Maaseh Of Jewish Tales And Legends

Peninnah Schram

Maaseh Of Jewish Tales And Legends:

Ma'aseh Book Moses Gaster, 1981 *The Classic Tales* Ellen Frankel, 1993-07-01 Three hundred Jewish tales in this extraordinary volume span three continents and four millennia Culled from traditional sources_ the Bible Talmud Midrash hasidic texts and oral folklore_ and retold in modern English by Ellen Frankel these stories represent the brightest jewels in the vast treasure chest of Jewish lore Beautifully clothed in contemporary language these classic tales sparkle with the gentle and insightful humor of the Jewish folk imagination And like so much of Jewish literature these stories abound in allusions to classic Jewish texts Biblical cadences phrases from the prayer book and ideas from Jewish proverbs and heroic legends resonate in the air when these tales are read or told aloud In *The Classic Tales* history sheds its dust to become as intimate as family memory While the breadth and depth of this book make it completely unique three special features also help distinguish it God appears without gender though certainly not without personality women characters so often nameless in the original biblical text wear their midrashic names e g Noah s wife Naamah Abraham s mother Amitlai Lot s wife Edith and many tales of Sephardic origin have been included to correct the common American bias toward Eastern European sources What s more this volume has been uniquely designed to be of use to educators rabbis parents and students It features a chronological table of contents as well as six separate indexes arranged by Jewish holidays Torah and Haftarah readings character types symbols topics and proper names and places_ to make the tales easily referenced in a wide variety of ways Anyone who needs a story to inspire a child to illustrate a point to develop a sermon or just to uplift his or her own thirsting soul will find just the right one in *The Classic Tales* *Tales of Elijah the Prophet* Peninnah Schram, 1997 Both as a biblical prophet and a folklore hero Elijah is one of the most popular and beloved figures in Jewish literature In these intriguing tales we see Elijah as the master of miracles employing numerous disguises to fulfill his mission to offer guidance and hope reward goodness and punish wrongdoing rescue Jewish communities and individuals and signal the coming of the Messiah Old Yiddish Literature from Its Origins to the Haskalah Period Israel Zinberg, 1975 *A Companion to the Devil and Demons, c.1100-1750* Kathryn A. Edwards, 2025-08-28 For medieval and early modern Europeans the Devil and his demonic minions were seen as increasingly active They tempted monks tortured the unwary and conspired against humanity They were responsible for waves of heresy plague famine and religious division and they formed unholy alliances foreshadowing the approaching Apocalypse and End Times Bringing together eighteen internationally recognized specialists *A Companion to the Devil and Demons* explores the latest research on premodern European beliefs about the Devil and demons With chapters ranging from scholastic and necromantic perceptions of demons to the place of demons within witch trials connections between demons and non human beings and media that spread ideas about demons it argues for the centrality and durability of demon knowledge in European culture Contributors to this volume Philip C Almond Robin B Barnes Dean Phillip Bell Michelle D Brock Fabi n Alejandro Campagne David J Collins SJ Ismael del Olmo Kathryn A Edwards Lizanne Henderson

David Johannes Olszynski Richard Raiswell Juanita Feros Ruys James Sharpe Julien Vronse Rita Voltmer Hans de Waardt Gary K Waite and Charles Zika *Many Pious Women* Harry Fox, Justin Jaron Lewis, 2011-10-27 This work is of importance to anyone with an interest in whether women especially Jewish Ashkenazic women had a Renaissance It details the participation in the Querelle des Femmes and Power of Women topos as expressed in this hagiographic work on the lives of biblical women including the apocryphal Judith The Power of Women topos is discussed in the context of the reception of the Amazon myth in Jewish literature and the domestication of powerful female figures In the Querelle our author pleads with husbands for generosity and respect for their wives piety Whether women living in the Renaissance experienced a renaissance is a debate raging since Joan Kelly raised the possibility that this historic phenomenon essentially did not affect women The question is raised with reference to the women depicted in *Many Pious Women* These topics find their expression in a richly annotated translation with extensive introductory essays of a unique 16th century manuscript in Western Yiddish Judeo German written in Italy The text will also be useful to scholars of the history of Yiddish and theorists of its development Women everywhere gender and Renaissance scholars Yiddishists and linguists will all welcome this work now available for the very first time in the original text with an English translation **Ma'aseh Buch**, 1934 **The Hebrew Folktale in Premodern Morality Literature** Vered Tohar, 2023-11-14 Recontextualizing early modern Musar folktales to reveal a new reading of premodern Jewish texts This pioneering exploration shows that in the early modern world printed works on morality and ethics served as an important conveyor of classic Jewish folktales and as an important channel of leisure reading in premodern Jewish culture Utilizing a corpus of over 400 Musartales author Vered Tohar carefully opens a path to understand the thematic and poetic features of those tales This innovative reframing of early modern Musar texts reveals a new history of Jewish folklore and emphasizes the continuity of Hebrew literature from medieval to modern era Tohar classifies these stories which she calls the Musar folktales into four genres adapted from classic poetic studies tragedy comedy parable or social exemplum and theological allegory As parables of vice and virtue the works featured here were originally printed and circulated in early modern Jewish communities and each contained themes of love and hate good and evil loyalty and betrayal or life and death Beyond their traditional function of ethical and moral edification Tohar advances the Musar texts as an archive of Hebrew tales and their ideological traditions This innovative reframing of early modern Musar texts reveals a new history of Jewish folklore and a new way to read those texts **The Story of the Jewish People** Jack M. Myers, 1925 **Conversion, Circumcision, and Ritual Murder in Medieval Europe** Paola Tartakoff, 2020-01-17 A investigation into the thirteenth century Norwich circumcision case and its meaning for Christians and Jews In 1230 Jews in the English city of Norwich were accused of having seized and circumcised a five year old Christian boy named Edward because they wanted to make him a Jew Contemporaneous accounts of the Norwich circumcision case as it came to be called recast this episode as an attempted ritual murder Contextualizing and analyzing accounts of this event and others with

special attention to the roles of children Paola Tartakoff sheds new light on medieval Christian views of circumcision She shows that Christian characterizations of Jews as sinister agents of Christian apostasy belonged to the same constellation of anti Jewish libels as the notorious charge of ritual murder Drawing on a wide variety of Jewish and Christian sources Tartakoff investigates the elusive backstory of the Norwich circumcision case and exposes the thirteenth century resurgence of Christian concerns about formal Christian conversion to Judaism In the process she elucidates little known cases of movement out of Christianity and into Judaism as well as Christian anxieties about the instability of religious identity Conversion Circumcision and Ritual Murder in Medieval Europe recovers the complexity of medieval Jewish Christian conversion and reveals the links between religious conversion and mounting Jewish Christian tensions At the same time Tartakoff does not lose sight of the mystery surrounding the events that spurred the Norwich circumcision case and she concludes the book by offering a solution of her own Christians and Jews she posits understood these events in fundamentally irreconcilable ways illustrating the chasm that separated Christians and Jews in a world in which some Christians and Jews knew each other intimately

Right here, we have countless books **Maaseh Of Jewish Tales And Legends** and collections to check out. We additionally pay for variant types and as well as type of the books to browse.
