall. With the hall, she also inherited the King's Cloak, which she appreciates as an antique but has no idea of its hidden value. Lord Devlin, however, knows exactly what this ancient cloak can reveal and is on a mission from the crown to obtain it. He arrives at Lyon Hall at night, claiming his carriage has lost a wheel. Jane has no choice but to invite him to spend the night. At first, she believes the handsome lord may be interested in her, but she soon realizes he's really after the cloak. When she attempts to protect the cloak, she accidentally creates a comedy of errors that force the two of them into each other's company, neither trusting the other as they set off on a treasure hunt.

Dilemmas and Decisions Patrick F. Miller, 2018-04-16 In *Dilemmas and Decisions*, the author argues that dilemmas—medical, political, and personal—are clearly universal, requiring decisions with a painful choice. Nevertheless, we are witnessing an increasing tendency amongst opinion leaders, from management consultants to religious fundamentalists, to inform us that dilemmas either do not really exist or are merely problems awaiting the right solution, which they happen to possess. Such moral certainty is dangerously mistaken, breeding extremism and undermining democratic values. Education can become a kind of preparation for Multiple Choice Question type exams or TV quizzes with facts recalled under pressure of time and problems needing fast solutions. Problems, however, are different from dilemmas; they have solutions and disappear as soon as these are found. Dilemmas leave you with an aftertaste and a sense of regret about the rejected alternative.

Devlin's Justice Patricia Bray, 2004-03-30 To save his people, he may have to destroy the one thing that protects them: his own magic. Devlin of Duncaer has retrieved the Sword of Light, the legendary weapon of the Chosen One. But while Devlin was fulfilling his sacred quest, dark forces have swarmed the royal court. To defend his country's borders, the ambitious Jorskaen king Olafur strikes a demon's bargain with an ancient adversary. Now, with the Sword of Light in enemy hands and betrayed by those he loyally served, Devlin is imprisoned, tortured, and rumored dead. While Devlin's adopted countrymen mourn his loss, Jorskaen comes under full-scale attack. Battling for his life, Devlin must escape his captors and amass his own ragtag army. But the ruthless invaders threatening to overrun Devlin and his allies are only the first wave of attack. And this time, Devlin may have to sacrifice everything to save his people from a battle that will make Armageddon itself look like a mere dress rehearsal.

Devlin's Honor Patricia Bray, 2007-12-18 Devlin of Duncaer is the Chosen One, champion of the Kingdom of Jorskaen. A simple

metalsmith and farmer turned warrior he has become the most unlikely of heroes to the conquerors of his own people the Caerfolk Yet there is a growing faction of Jorskians who believe that if he were truly anointed as Chosen One by the Gods then the immortals would have given him the Sword of Light as proof of his calling Missing for generations the sword is more myth than reality But Devlin knows where to find it Lost in battle after the Jorskians brutal massacre of Caerfolk it has remained in Duncaer a souvenir of one of the land's darkest days Feeling more than ever a pawn of fate and a plaything of the Gods who drive him Devlin must return to the land of his birth back to the people who have denounced him For he is bound by an oath he has no choice but to obey a promise he may have to die to keep

Evolution and the Common Law Allan C. Hutchinson, 2005-04-04 This book offers a radical challenge to accounts of the common law's development Contrary to received jurisprudential wisdom it maintains there is no grand theory which will explain satisfactorily the dynamic interactions of change and stability in the common law's history Offering original readings of Charles Darwin's and Hans Georg Gadamer's works the book shows that law is a rhetorical activity that can only be properly appreciated in its historical and political context tradition and transformation are locked in a mutually reinforcing but thoroughly contingent embrace In contrast to the dewy-eyed offerings of much contemporary work it demonstrates that like life law is an organic process i.e. events are the products of functional and localized causes rather than a miraculous one i.e. events are the result of some grand plan or intervention In short common law is a perpetual work in progress evanescent dynamic messy productive tantalising and bottom up

Devlin's Luck Patricia Bray, 2007-12-18 A desperate man in a dying kingdom is awarded the most coveted and most deadly choice of all The once mighty kingdom of Jorsk is in decline its borders beset by enemies both worldly and otherworldly The king has retreated to the capital abandoning the far flung provinces The only hope of the people lies in their Chosen One blessed by the gods as defender of the realm But of late every Chosen One has died targeted by the harshest of the enemy attacks Only the most desperate of men now seek that post Devlin Stonehand is a desperate man Overwhelmed by grief at the death of his family he has lost the will to live But he has vowed to provide for his brother's widow and children and the post of the Chosen One carries with it a substantial reward For Devlin a farmer and metalsmith it is the answer to his prayers prayers that include a yearning for the oblivion of death After he has won the post though Devlin discovers that sometimes the hardest goal to achieve is that which had once seemed the simplest For unlike the other Chosen Ones he persists in surviving Are the gods just tormenting him further or does he have a greater destiny than he imagined Can a man who courts death ever truly come to embrace life
