Medieval Hour In The Authors Mind:

Medieval Hour in the Author's Mind Ernest Hekkanen, 1987 Medieval Hour in the Author's Mind Ernest Hekkanen, 2003 *Translating Canada* Luise von Flotow, Reingard M. Nischik, 2007-10-25 In the last thirty years of the twentieth century Canadian federal governments offered varying degrees of support for literary and other artistic endeavour. A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world. Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad. *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers, theatres and other culture brokers. It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers: novelists and poets, playwrights and children's authors, literary and social critics. Above all, the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values. The chapters in this collection will be of value to students, teachers and scholars in a number of fields. Informed lay readers too will appreciate the author's insights into the different ways in which translation has contributed to German reception of Canadian books and culture. *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers, theatres and other culture brokers. It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers. Published in English *Novel and Short Story Writer's Market, 1989* Laurie Henry, 1989-02 Lists addresses and information on contacts, pay rates and submission requirements and includes essays on the craft of writing.
